From the President

Hello Bay Graduates!

First and foremost: Thank you Paul! As BAF's new President, I want to publicly thank Paul Hartranft for his what-seems-like-75-years of Presidency here at BAF. Paul isn't going far however—I told him I would only take over as President if he stays on as Vice-President—thankfully, he agreed.

So.....everyone: get ready for some great changes and new directions for BAF. Stay tuned for more to come, and please don't hesitate to contact me at mara.manke@sbcglobal.net with any questions or concerns. Very soon we will be officially unveiling our new and improved website—to take a sneak peak, go to www.bayalumni.com. It's not totally done yet, but should be by July 1, 2010.

We are looking for a new Recording Secretary—thank you Nancy Wargo for your service—if you're interested, please send me an email.

All of you Bay graduates who are in the Cleveland area, please seriously consider joining us every first Monday of the month at the Bay Police Station at 7pm. Our next meeting is April 5th!

Thank you everyone!

Football Stats Wanted

by Gary Heldt

We are attempting to compile an all time Bay High football record on a year-by-year basis. We have been able to find records going back to 1927 but we are missing the following seasons: 1928, 1933, 1934 and 1935. If any of you have yearbooks or other information which could give us this data (yearbooks would have to be from 1929, 1934, 1935 and 1936) we would appreciate it. We would like the teams record, what place they finished in (if it is noted and sometime in the old yearbooks it wasn't) and who the coach was. We are fairly certain the coach in 1933, 1934 and 1935 was Homer Secrist as he was listed as the coach in 1932 and from 1936 to 1942. In 1928 it was either Secrist or Mahler. If you have this information please return it in the information packet in this issue or contact Gary Heldt at 440-617-9758 or 216-970-4083 or at jandgheldt@aol.com.

Alumni News

- 1936 Merrill Asher is evidently hospitalized at this time. According to Nancy Wargo '52, Merrill moved to Bay in 1922 at the age of four, and was one of 29 students graduating from Parkview in 1936. At that time, most of the north-south roads in Bay were gravel or cinder, and had numbers instead of names. With his father and brother, Merrill built 25 homes in and around Bay, where he still lives with his wife Joan.
- 1944 Dick Hunphrey is still enjoying retirement in Austin, TX

- the talk and to keep up with them, and his strict sense of discipline. They thank him at the end of each practice."

Longtime Educator Will Be Missed

by David Spencer

Mr. Paul K. Spencer, former Assistant Superintendent and long time educator in the Bay Village school system, passed away September 17, 2009 at the age of 78. A friend of many teachers, students and parents in Bay Village, he is survived by Barbara Spencer and was a dear Dad of Bay graduates Lori Spencer '77, Jeri

Romanski '78 and David Spencer '83. Mr. Spencer is the fond Grandpa of Nathan and Amanda Spencer, Devin, Delaney and Dane Spencer and Dan, Erin, Benjamin and Adam Romanski. He was a dear friend to Bay High teacher, Ann Mowery, and was a mentor, friend and educator to countless people.

In 1949, he graduated from Dover High School (Westlake) and shortly after, joined the U.S. Air Force to serve as an Airman 1st Class in Korea from 1951-1955. With 30 years of service as Teacher, Principal, Administrative Assistant and Assistant Superintendent, 20 years of which were spent in the Bay School System, he became a Bay Village icon, beloved by too many to count. Mr. Spencer began his career as Principal of then Glenview Elementary School, was promoted to Administrative Assistant and after a 2 year stint in Elyria, returned to Bay as the Assistant Superintendent. Many former BHS students would remember his presence in the halls and his uncanny ability to relate to them and remember their names even after one meeting. An ardent Bay athletics follower, he attended all football, basketball, volleyball and soccer games almost without fail,

supporting each before, during and after his children's participation.

A 1963 recipient of the Valley Forge Freedom Foundation Award, Mr. Spencer served his community as Elder in Bay Presbyterian Church, former First Chairman of the Ohio Right-to-Read Commission, first Chairman for the WVIZ-TV Advisory Committee, Chairman of the Lake Erie Nature and Science Center Trustees and Educational Foundation and as a coordinator with the Bay Watch program.

Post his retirement in June, 1986, Mr. Spencer continued to spend his time in the service of others while enjoying numerous trips around the world and within our U.S. National Parks. He enjoyed his remaining time with his children, grandchildren, and friends, always faithful in the support of their individual activities, goals and dreams.

For so many who remember Paul, his integrity reflected his values and virtues. When author Clarence Budington Kelland wrote, "He didn't tell me how to live; he lived, and let me watch him do it.", he could have used Paul as a perfect illustration.

The reach of his character will be far greater than we can see. As a family man, he gave of himself to his children and grandchildren. As a friend, he gave comfort, inspiration, joy and compassion. Future generations will come to know him, not by physical experience, but from vivid memories of those he touched in his 78 years and be influenced by lessons he provided. Paul's reach will be far, for he has reached, through everyone he met, into a future he will never see, but one about which he cared deeply.

He will be greatly missed!

Bay Alum to Print Shoreline

We are pleased to announce that our new printer, Stuart & Associates, boasts a Bay alum, Dan Lunoe '00. Dan grew up in Bay and went on to major in marketing at Xavier after graduation, where he graduated with a Bachelors in Business Administration. Dan was not quite ready to leave Xavier though, and decided to pursue a Masters of Business Administration. He started the MBA program after graduation in May of 2004 and completed the program in August of 2005. After school Dan moved back to Cleveland and lived in Lakewood, Rocky River, and most recently Fairview Park where he hopes to stay put for a while. Dan's parents, Bob and Lynn, still live in Bay Village. His sister and brother both also graduated from Bay: Maren '01 and Mike '04. Dan has been active in the Tri-Bay golf outing committee and is currently helping to plan his 10 year class reunion this summer. Dan can be reached at dlunoe@stuartassociates.com.

Reunion Recaps

Class of '59 - 50th Reunion a great success!

From the cruise on the Goodtime III, to The Pub in Rocky River, to Saturday lunch at Beardens' with Coach Kitzerow, dinner at CYC and the grand finale - brunch at Huntington Park, again with Coach, they all agreed it was the best reunion ever. Approximately half the class attended, along with spouses and significant others. Those who cruised on the Cuyahoga and Lake Erie said it was a really

unique and educational view of Cleveland. The best part of all was getting together with classmates and old friends. Several attendees had moved away before graduation, but felt more attached to us than the schools from which they

graduated. We were so excited to see them again! We were attached to them, too.

Classmates say they can't wait until our 55th reunion.

Class of '63 Mini Reunion

This picture of Warren "Buddy" Knox, '63 and John Chamberlain, '63 was taken in Corpus Christi, Texas this summer where the two BHS alums had met for a "mini" two person Class of '63 reunion.

Knox and his wife Carole Pierie, '65, who live in Corpus Christi had joined Chamberlain, who lives in Houston, for dinner and many hours of reminiscing about their great memories of Bay High School.

Class of 1969

The class of 1969 had a wonderful 40th reunion in July 2009. The picture shows all who were able to attend the Saturday night beach party. Remember to check out our website at www.bayhigh69.net for class news and directory information - the site will be kept up until the next reunion.
