 President

Message from the President

If you missed it – what a great Homecoming weekend we had! The weekend started with the pep rally at the high school where I introduced three Hall of Fame recipients to the 800 person student body at Bay High.

That was followed by the Homecoming parade with over 200 alumni present. The rocket football team took care of business in beating Normandy. Following the game many alumni gathered following safety guidelines by staying hydrated.

The next day the Alumni Foundation had their biannual Hall of Fame Distinguished Alumni Educator brunch with almost 80 people in attendance. Then on Saturday night I was invited to the reunion of the class of 1965.

Of all the activities over the Homecoming weekend two things stuck out to me more than anything. The first was the Hall of Fame recipients with such impressive accomplishments and prestige and also the most humble group of individuals you would ever want to meet. The other big takeaway was the class of 1965 who paid tribute to their fellow classmates who have passed away. After the slideshow I turn my chair back into my table full of 1965 grads and there was not a dry eye at the table and not a dry eye in the entire room. It was a 50th year reunion but this class is as close as when they graduated.

We at the Alumni Foundation understand it's about the community of Bay Village and the classmates you grew up with that keeps each class connected. The Bay Alumni Foundation is also keeping the connection between us Alumni and the current student body at Bay and the City of Bay. The digital sign project for the high school is a great example for all to see how us Alumni can give back to the school and Community and keep the connection. I often say the best part of being the President is telling the students at Bay High about you, the proud Alumni of Bay High.

**A Sign of Collaboration:
 Bay Alumni Foundation and Bay Village Schools**

The new sign in front of the high school was operational for Homecoming weekend. As many of you have seen on the BAF Facebook site and in other communication, funding and building the new sign was a collaborative effort between your BAF and the Bay Schools. A big thank you to the BHS classes of 1975–1979 who came together to make this a reality.

The new sign is a blend of brick and stone with the brick matching the original high school design. A new, high definition LED monitor is included, allowing the school to post messages and information either with a direct connection or via wireless communications.

Community Effort to Refurbish Play in Bay

Play in Bay is a feather in the cap of all Bay Village residents. After twenty years, the work of many is not forgotten. One cannot pass the playground without remembering how much time and heart went into it. Over two hundred adults and children came together in 1995 to raise money for and build Play in Bay. Bay Village Kiwanis also played a major role in funding, scheduling and building. The stories people tell about building Play in Bay are almost as fun as the playground itself. When speaking with Connie Deiken, committee co-chair, she said she learned to use power tools that she never expected to use in her lifetime. Kim Campbell says the work was difficult and she went home tired, but she cherishes the camaraderie among the group, many of whom still stay in touch today. Out of this community desire to build a

Fall Sports Highlights

Our fall sports teams had another outstanding season this fall in the newly formed Great Lakes Conference. The Girls Soccer, Football, Boys Cross Country, and Boys Soccer Teams were all crowned Great Lakes Conference Champions in the inaugural season.

The Girls Soccer Team was led by Jack Griffiths (Bay Alumnus), the Football Team was led by Ron Rutt (Bay Alumnus), the Boys Cross Country Team was led by Steve Babson (Bay alumnus), and the Boys Soccer Team was led by Bobby Dougherty.

Coaches Griffiths, Babson, and Dougherty were all named Great Lakes Conference "Coaches of the Year". In addition, Coach Dougherty reached his 250th win during the playoff run.

The Bay Rockets Football Team had a great year finishing 10-2 and winning 10 games for the first time in school history. In addition, they qualified for the playoffs for the second year in a row and won their third playoff game in school history defeating Ashland in the first round of the playoffs. They eventually lost in the second round to Benedictine 31-10.

Amanda Cusimano (Sr.) finished 40th at the O.H.S.A.A. State Cross Country Meet earlier in November.

The Boys Cross Country Team was District Champions and placed 3rd at the Regional Meet qualifying them for the State Meet. They also finished 6th at the State Meet.

Members of the Boys Team were Jack Hautz (Sr.), Kyle MacMillan (Sr.), Jamie Dailey (Jr.), Justin Jennings (So.), Danny Desmond (So.), Ivan Slyepkan (Fr.), and Evan Britton (Jr. alternate).

The Boys Soccer Team made it to the O.H.S.A.A. State Championship game after defeating the number one team in the state, Lake Catholic, 3-2. They went on to lose another hard fought game 1-0 to Columbus St. Francis DeSales. This was the Rockets 4th year in a row making it to the "Final Four" and 2nd year in a row making it to the State Championship game.

Fall Music Highlights

The Bay Rocket Marching Band wrapped up their successful 2015 schedule after two extra performances during the football team's playoff run. The band featured four different shows this past season; The Mancini Show, The Blues Brothers, The Guardians of the Galaxy and the Senior Show.

In addition to the half time shows, the band also performed in the Avon Lake and Parma Band Shows in September, the Bay Homecoming Parade, and at the 38th Annual Varsity Concert.

In August the students participated in the Bay Music Boosters Annual Door to Door Membership Drive. It was the most successful drive we have ever had and we thank all those who donated! Afterwards, the students enjoyed a pool party at Bay Pool.

The students are now focused on Concert Band, Symphonic Band, Jazz Band and the Orchestra. Each will be performing their holiday concerts in December. The Rockettes have moved on to preparing for their winter performance schedule.

The BHS Choirs performed in their fall concert in October. They are now preparing for the annual Holiday Choral Concerts coming up in December. Tickets are on sale now for these very popular concerts. Tickets may not be available at the door.

Our other groups are preparing for our holiday concerts. Please consider coming to hear one of Bay High School's fine ensembles this month, always a highlight of the season. For those that may live too far to come to the concerts in person, we are looking into streaming options for the future! You can find out more information about our groups at Baymusicboosters.com.

Past Reunions

Class of 1954 celebrated our 61st class reunion this August. What a great time we had for two days! On Friday August 21 we went island hopping to Kelly's Island and Put-In-Bay for the day. On August 22 we spent a great afternoon on the shore of Lake Erie in Vermilion at Tom and Diane Krukemeyer's condo. At this time we also honored six of our classmates who have known each other since kindergarten. These six were part of the first kindergarten class in Bay. The parents paid for the teacher and the school gave them a room. The next year the school funded the class.

The Class of 1954. Sitting: Nancy Chamberlain Peterson, Sharon Brooks Laverty, Merie Twining McKown, Sue Lewis Ivey. Back: Fred Peterson, Peg Flewelling Mencke, Barbara Wachic McCartney, Bruce Warnock, Tom Kerkemeyer, Diane Davis Krukemeyer, Bob Rackin, Betty Wark Sherman, John Sherman

The Class of 1955 held their 60th Class Reunion the weekend of September 18–20. Classmates attending were: Barb Boden, Barb Wheeler, Kay Rothaermel, Janet Hoagland, John Clapper, Dorothy Prutton, Tom Roehl, Marjie Upp, Kay Wieland, Nancy Karcher, Judy Steinbrenner, Jan Nelson, Nancy Hockett, Nancy Stokes, Marty Smith, Marilynn Ross, Roger Coulton, Emily Cross, and Kathy McCabe. With our spouses, there were 38 attendees.

The weekend was better than great. Affection and just plain fun abounded. We spent Friday night at Judy Steinbrenner Kamm's house getting to know each other again. Saturday found us in the Snug Harbor Room of the Cleveland Yacht Club with white hydrangeas and blue ribbons on the tables. Everyone received a Bay Alumni magnet and program with Parkview School on the cover. We had a memory quiz and Kay Wieland Perkins won.

Ten holdovers had Sunday Brunch at Rose's Café in Lakeview Park in Lorain on Sunday. Someone said lets take a class picture and we did with who was left. Nineteen classmates spent a wonderful weekend together. Today, the kids would say "awesome"!

Multi-Class Reunion ('58-'62)

August 13–16: five classes got together for a fun-filled long weekend. It began with the Indians' game on Thursday, where the GeezeCats sang the national anthem and threw out the first pitch (Bruce Michael, '62, was part of the group). Friday night everyone went to Around the Corner for appetizers and drinks and lots of conversation. Saturday night we dined at Westwood County Club followed by brunch on Sunday morning, also at Westwood. It was a grand time for all as time stopped for a couple days and we picked up right where we left off! No one had changed, we were all still young at heart. We felt the bond of Bay High School, the blue and white...fight fight. We thank Bay High and Bay Village for giving us all something to really be so proud of more than 50 years later!

Friday night at Around the Corner: From left: Dave Batley, Susan Murraray Grubb, Pat Kelly Wendling, Jan Conroy, Bell Wendling, Gayle Gosewisch Franta, Heather Hall Batley, Barb Seaman Lauderbach, Mary Hinzman Blair, Tim Hexter, Jean Sheppard Stapleton, Ken Mich, Chic Kennedy and Bruce Michael

The class of 1965 celebrated their 50th reunion over Homecoming weekend, October 2–4, beginning with the parade Friday night and ending on Sunday morning with coffee and doughnuts at the Fuller House porch. Friday night was a winning football game followed by partying at the Bay Lodge and once again enjoying friends, some that we have not seen in 50 years. Saturday's celebration included a perfect luncheon at the Sweetbriar golf course. The evening was held at Lakewood Country Club with appetizers, cocktails, memorial video, food stations and lots of dancing capped off a beautiful evening. Sunday morning's coffee ended a beautiful weekend and time to say farewell.

Calling All Reunion Organizers!

Often, it is not the graduating president or class rep that takes on reunion planning. Many times the class rep has moved away and someone in the class who lives in the local area takes on the reunion. BAF wants to be connected with reunion organizers. When planning your reunion, BAF can provide a class list with contact information to you. Please remember to send us an updated contact list, especially emails, after you have completed your reunion planning so we can keep alumni informed of BAF news and activities.

Bay Rockets Flags Available!

Holly Nye '82 has indoor/outdoor flags available for purchase. The cost is \$10 and they are perfect to hang off your front porch, or for reunions, or team parties or graduation parties. You can contact Holly at 440.409.3658 or hny777@gmail.com.

Upcoming Reunions

Contact Bob Reid with ideas for activities for the weekend at 440-871-6955 or email gmrjreid98@yahoo.com. Contributions welcome to defray mailing and other pre reunion expenses.

Class of 1961 55th Reunion will be held the weekend of August 12–14, 2016. Save the date! Planning is well underway to make it a memorable occasion for all. It will be scaled down from our 50th, but it will be a great event. Please plan to come and reconnect and see Cleveland all shiny and new and looking fabulous one month after the Republican national convention. We are all anxious to see you. Email the committee through me: rjluchini@aol.com.

Class of 1966 50th Class Reunion will be having its 50th reunion during Homecoming Weekend, October 7–8, 2016. For additional information contact class representative: Brooks Hull via his email: bhull@baycorp.com or cell 216.272.7195.

A Word from Alums

1957 Nancy Burr Siegel "The class of 1957 stays in touch beautifully by email. It's great!"

1958 Brian Bate writes in regards to George Randt, M.D., "George was a close friend for 63 years, as classmates and teammates at Bay, through graduate school at WRU, and in each other's weddings, etc. Also as his patient for 26 years, I last saw him at his office this June, before he knew of his own cancer. He is missed by many people who say 'he saved my life,' and 'he was my best friend' or both. Rest in peace George.

“New Sign” Continued from Front Cover

A porcelain tile proudly shows the Bay Rocket logo and the words “Bay Rockets” in blue and white. A bronze plaque on the side thanks the BHS classes of 1975–1979 for their donations and collaboration. The cap is a back-lit sign that reads “Bay High School”.

Thank you to Superintendent Clint Keener, BHS Principal Jason Martin, and several others from Bay Schools for allowing your BAF to participate in a great project. Thank you once again to BHS Alum (?6) John Faile for donating his architectural expertise and effort, and to Doug Gertz (BHS ’72) for the fantastic construction effort. And a big thank you to everyone from the classes of 1975–1979 who proudly donated to this worthwhile effort (list of names on BAF Facebook site). What a great example of alumni commitment.

If any other class groups are interested in coming together to help sponsor a project of this nature – working with Bay Schools and BAF – we would welcome your involvement.

playground grew the need to manage donations and, as a result, The Bay Village Foundation was born. Many thanks to then Mayor, Tom Jelepis, Councilmen T. Richard Martin and Wayne Reese and law director, Gary Ebert, for their tremendous foresight.

Now, twenty years later, the Bay Village Foundation has announced plans to refurbish the playground with the help of the community. So far, the community response to the Foundation's plans has been very positive. Fundraising is off to a good start, with over \$24,000 of the approximately \$90,000 needed to complete the project raised so far. “Play in Bay is a wonderful community asset, and this project will help assure that it continues as a blessing for the children of our community for many years to come,” said Al Paulus, president of The Bay Village Foundation. “On behalf of the Trustees of the Bay Village Foundation, and all of the children, parents and grandparents who use Play in Bay everyday, I want to thank all those who have contributed thus far to help us maintain, add to and enhance the playground and I encourage others to participate as well.”

Phase I of the project should be completed by the end of October. For that, a big thank you goes not only to the 170 plus people who have donated so far, but also to the City as well, for assisting with the installation of the new features, reducing the overall project cost. Phase I includes a small expansion of the current playground toward the tennis courts and the addition of a 3 section rock climbing wall, hand over hand parallel bars, two chinning bars, 90 degree tri-rung hand over hand ladder, double cargo net wall, balance beam and 8 stepping pods. You can learn more about the plans for phases II and III at the Bay Village Foundation website. Donors will be given the opportunity to sponsor any one of the new features.

Homecoming 2015–WIN-DAY and Fun!

Yes, it was windy along the lake shore on Friday, yet your Bay Rockets continued their excellent ways with a big win against Normandy.

BAF Homecoming activities started with the high school assembly on Friday afternoon. BAF president, Lee Rohlke, spoke to the students and introduced three of the 2015 Distinguished Alumni/Educator Hall of Fame inductees who were in attendance. Lee's talk was about the importance of giving back, remaining involved and enjoying Bay/Bay High School and the advantages we have all experienced. He encouraged the students to recognize and cherish what we have, and like those before you, stay involved and help preserve those things that make Bay so great and to work to make them even better.

The Homecoming parade was quite possibly the largest we have ever had and kicked off from the corner of Cahoon and Wolf Roads. Whether this was the largest overall parade in our history

Shoreline Goes Digital Only

For all classes post-1975 starting in 2016:

The primary mission of the Bay Alumni Foundation is to communicate with members, connecting all graduates with the community, the schools and one another. The Shoreline is one of the key ways we have accomplished this goal in the past it will continue to be the core to our mission in the future. Your BAF is also accountable for the responsible use of funds which are mainly driven by donations from our members.

Several times each year the Shoreline is mailed to roughly 8,000 members. The cost to print, mail and manage this process is roughly \$3,000 for each edition. With the advent of more effective digital communications and more members opting for this as their primary communication choice, the board has decided to accept a proposal where we will begin to shift more alumni classes to digital only as the primary delivery model. Beginning in 2016 the Shoreline will only be physically mailed to those who graduated prior to 1975. If you graduated in 1976 or after, your Shoreline will be delivered to you via email and will be available on the BAF web site and the BAF Facebook site at any time. This effort will help us eliminate a significant amount of the production and mailing expense for Shoreline - allowing us to use those funds to improve digital communications and activities with the students and in the schools. What this means to you:

- If you graduated in 1975 or prior, you will continue to receive a printed Shoreline in 2016 unless you let us know you are opting for digital delivery (which we would encourage everyone to do). Please make sure we have your accurate email and/or postal mailing address. For those who would like to receive a printed version, we encourage those members to make an annual donation of \$15-20 to help cover the expense of printing and mailing Shoreline.

"Homecoming" continued from pg 6

could be debated, but it was surely one with the most active BAF members ever. The class of 1988 built the 2015 BAF float, complete with live music, the BAF Rocket balloon, signs, decorations and BAF members riding proudly. Kids along the parade route received candy, Bay Rocket mini-footballs, Future Bay Rocket pins and balloons from BAF members.

Following the float were several convertibles carrying the Hall Of Fame inductees. Those proud BHS HOF graduates insisted on having the tops down, even though it was a little chilly and the winds reached 45mph. Several alumni-filled cars and pickups followed. Walkers and riders alternated while many continually reloaded with candy and gifts that were welcomed by the kids and parents along the route. The class of 1965 was celebrating their reunion and most likely had the best overall class representation.

BAF members hosted tables at the game where alumni could stop and pick up their BAF pin, pick up a magnet, sign in and update their contact information. Alumni attending the game had their names announced by the public address announcer throughout the contest. Hall of Fame inductees were led on to the field and introduced to the audience at the end of the first quarter.

The formal Hall of Fame brunch was held Saturday morning in front of a full house – and what a fantastic event it was for everyone. Superintendent Clint Keener and Principal Jason Martin spoke and Lee Rohlke did a wonderful job as MC. The current BHS class presidents for 2016, 2017, 2018 and 2019 attended. The acceptance speeches were so warm, insightful and emotional,

it's too bad we were not able to record them and share them with all alumni. The venue was perfect, the food was excellent and a big thank you to the daughter-in-law of Al and Lynne Nelson, Melissa for hosting such a great event.

Thank you to all alumni who worked hard to make Homecoming a fantastic weekend for the whole community. We have helped make Bay what it is, we continue to work together to make it better – and it shows. One Rocket Nation!!!
