

The **23** Year Old Uniforms Need to Be Replaced!

Marching Band & Rockette

The average life for band uniforms is 10–12 years. The current uniforms have marched in 23 years of parades, halftime performances and various concerts including Disney. They have seen rain, snow, ice, wind and mud. Although they are dry cleaned annually, they are faded and beyond repair because of worn fabric, frayed linings and broken zippers that have been repaired many times by band uniform moms.

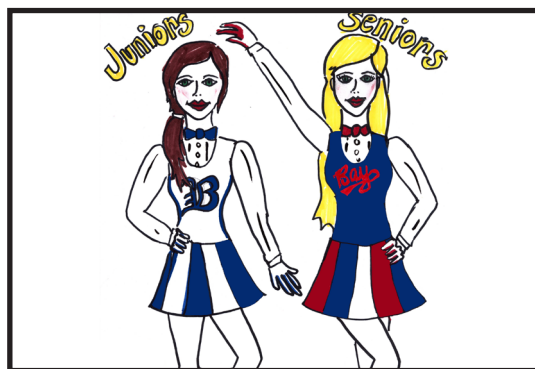

Good news is here! The band uniform prototype has arrived! We have seen the new raincoat, which will be purchased for both the band and the rockettes. The rockettes have decided to keep the same style of skirts but they will be remade as the current skirts are wearing out. A new vest will be designed and made. If all goes as projected, the students should be wearing the new uniforms for the 2012–2013 year!

Bay Band Boosters, in cooperation with the Bay Village Board of Education would like to purchase 140 band uniforms, 34 junior rockette and 34 senior rockette uniforms. The Bay Band Boosters need to continue to raise over \$100,000 for uniforms. **Our goal is to raise funds by March 31, 2012.**

~ Again in 2011, Bay Village has been named as One of the "Best Music Communities in America" This is the 9th year in a row!
