## Message from the President

If I were asked to point to just one thing to best describe what it's like to be an Alumni of Bay High I would say look no further than the Bay Alumni Hall of Fame wall. Here you will see the names of the individuals that continue to represent Bay high school in every facet of life you can imagine. The Alumni, past Bay High educators, and Administrators on this wall represent all of us and this place called Bay Village. The individuals on this wall tell a story that each of us can understand because each of us share the common thread of knowing that we are blessed to be raised here in Bay. Biannually we take nominations for entry into the Alumni and Educator Hall of Fame. These nominations come from you, the Alumni of Bay High. The deadline is soon approaching so please take the time to consider who you would nominate to be the next story that will go on this wall for generations to see. And if you're wondering if the Bay Alumni Foundation is making a difference I'm here to tell you "we are". 2016 was a great year and 2017 will be even better because of the Alumni like yourself that have contributed to our schools, our city, and each other. As always go Rockets!

**Thanks for staying connected,  
- Lee Rohlke '78, President of BAF**

## Inaugural Alumni Madness Bowling Event

### Like the Oscars, Blame 2nd Place on the CPA

All the lanes were filled with Bay High spirit at Bay Lanes, with over 70 attending the inaugural alumni fundraising bowling tournament held at Bay Lanes on February 25. At one time, Bay High had a bowling team. However, judging by the bowling scores, not many of the bowlers were on the bowling team. The average of all game scores was 113 (ranging from 51 to 211). For many it was their first time back to Bay Lanes in decades.

See "Alumni Madness" on pg 5

**Rocket Pin and King Pin Winners:** Class of '75, Liz Kogge Tippit, Bob Sheperd, Jim Dillon, Patti Draeger Safford, Mark Gatsos, Peggy Nagel, Mike Hellebrekers, Cristine Marco Hoffmann, Karen Obester Adams, Val Dennison Sleeper. Not shown: Randall Oldrieve, Robert Prusha.

### 2017 Distinguished Alumni Hall of Fame Award Nomination

The Alumni Hall of Fame Award was established in 1987 to honor those individuals who have realized great achievements and served their communities well in years after graduating from the Bay Village public schools. The next recipients will be honored over the September 29, 2017 Bay Homecoming weekend.

#### Eligibility:

To be considered for the award, the person must:

- Have graduated from Bay High School, from the 12th grade at least 25 years prior to the nomination.
- Have been active and be distinguished in their chosen business, profession, or life work, and have received some previous recognition from contemporaries.
- Be a person of such integrity and stature that the school district or Bay Alumni Foundation will take pride in his/her recognition.
- Have participated in leadership roles within their community, and have demonstrated a concern for community relations.
- Have demonstrated, through word or deed, the importance of their education at the Bay Village public schools.

Once an Alumnus has been nominated, they will not be dropped from consideration for five years, provided they remain eligible according to the guidelines above, and have not been selected during that period.

#### Nomination Process:

Any individual who meets the following criteria may nominate former students for the award:

- Any member of BAF or its Board of Trustees.
- Any member of the school district staff, current or retired.
- Any graduate of Bay High School.
- Nomination Forms can be found on the foundation's [website](#). Go to the tab, "Hall of Fame," and scroll down to "Click and print a Distinguished Alumni Nomination Form". Mail the completed Forms to Bay Alumni Foundation, 377 Dover Center Rd, Bay Village OH 44140.

A nomination must be supported by two other individuals, not related to the family of the nominee, whose contact information should be included with the nomination.

The selection committee will convene bi-annually and select the inductees in May 2017 for the Fall, 2017 presentation. The inductees will be notified by June 1, 2017, and confirmation is needed within 30 days that they will be able to attend the award ceremony.

## A Word from Alums

**1953 Jack Keever** "Thank you for the Fall 2016 Shoreline. I especially enjoyed the videos of memories. And it was very impressive to see all the donations by my classmates and others in memory of Jack Karcher. He was truly "Mr. Bay Village" to a lot of us."

**1964 Anne Osborne Cauley** "Thanks for all you do! Class of '64 - we need another reunion!"

## WHO KNEW?

### Reflections

Think about this: In 1966, the Bay High Class of 1916 was celebrating its fiftieth reunion. At that gathering they likely discussed two great wars, the birth of the automotive and airline industries, the decline of radio in favor of something called television that now delivered programming in color, and the early days of the space program, putting a man on the moon a few years hence.

When we toured the high school I asked a few students decorating for the Homecoming Dance what comes to mind if I tell you I graduated 50 years ago. One said technology has really changed and pointed to a niche in the wall saying, "I think there used to be one of those coin operated phones in there." Another said simply, "You had great music!" Perhaps we need a little more life experience to put history in its proper perspective! Hard to imagine what these seniors will be talking about at their 50<sup>th</sup> in 2066. Who knows?

In Harry Chapin's song "Remember When the Music," ... time "was a gift we'd save, a gift the future gave." As we walked off the stage at Lakewood Auditorium, who knew what our gifts would be.

Who knew that Huntington Beach would become a sanctuary twice as big as I remember; beautifully groomed and surprisingly well-used on a brisk October morning.

## Past Reunions

Bay High Class of '66 held their 50<sup>th</sup> class reunion the weekend of October 7<sup>th</sup> ... a real Homecoming celebration! The weekend started with the Homecoming parade, the football game, and a party at the Copper Cup. Saturday morning we toured the current high school which was the junior high during our tenure. Matt Spellman, the current Bay Activities Director, was our tour guide and answered all of our questions and patiently listened to all of our stories and shared memories!

We loved that there was a group decorating the cafeteria for the Homecoming dance that night. We had many dances in that room, including our prom. Saturday night was a dinner dance at the CYC where we enjoyed the beautiful view of the lake and more catching up with friends and classmates. Sunday morning some of us met on the porch at the Fuller House for coffee and donuts before saying good bye and going back to the reality of our lives.

The weekend was filled with fond memories, funny stories, lots of nostalgia, and connecting with people that were such an important part of our lives. There is nothing better than seeing those friends who shared our most vulnerable times, knew our parents and siblings, and learning about where life took them. Luckily our name tags included our senior pictures so we could pretend we recognized each other!

Many thanks to all who attended and helped make it such a wonderful and memorable weekend. To those of us not able to attend, we have enjoyed the photos posted on our Facebook page and hearing about each event from the posts, phone calls and emails. We all realize how lucky we are to have grown up in such a wonderful community and shared those times with each other.

Who knew Forestview would be torn down and Glenview would become a daycare center; or that our junior high would become the high school and that our high school would be torn down and rebuilt as the new middle school.

Who knew that the Bayway Youth Cabin where we enjoyed so many sweaty Friday night dances would eventually be converted to house Bay's Recreation Department.

Who knew that some of those familiar couples who walked the high school halls arm in arm would break up, or that others would return here tonight, still together after 50 years.

Who knew that some of our best friends lived in the shadows unable to express fully their love. And did they know it would take 50 years to earn the right to marry whomever they choose?

Who knew that Stubby wasn't always right – that you can throw the baby out with the bath, or waste a 10 cent pencil on a 5 cent question, or kill a fly with a hammer.

Who knew that Big Al the bus driver also worked at the Bay Hardware store or that Mr. Brown the history teacher pumped gas during the summer, or that the Bay Window could maintain its high quality without Mrs. Kellam, or that our physics teacher Tim Wagner would work tirelessly to end the Vietnam War, or that many of our teachers would be honored as Distinguished Educators by the school system.

And who knew that Stubby and Yes-Yes O'Donnell and Coach Llewellyn and many others who helped shape our lives wouldn't live forever – or that some of us wouldn't either.

Who knew who among us would settle in one or more zip codes over the years, and which of us would remain in or return to Bay, raising another generation to experience the joys and traditions that bring us back tonight. And who knew one of us wouldn't even change her home address!

Who knew when the Browns beat the Colts in 1964 to win the NFL Championship, that Cleveland would go 52 heartbreakin years before winning another major sports championship, and who knows – this may be the year for the Indians!

Who knew that the Vietnam War would outlast the Beatles or that the Beach Boys would do their own fiftieth anniversary tour in 2013.

## Bay Alumni Foundation Activities

### "Alumni Madness" from front cover

The contest pitted each class year against each other for the total pin contest. So just like school, attendance did count! We had 13 classes ranging from the Class of 1962 to 2013. Some of the highlights: The Class of '75 had the best attendance with 17 people, with honorable mention to '66 with 11 people. The '75ers also had the most pins winning the Rocket Pin. (So they do not get too overconfident, they only had an average score of 106). The Class of '83 were strong contenders for the Rocket Pin and look forward to challenging the '75ers next year! The King Pin title was won by the Class of '75 raising the most funds. Like the Oscars, blame the CPA for announcing the 2nd place winner as the Class of '83 in the Westlake/Bay Village Observer. Second place actually went to the class of '78 edging out '83 by a few dollars.

For individual honors, Eric Fisher '83 had the high game and high series, bowling a 211 and series score of 400. Some attendees didn't bowl but came to see friends and cheered on their class to win a title. Remember, attendance does count! The best non-bowler goes out to Vicki Mowery '87 who did not sign up to bowl and was the only one representing her class. She won a prize from Bay Lanes by getting a spare in her one frame attempt.

**Best Game and Best Series:** Erik Fischer '83 and classmates Wendy Fortunato '83 and Jan Fording Smith '83

A good time was had by all ... seeing old friends, siblings and neighbors they don't get to see at class reunions. They shared stories about days gone by including sports, rockettes, cheerleading and the streets and neighborhoods in Bay. Prizes were given out throughout the night including an Indians game door prize raffle.

The event raised over \$2,000 with the net proceeds benefiting the Bay Alumni Foundation Scholarships. Scholarship applicants do not need to have a high GPA score. They are simply required to write a brief story describing their memories during their Bay High years. After all, that's what being an alumni is all about.

Thank you to our sponsors and everyone who participated or donated to this event. A special thanks to Sue Totten for donating delicious cookies from Great Scott Bakery, Paul Hartranft '64 for donating vintage bowling pins, Randall Oldrieve '75 for turning them into a Rocket Pin and a King Pin with Bay Rocket style!

The goal is to build on this event in the future to raise even more scholarship money. Hope more alumni can SPARE the time to attend next year!

## Bay Alumni Foundation Activities

### 2017 Distinguished Educator Hall of Fame Award Nomination

The Distinguished Educator Award was created in 1991 to honor those teachers and/or staff who have made outstanding contributions to the education in Bay Village Schools and who exemplify excellence in teaching, scholarship, and service. The next recipients will be honored over the September 29, 2017 Bay Homecoming weekend.

#### Eligibility:

To be considered for the award, the person must:

- Have been employed full-time a minimum of 10 years in the Bay Village public schools.
- Have retired, resigned, or been reassigned at least three years before being considered for inclusion.
- Have been recognized by the community, staff, students and/or parents as being a positive role model for students.
- Be recognized as a person who often went beyond the call of duty to assist students, staff and/or parents.
- Be a person of such integrity and stature that the school district or Alumni Foundation will take pride in his/her recognition.

Once a faculty member has been nominated, they will not be dropped from consideration for five years, provided they remain eligible according to the guidelines above, and have not been selected during that period.

#### NOMINATION PROCESS:

Any individual who meets the following criteria may nominate a former faculty member for the award:

- Any member of the Alumni Foundation or its Board of Trustees
- Any member of the school district staff, current or retired

- Any graduate of Bay High School
- Nomination Forms can be found on the foundation's [website](#). Go to the tab, "Hall of Fame," and scroll down to "Click and print a Distinguished Educator Nomination Form". Mail the completed Forms to Bay Alumni Foundation, 377 Dover Center Rd., Bay Village OH 44140.

### **Lost Your Yearbook?**

The high school principal made us aware that there are lots of old yearbooks that are just collecting dust! So the Alumni Foundation has done an inventory of yearbooks in the storage room at Bay High and we are making them available to you for \$15.00 (plus shipping if you are not local), you will be able to bring back all of those wonderful memories of times past.

We have yearbooks from most years 1975–2011. They are available first come first serve. So order right away before they are gone! Quantities vary. Some years we only have a few copies but some years we have over 20 copies.

Interested? Please send an email to: [bayalumni@att.net](mailto:bayalumni@att.net). Tell us the year you are interested in, your address if you need the yearbook shipped, and we will get back to you with availability and total cost including shipping. Payments can be made via check or PayPal and you'll soon be travelling down memory lane! Once these are gone, they're gone! So let us know ASAP!

*"Mrs. Bonds"* from pg 2

and her mom were the absolute best of friends. Carleen passed her love of music onto Devon who is the choral director at Bay High School and there was no prouder mother than Carleen. She was also "mom" to her Main Coon and Siamese rescue cats. In lieu of flowers, memorial donations may be forwarded to 5/3 Bank to the Carleen H. Bonds English as a 2nd Language Memorial Scholarship Fund and/or the Friendship Animal Protective League of Lorain County. The family held a private memorial service and is planning a service for family and friends in the spring. Current BHS choral director, Devon Gess, says her mom LOVED Bay and was so proud teaching at her alma mater.

*"Who Knew"* from pg 4

Who knew that the Serfs wouldn't play forever and cut an album someday, or that Steve Walmsley would play bass for the Lemonpipers and sit for 12 weeks at number 1 in 1967 with "Green Tambourine."

Who knew that 50 years after graduation it would take our collective memories to recall places long gone – like Avellone's, Ernie Olchons, Grebe's, The Bay Delicatessen, Baskin Robbins, The Peachtree Restaurant, Beatty's Big Steer Inn, Sell's, Rosie's Pizza, Neil O'Connor Florist, Shutters, John Lawless, Village Fashions, Roger and Wray's, the Bay Sportman's Shop, Houk's Meat Market, Lee Hymes Shoe Store, Nicholls Dime Store. I am sure this list is not complete!

Who knew that Sonny Bono would be elected to Congress or die from a skiing related head injury, or that Cher would evolve into – well, Cher!

Harry Chapin was right – time is a gift from the future, and as to what those gifts will be – Who knows?

### **"In My Day"—A Video of BAF Members**

Your BAF has initiated a series of videos capturing memories from BAF members from their time in Bay, and specifically their years at Bay High School. The series is called *In My Day* and is accessible from the [BAF web site](#) or the [BAF Facebook site](#). When using the web site, scroll all the way down on the landing page and you will see the first video. Once you click on that video you will be able to access many more. We have had wonderful participation, with graduates from the 1940's classes all the way to present day. Some of the memories and stories will surprise you for sure. This information is timeless and entertaining. Our goal is to try to produce a new set of videos every two weeks. If you know of a group that would be interested, please let us know. Thank you to all those who have participated.
