Message from the President

I hope that as you are reading this, change is in the air, and it's called spring! It's been a long winter for some of us and we are due for a change. Your Bay Alumni Foundation has gone through some changes of its own. Not only have we voted in a new President and Vice President, (Nancy Smith Mitchell '79) we also created a new Board position (Communication and Technology) with its

officer being Dan Krueger '90. Mark Mutch and his team from Modgility has made changes to our website making it more user-friendly, interactive and useful for all Bay Alumni. But most importantly we are in the process of changing and defining who we want to be as Bay High Alumni.

The new motto at Bay High school is "One Rocket Nation" and I for one feel that we, as alumni, are part of that nation. As we progress through this New Year I hope you will join us in making the alumni contribution to Rocket Nation as meaningful as it can possibly be. At the July meeting Mike Voll '75 asked the question "Why can't we do more?"

 Fund Raising

Why Can't We Do More?

When I first got involved with Bay Alumni Foundation in last August '14 the discussion at the time was how could BAF provide one additional \$500 scholarship for a deserving Bay High School Senior. One of the first questions I asked myself and the board members was "why can't we do more?"

There is consensus that we need to take a more proactive role in raising funds to accomplish some of our new goals. I volunteered to chair the fund raising efforts on behalf of BAF and along with Jim Joyce '78 we are planning an all-encompassing, professional approach to our efforts. We have begun to explore developing working relationships with the other Bay Village non-profits to expand our audience and leverage our ability to raise the needed capital to move forward with our "Why can't we do more" philosophy.

As part of our plan, we envision making Homecoming more of an event for alumni, very much like college and universities. We envision a weekend where alumni of all ages have a reason to come back to Bay and take part in numerous activities planned. For those who will be returning to Bay for the first time in a long time for a reunion or the homecoming festivities, we want to make sure they get to enjoy and remember all that is special about Bay Village and Bay Village Schools.

We are also going to focus on helping out with and attending class reunions and to use this as a conduit to our alumni to keep them personally informed on our efforts.

There are three areas where Jim and I will concentrate our efforts.

Winter Sports Highlights

This past winter picked up right where the fall sports teams left off. The Boys Swimming and Diving Team was West Shore Conference Champions for the first time since 2009. The Boys Basketball Team was West Shore Conference Tri-Champions for the first time since 2010. The Hockey Team came on strong this season by winning the Blue West Division in the Greater Cleveland High School Hockey League. This was their first title since 2009. The Girls Swimming and Diving Team was also Sectional Champions.

We had 12 swimmers and 1 diver qualify for the State Meet Wednesday, February 25 through Friday, February 27. They were Zach Ashbrook (Jr.) in diving and Mark Fischer (So.), Trevor Lake (Sr.), Colin MacMillan (Fr.), Kyle MacMillan (So.), Jacob Melaragno (Jr.), Colin Southerington (Sr.), Abby Beauchesne (So.), Kate Dannemiller (So.), Jackie Melaragno (So.), Rose Mlakar (So.), and Logan Thompson (Fr.) in swimming. From the outstanding athletes that competed, our Boys 200 Free Relay and 400 Free Relay consisting of Trevor Lake, Kyle MacMillan, Colin MacMillan, and Colin Southerington were State Runner-up in the 200 Free Relay and finished 3rd in the 400 Free Relay. Senior Trevor Lake once again retained his crown as "State Champion" by winning the 50 Free and 100 Free.

On Friday, February 27 and Saturday, February 28, Bay High School and the Bay Wrestling Team were the host for the Division II Sectional Wrestling Championships. The coaches, parents, athletes, and community members did a tremendous job putting on a first class tournament. Sophomore Josh Barr was crowned "Sectional Champion" at the 170 lb. weight class.

Jared Shetzer, Head Boys Basketball Coach, Kevin Kittrick, Head Hockey Coach, and Kelley Knaack, Head Swim Coach were all named West Shore Conference Coaches of the Year. In addition, Kevin Kittrick was named Blue West Coach of the Year.

Another tremendous sports season by our athletes and coaches!

Our past President Mara McClain stated in her last message that this public high school alumni foundation is unique and I think that she is right! First, because we have an alumni foundation but also because of how strong Rocket Alumni Nation is. For now, help me answer Mike Volls question "Why can't we do more?" Mike is our new Fund Raising Committee Chair and in his article Mike outlines a few initiatives we as Bay Alumni can take pride in calling "our own." Go Rockets!

Calling All Reunion Organizers!

Often, it is not the graduating class rep that takes on reunion planning. Many times the class rep has moved away and someone in the class who lives in the local area takes on the reunion. BAF wants to be connected with reunion organizers. When planning your reunion, BAF can provide a class list with contact information to you. Please remember to send us an updated contact list, especially emails, after you have completed your reunion planning so we can keep alumni informed of BAF news and activities.

Class of 1995 Save the Date for the 20th Reunion! Friday, July 31 and Saturday, August 1, 2015. Contact Information: bayhighclassof95@gmail.com.

Class of 2000 15 year reunion planned for Homecoming weekend Oct 1–3, 2015. Visit www.bay2000.com for details.

BAF Offers Tips for Reunion Planning

1. Form a committee. Involve at least one person who is knowledgeable with social media.
2. Find classmates.
 - Contact Nancy Mitchell at: bayalumni@att.net for a class list.
 - Senior yearbooks provide middle names. Very helpful!
 - Website tools: Peoplesmart.com: and Classmates.com: Small fee and useful to find and interact with classmates.
3. Communicating with classmates
 - Create a Facebook Group for your class.
 - As classmates join bring them into the search for classmates by posting who you are looking for and ask for any information people may have about the individual that may help you find them on the search websites listed above.
 - Create a class website: Do not pay to have it hosted. BAF will host it for you!
4. Open a bank account
 - Apply for a Federal Employer Number (EIN) for free when applying as a social group. www.irs.gov.
 - Open a bank account under the name of the class with the EIN number. Two committee members must be listed on the account. This will avoid liability should something happen to one of them. Payments should be made to the class account. The Bay Village Huntington branch is very helpful with this and they will assist you in avoiding fees.
5. Collecting money
 - An online registration form is being tested by the Class of '75. If all goes well, this form will be available to all classes.

Past Reunions

Left-to-right: Bob Harris, Miriam Doty Schauder, Tom Krukemeyer, Tom Thorkelson, Diane Davis Krukemeyer, and Amy Bricker Harris.

Thanks to Tom and Diane Krukemeyer's trip to Phoenix from Ohio, Class of '54 once again was able to celebrate a mini-reunion in the desert. It was the 9th time since 2000 that the event has taken place here. Six of us from the class met at a local Phoenix restaurant. (About 1/8 of the existing class!)

The group ably performed the usual ritual of "chewing through bygone nostalgia." Probably most of you now reading this were "victims" of some portion of those discussions! ;-)

A Word from Alums

1946 Tom Hill, My older brother, Robert R. Hill, Class of '44, passed away in his sleep with a heart attack in February. He lived in Porto Alegre, Brazil for the past 17 years with his wife, Ivone. He is survived by his wife, Ivone; three daughters, Patty, Debbie, Jennifer, and by the mother of his daughters, Kathleen.

1980 Dave Schneider, Eight years ago, Julie and Bob Hanhauser classes '80 and '81 lost their son, Ian to a very rapid growing cancer. Bob is now struggling with Crohn's disease and is being kept alive by a 12 hour daily infusion of nutrients and medications. He also suffers from a neurological disease which affects his eyesight, hearing, and possibly even his ability to swallow. Both of these conditions result in many complications. Currently, Bob is hoping to qualify for a very comprehensive pain control program, through Cleveland Clinic, which will also be very expensive, but which may offer him some hope of more functionality and a better quality of life. The Hanhausers have medical insurance, but no amount of insurance or social security can cover the astronomical out of pocket costs of Bob's progressive illness. An annual medical debt of nearly \$50,000 will follow Bob throughout his lifetime. Bob and Julie are in urgent need of financial assistance! The role of being in need themselves is new and difficult for them. A fundraiser has been initiated for them in an attempt to alleviate at least some of the financial stress they are facing. Bay Villagers and Bay Alumni are noted for taking

care of their own. This is an excellent opportunity to share that compassion. Anyone wishing to help may do so through checks made out to Julia Hanhauser at any Key Bank or by logging on to www.GiveForward.com and entering "Robert Hanhauser" in the "Find Fundraiser" search field. May the Bay Rockets be a symbol of the speed with which help arrives for this wonderful family.

1964 Nancy Blank Thanks to Mara Manke McClain for her many years of leadership. Job well done!

1965 Michael Weiss says "hello"!

1967 Suzanne Gerhardt Bracken You all do such a nice job on the newsletter; thank you. Although I have not lived in Bay since college, I will always consider Bay my home. I now live in the North Georgia Mountains. Keep up the great work and I hope this donation helps a little.

Where Are They Now and Who's Doing What?

A Series of Interviews with Alumni:

Randy Nyerges, '79

When did you graduate.

Class of '79, but I was never into the disco thing.

Where did you attend college?

I majored in journalism at Kent State, graduating in 1983.

What types of jobs did you have since graduating high school/college?

I was appointed to the staff of the United States Senate three days after graduating college. I wrote speeches, statements, etc. for the Majority Conference during the '80s. As you can imagine, I met and worked with many interesting people while participating in the sausage-grinding process of legislation. I returned to Cleveland in '94 and sadly became a widowed dad at 33. I then took on freelance writing while home schooling my daughter through 12th grade.

Do You Remember 1997?

It doesn't seem like that long ago, however the Seniors who are graduating this June were born in 1997. Let's take a look back and recall what was happening and how much it cost.

In Politics:

- Madeleine Albright is sworn in as the United States Secretary of State, becoming the first woman Secretary of State in U.S. History. She was nominated by President Bill Clinton after he won his second term election in late 1996.
- Hong Kong is returned to Chinese rule from the United Kingdom. Tony Blair becomes Prime Minister of the UK.

Are you remarried?

Yes, I'm blessed to be married to my wife Jane. Between us we now have three kids and twin granddaughters who will be two in April.

Do you have any other accomplishments?

My most recent book, "Dead Giveaway," which I co-authored with Charles Ramsey (the guy who rescued the three girls on Seymour Avenue in May 2012) has done well internationally and got us invited around the country for interviews and promotions. It even got us on Snoop Dogg's tour bus. That was quite an adventure. A movie deal is in the works.

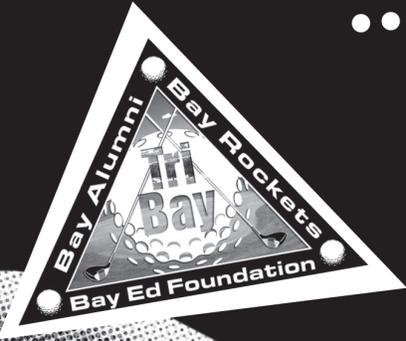

What are your fondest memories from Bay High?

I was editor of the Bay Window in '78-'79. We had very talented writers and editors! At the Northern Ohio Scholastic Press Association awards ceremony, which is the equivalent of the Oscars for student publications, we nearly swept every first place award, winning "Best Student Newspaper" and Carol Bush was named "Advisor of the Year."

In Music, Television, Entertainment, and Sports:

- Princess Diana's funeral is watched by 1.5 billion people around the world.
- Mike Tyson bites Evander Holyfield's ear during a match and is suspended from boxing.
- Tiger Woods, at 21 years old, became the youngest ever golfer to win the Masters.
- The Simpsons becomes the longest-running prime-time animated television series.
- Musician/Rapper Notorious B.I.G. shot & killed in drive-by.
- Popular Musicians include: Mariah Carey, Foo Fighters, Nine Inch

Bay Alumni Foundation Activities

"Do More" continued from front cover

First, we would like to increase the scope of our scholarship program by not only increasing the amount of each scholarship but also the number we give out each year.

Secondly, we want to work with the class representatives and the school administration to identify specific capital projects and improvements that can be made to the schools—in the name of the foundation and participating class or classes. For instance, an idea recently raised was the concept of building an arched tunnel over the back exit of the high school from the locker rooms to the athletic fields. Rather than a cement sidewalk where athletes in spikes (baseball, softball, football, soccer) slip and sometimes fall, a non-slip surface would be installed. Rather than just a blank door to enter the school, the archway would provide cover and honor sportsmanship and the various activities that have been so important to the students and school spirit over the years.

Third, we would like to consider a major, long term capital improvement project that will have a significant impact on current students, as well as returning alumni. The project will be called Alumni Courtyard and our vision is to convert the open courtyard by the cafeteria into space devoted to Bay alumni. The courtyard would honor those who have made contributions to their community, scholastics, the workplace and society.

With these fund raising efforts and projects, it is our goal to promote the principles of giving back, working hard and making a difference. We currently are in planning stages for Alumni Courtyard and while no plans have been formalized we do have the approval of the High School administration to move forward with this project.

Any suggestions or comments will be gladly accepted. It is our goal to raise \$100,000 over the next two years to transform our vision into reality. With your help we are confident that we can and will reach or exceed our fund raising goal. So for those that know me ... expect a phone call, for those that don't please call me at 440.570.4263 anytime to further discuss these exciting plans to make Bay that much better than it is already!

Matching Contributions

I was thrilled to be able to increase the impact of my donation to the Bay Alumni Foundation by having it matched through my company's matching gift program. Many companies offer matching gift programs to make an impact in the community by supporting causes about which their employees are passionate.

Does your company offer a matching gift program? I know from experience at my company that a surprisingly low number of employees take advantage of it. You do not need to be an epic philanthropist to submit your donations for a matched gift. A donation as small as \$10 can become \$20 . . . or even \$30 if your company's plan has a double match feature.

As the President of our community girls softball program, I know that every bit of fundraising income is precious to a non-profit organization. If you are not sure whether your company has a matching gift program, contact your Human Resources department. If it does, please spend a few minutes to submit your donations to the Bay Alumni Foundation and your other causes for a match to multiply your impact.

"TBVF" from cover page

We act as a community catalyst, bringing diverse voices and groups together to foster greater giving and volunteering in Bay. We provide grants for nonprofit organizations, and support a wide variety of community programs. We also are building endowments to ensure that we can support the community forever. Our board members have strong ties to our community.

No matter where you live, if you left your heart in Bay Village you may use TBVF to give something back to the Bay Village community. Individuals who make larger gifts can have a bronze plaque installed to celebrate a person or a special event on the Cahoon Park walking bridge. Donors also can make gifts to TBVF through wills/estate planning, and may direct these gifts to issues they care about or where the needs are greatest.

- We welcome gifts of any size.
- We strive for the highest standards of careful stewardship and integrity in respecting the donor's desire and intent
- We help ensure that a gift today remains relevant for the future
- We encourage gifts that support creative and flexible responses to community needs

However an individual gives, the gift can change lives today and in the future. Visit our [website](#) for more information and to donate or contact Eileen at Villagefdninfo@att.net.
