Hello Bay Graduates!

The 2010 Bay Alumni Foundation Fundraising Drive IS NOT OVER YET!!!

DONATE YOUR GRADUATION YEAR! Did you know that only approximately 10% of Bay graduates make a financial donation to the Bay Alumni Foundation? We need your help!! BAF is asking all Bay alumni to “DONATE YOUR GRADUATION YEAR!” Some of you might be saying, “Huh???” This means we are asking everyone to donate the dollar amount of what the 4 digits were of your graduation year!

Examples:

If you graduated in 1943, donate \$19.43.

If you graduated in 1975, donate \$19.75.

If you graduated in 2001, donate \$20.01.

BAF is structured as a non-profit organization, therefore, we are not permitted to charge “dues” to all of you Bay graduates. We totally rely on your financial donations and the couple of fundraising activities we do throughout the year. Please send your tax-deductible donations made payable to Bay Alumni Foundation to: Jane Beckett Rock ('59): 23804 Lake Rd. Bay Village, OH 44140. Thank you!

Thank you everyone!

BAY VILLAGE UPDATE

by Wayne Reese '56

Fourth of July, traditional “Bay Days”, Fireworks in Cahoon Park brought back childhood memories for many Alumni. Kiwanis French Fries, Games of Chance, carnival rides, local service organizations booths, a rock band, and children of all ages were part and parcel of the celebration. While working in the Bay Men’s Club booth, I had an opportunity to meet several Alumni who have returned to become full time residents – and their number one reason for moving back is that there is no other community in our country that has all of the attributes of Bay Village.

Summer in the Village brings back all of the memories of the wonderful community that you remember – the open parks - Huntington, Huntington Beach, and Cahoon with all of its recreational facilities, The Huntington Playhouse, Bay Arts (Bay Crafters), the Lake Erie Nature and Science Center. There is now a Community Garden Center at the site of Forestview Elementary School. A new Skate & Bike Park had its groundbreaking ceremony on the 5th. The Park will be on the corner of Wolf and Cahoon Roads, diagonally across from the Middle School. It has been under development for six years.

The Village is on the eve of its Bicentennial celebration with many events planned for the weekend of October 10th – parades, dedication of a cupola on the Community House, Fireworks, a candle light ceremony, Guest speakers, Historical tours, and other planned events – **10-10-10 still needs your help** with contributions to: “The Village Foundation” and marked Bicentennial celebration – to: P.O. Box 40122, Bay Village, Ohio 44140 - all contributions are Tax deductible. A water color print of the Community House (original, painted by Tom Jones '60, Artist for the White House Christmas Cards) is available for purchase – contact Tom Roehl – class of '55 at 440-871-7879

When you return to the Village you will find many positive changes, however, your memories of when you lived here will remain with fondness. Come visit, and you will be welcomed back, and maybe you will come back to live in the Village where you grew up.

Class of 1965 holds Memorial Service for only classmate killed in Viet Nam: Kenton "Elwood" Henninger '65

Pastor Ed Broestl '65 officiated a dedication ceremony for Kenny "Elwood" Henninger on July 17, 2010 at Cahoon Park in Bay Village. Kenny was awarded the Silver Star posthumously for his bravery in Viet Nam. These and other military awards of Honor will be on permanent display in the Osborn Learning Center thanks to Ken's cousin, Bill Papenbrock, who donated them to the Bay Village Historical Society. The Class of 1965 has been making donations in honor of Ken to the restoration of the cupola on the Community House for the city's Bicentennial Celebration coming up in October 2010. Sgt. Henniger paid the ultimate price for his country on March 7, 1969.

New Church Facility Dedicated to Alum

On June 5, 2010, the dedication and opening of a new facility was held at Bay Presbyterian Church in memory of Linda Belser Ruscher, class of '69, who died suddenly on June 6, 2009 of a stroke. The Ruscher Outdoor Classroom for Kids (R.O.C.K.) was built at the church where Linda was a preschool teacher for 31 years. As stated on the Dedication Program, "Linda's gentle voice, tender touch, and compassionate presence are deeply missed, but her legacy will live forever through the school she so dearly loved." The outdoor classroom was paid for by donations of community members, classmates, family, and friends, with the idea that "together we can help children develop strong connections with nature that will make a difference in their lives and in the world for generations to come." Class of '48 Memorial Fund

It was just a little over a year ago that we lost our class president. Charles Godfrey "Mike" Taylor passed away in the fall of 2008. Since that time the Class of '48 has been pondering what we might do to honor Mike's memory. You see Mike was our Junior class president and also our Senior class president. Then he continued as our class president for the next 60 years. It was certainly his leadership that kept us in contact, and allowed us to renew our friendships at reunions with our Bay Village High School classmates.

Tom Larsen & Sue (Horton) Larsen have picked up the banner and will attempt to keep everyone up to date on the classmates.

This fall Sue & Tom made a trip to Bay Village and had a meeting with Sally (Irwin) Price '49 and Tom Phillips who both are involved with the historic Osborn House located in Cahoon Park next to the Library and near the Community House. The small historic home is bulging with wonderful memorabilia but because of it's historic designation no additions are allowed. Therefore it was agreed that we as the class of '48 would take on a project to purchase some folding display racks. These will be used to keep information in a more compact yet accessible manner regarding people and events in the history of Bay Village. The class of '48 will get the first page of the rack.

The classmates were asked to each contribute \$48 toward this effort (the dollar amount is significant) and we have had a wonderful response from many of our classmates. We're sure that Mike is getting a great kick out of this. His love for Bay High spread beyond class boundaries so to those from other classes that would like to make a contribution may do so and will be given recognition. (If the dollar amount reflects your class year, that would be especially fun). Your donation should not take the place of any other Bay Village funds you currently support.

To participate just send a check to:

The Bay Village Historical Society - Mike Taylor Memorial Fund

P.O. Box 40187, Bay Village, OH 44140

(Tom Phillips, the Historical Society Treasurer, will see that it goes to this fund.)

--Tom and Sue Larsen - current caretakers of the '48 legacy

Homecoming 2009

Distinguished Alumni recipient Max Doubrava '52. Bob Kitzerow, the legend...congratulated Max Doubrava '52 (and his wife Joan) for being elected as one of the Distinguished Alumni Recipients to the Bay High Hall of Fame. In the Homecoming Parade, they rode in a perfectly restored 1962 silver Cadillac convertible down Wolf Road to the Bay Memorial Stadium. It was a colorful parade of bands, cheerleaders, blue and white streamers, and the awesome Bay Alumni Foundation Rocket Balloon. There were hundreds of spectators and children holding out their bags for candy and treats. The sky was blue, the sun was shining, and it was a Bay Village community event to remember.
