

Mara Manke McClain,
 President

Message from the President

My husband and I are finally settled into the bustling town of Waynesburg, Ohio (population about 920) located south of Canton, and we couldn't be happier! Since I announced that 2014 is my last year as President of BAF a few months ago, I'm delighted to say that we've had a few new faces at our monthly meetings expressing interest in possibly taking over the reins. Elections will be in January of 2015.

Below is the Homecoming Agenda for October 10, 2014. We invite all Bay High Alumni to come and we want to see you! Thank you!

Friday, October 10, 2014:

5:45 pm Homecoming Parade down Wolf Road from Cahoon Park to the Bay High School Memorial Stadium. Please join Bay Alumni Foundation in the Annual Homecoming Parade!

We will be showing off our inflated Bay Alumni Rocket Balloon! Meet BAF at Cahoon Park around 5:00 pm to be in the Parade on the BAF float! The more alumni we've got on the float, the better! Bring candy to toss out to the kids! Come join us!

7:00 pm Football Game: Bay Rockets vs. Midview

TRI-BAY GOLF CLASSIC '14

This year's 14th annual Tri-Bay Golf Classic was our most successful event ever! And with 228 golfers, the most attended outing ever! The cooperating weather was simply splendid. We had 57 groups tee off on Friday, June 13 at Sweetbriar Golf Course in nearby Avon Lake. We netted a little over \$12,000 which

generated approximately \$4,000 for each of our host groups: the Bay Alumni Foundation, the Bay Village Education Foundation and

BAF Scholarship Winners

As part of the Bay Alumni Foundation's mission, this was the third year for the Scholarship Program. This year, three scholarships of \$500/each were given to two females and one male at the Kiwanis Academic Awards Night held in May in the Bay High Auditorium. All Bay Seniors are eligible to participate. We do not have a GPA requirement, however the student must be in good standing with the school. Students are required to write a creative essay which includes their memories at Bay High and provide fundraising ideas where the Foundation can synergize with the current student body.

It was another successful scholarship year. The essays were judged anonymously and the 2014 winners of the scholarships were Colleen Kowalski, Shaley Stearns and Robert Ziebarth. The funding for the scholarship awards are written directly to their school of choice which is applied towards tuition. Colleen is attending Case Western and pursuing nursing. Shaley is attending Kent State and also pursuing nursing. Robert is going to pursue an engineering degree in the honors program at The Ohio State University.

Many essays were written and we read a lot of memories at Bay High, happy and sad. Colleen wrote memories that included throwing baby powder which created a massive white cloud drifting across the football field. Robert recalls the chills of marching down Main Street USA at Walt Disney. Shaley reminded us of three deaths this graduating class had endured over their school years. And with those deaths she wrote about the Village coming together in community spirit.

The Scholarship Committee members this year were Paul Hartranft, Judy Horton, Cristine Marco Hoffmann, Al Nelson, Tom Phillips and Wayne Reese. Please consider giving back to the future students in the Bay School District by donating to the Bay Alumni Foundation Endowment Fund to support the scholarship program and note on your donation that the purpose is for scholarships. Thank you!

Where Are They Now and Who's Doing What?

A Series of Interviews with Alumni: Featured Alumni: Coach Al Nelson

What year did you graduate from BHS?

I graduated from BHS in '62. I had a great summer hanging out with friends Chic Kennedy, Rick Gaches, Bert Maheu, Dave Batley, Phil Rowell and Dick Maben.

Did you attend college and if so, where and what degree?

Off to Bowling Green State University. In the fall all of us high school buddies visited each of our respective colleges. The best of times! I interrupted my college "career" by enlisting in the Naval Reserves for two years. I returned to BGSU to finish with an BS in Education degree (Health and Physical Education K-12). After graduating I married my wonderful wife, Lynne and bought a house in Bay Village. We had two great kids Mark and Kari, both are Bay High School grads.

What type of jobs did you hold after graduating from BHS/college?

After BG I went to work for Sears Roebuck in their management program for a year at midway mall in Elyria. Then went to work for Gillette for six months before taking a teaching job in Bay Village at the middle school.

What did you teach/coach during your career?

I spent a wonderful 32 years teaching primarily health and some physical education at Bay Middle School. I immediately spent 4-1/2 years getting my masters at Cleveland State while coaching 8th grade boys basketball and JV boys baseball while raising a family. Summers were spent managing Avon Oaks Country Club swimming pool, Lakewood Country Club swimming pool and for a brief time Bay swimming pool. How's all that for multi-tasking?!

When did you retire?

I retired in 2002 and right away went to work part time for the building department in the city of Bay Village as a property maintenance inspector. That lasted almost nine years as the city outsourced the department.

See "Where Are They" on page 4

What do you do and where do you live in your retirement years?

I began playing major softball in 1970 with a great group of guys. To this day, even though we have all retired from the game, a few of us still get together each and every Saturday am for breakfast as we have done since the very beginning in '70. My sport of interest now is golf. I volunteer my time twice a week at Big Met in the Cleveland Metroparks system as a ranger.

With both of our kids grown and out of the house, Lynne and I just love to travel. We try and take a 2-3 week vacation in the fall every year. A 14 day Alaskan trip is planned for this August.

I have been a member of the Bay Alumni Foundation almost since its infancy in the early 90's. I was the president for about 10 years and am now a trustee. I'm very proud, along with Paul Hartranft

BHS '64, to have started the Tri-Bay Golf Classic in 2001 which is the foundation's annual fundraising golf outing. We just completed our 14th year netting nearly \$13,000 for the three sponsoring groups (the Bay Alumni Foundation, the Bay Village Education Foundation and the Bay Rockets Athletic Boosters). Catch us on our [website](#).

Do you have any other accomplishments or personal stories to share with alumni?

I graduated with the best class from Bay High School! We have had many reunions since '62 and some reunions just to have a reunion. We have a great gal handling our website, Susie Murray Grubb and she keeps us all posted on what's happening with all our classmates. Ask me what one thing do I remember about those high school days? Probably the best laugh (bar none) came from Gary Glaser!

A Word from Alums

1943 Connie Watson Hannah "Still busy and active at 88!"

1951 Eugene Briggs "Please accept this donation to do some good for the students in my school. It's been a long time since I've been back."

1952 George Hill "It's that time of year again to donate to Bay Alumni Foundation. My wife, Cloyde, went to be with the Lord on May 3, 2013 so we did not have a mini-reunion as we have been doing for the past 12 years. We did have lunch with Tom Kiselle '52 and wife Judy in March, 2014 along with my brother Tom '46, who was visiting from Bay Village."

1953 Dick Groff as written by Kay Groff. " Dick continued to volunteer for the Cordova Volunteer Fire Department with much time spent on disaster management for the city. He was nominated for the Alaska First Lady's Volunteer of the Year award and was chosen. We traveled to Juneau for a wonderful afternoon with Governor Sean and First Lady Sandy Parnell on May 10, 2013 which was also our 55th wedding anniversary. A crew from Anchorage TV station KTUU traveled to Cordova to interview him which resulted in a segment of the evening news!"

1962 Susan Murray Grubb "I recently was given this cross stitch and we are trying to learn more about it. This was purchased at a garage sale in Avon Lake but was professionally framed in Lake Worth Florida. We are hoping that you might be able to help us solve some of the mystery. We are thinking that JCM made this for a gift in 1983. We can't figure out what 332R means ... There is no house at 27044 Russell or maybe it was torn down? If you know anything about this cross stitch, please email Susan at: sgrubb36@gmail.com.

1969 Sandi Blankman Gorman "On March 20-23, 2014, 12 members from the BHS Class of '69 (and seven spouses) met in Charleston, SC for a 45th year Destination Reunion. We had much fun thanks to terrific weather, a gorgeous city, and wonderful host and tour guide, Bob Seidler. Other classmates in attendance included Marcia Danielson Lowe, Mike Foley, Kirk and Sandi Blankner Gorman, Karen Hansen Dade, Kathie Leeds Ingram, Randy Perry, Ray Schilens, Barry Tutin, Carol Urquart Kindt, and Ross Wilson. The 50th reunion will be back in Bay in 2019. Check out our [website](#)."

GOAL: Electronic Distribution of The Shoreline to As Many BHS Graduates as Possible!

We need your email addresses! To reduce the costs involved in printing and snail mailing The Shoreline, BAF needs your email addresses so that we can distribute the newsletter electronically. BAF is utilizing Mail Chimp to distribute The Shoreline and currently has around 3,500 email addresses out of about 9,000 (active) BHS alumni. BAF's goal is to collect 5,000 emails by Jan 1, 2015. It costs BAF over \$10,000 per year to print and snail mail The Shoreline. Just think if we could reduce that number by 50%! **You can help with our goal!** Please send your email addresses to: Mara McClain: mara.manke@sbcglobal.net or click on the [BAF website](#) and update your info by clicking on the Update Your Info button.

Go Digital! Read The Shoreline Interactively!

When reading the electronic version of The Shoreline you will now be able to directly link from a story to details of that story by clicking on the links that will take you directly to either websites or emails. For those reading the Shoreline in print, URL's (website addresses) will now be indexed in the newsletter so that you can access details of the story.

To list your class website or facebook page, send your URL to Mara Manke McClain at mara.manke@sbcglobal.net or Cristine Marco Hoffmann at cmmh75@gmail.com.

Are you still receiving a printed copy of The Shoreline via the post office? Please help BAF reduce printing and mailing costs and sign up to have The Shoreline emailed to you. Please continue to send your updated email addresses. The Shoreline will be sent you to via our mail service, Mailchimp. Send your email address to: mara.manke@sbcglobal.net

Bay Alumni Foundation's Fundraising Campaign

Donate Your Graduation Year, + \$10.00!

Did you know that only approximately 10% of Bay graduates make a financial donation to the Bay Alumni Foundation? We need your help! BAF is asking all Bay alumni to **Donate Your Graduation Year, + \$10.00!** This means we are asking everyone to donate the dollar amount of what the four digits were of your graduation year, and then add another \$10.00!

Examples:

If you graduated in 1943, donate \$19.43, plus \$10.00 = \$29.43

If you graduated in 1975, donate \$19.75, plus \$10.00 = \$29.75

If you graduated in 2001, donate \$20.01, plus \$10.00 = \$30.01

BAF is structured as a non-profit organization, therefore, we are not permitted to charge dues to Bay graduates. We rely on your financial donations and the couple of fund raising activities we do throughout the year. Please send your tax-deductible donations made payable to Bay Alumni Foundation to: Hugh O'Donnell '83, Treasurer, 25127 Bayfair Court, Bay Village, OH 44140 or click on [BAF website](#).

Bay Village History

Bay Village Yacht Club a.k.a. Bay Boat Club

In Bay Village, Lake Erie is our backyard playground. Hobo, Loafer, Restless and Bum. These names don't usually find their way into a sailing story, but add to them Vagabond, Wanderer, Tramp and Roamer and attach them to eight homemade sailing dinghies, and you have the nucleus of the Bay Village Yacht Club, the youngest yachting organization in the area in 1940.

The Biloxi dinghies were owned by Bay High School boys, Smith, Hrubby, Sims, Asher, Sutliff, Miller, Nyerges and Brueggemann. The boys ranged in age from 13 to 18 years old. All the boats were homemade either by the boys and their parents or Henry Wischmeyer. Henry was the caretaker of the old Wischmeyer Hotel on Lake Road. At times he needed workers to pick peaches and strong backs to cut down and haul away trees and brush. He would hire high school boys who lived on the streets near the hotel to do chores around his property, and they became friends. Henry's boat house, no longer in use, was offered to the boys as a yacht club to store their boats and equipment. Almost every day

during the summer months, the boy's boats could be seen catching the warm summer breezes off the Cahoon and Wischmeyer beaches.

World War II began the breakup of the sailing fleet as seven members joined the Navy, four on the same day. When the war ended, and the boys came home, they found they had different interests and the club disbanded. The one thing that stayed constant was the lake which still pleases us today.

"Schools" continued from Cover

Bay Village Schools are in the process of updating Normandy, Westerly, and the High School. High School Auditorium seats are on sale for \$20. The seats are being replaced as part of the Bond Issue Renovations. Bay High School is listed as one of the U.S. News World report's best High Schools in America, earning the magazine's Gold designation. It is the highest ranking of the Nation's High Schools by the magazine. Bay Village Schools are named to the Best Music Communities in America list for 2014.

The Village continues to earn accolades locally and Nationally. It remains the wonderful city that you grew up in. If you are out of town, come visit and maybe come back here to live. You won't find another community like it anywhere.
