**Planting Roots in Bay Village**

Thinking about planting your rocket roots in Bay? The appeal of making Bay Village your home is hard to deny.

Great schools, quiet neighborhoods, friendly people, lakefront parks, the nature center, picnic and soccer space and moderate home prices. The range of housing choices in Bay Village is remarkable. Location! Location! Location!

From tidy bungalows priced at under $100,000 to million dollar showcase homes located on the lake.

There are currently 77 single family homes listed on the market in Bay Village with an average asking price of about $250,000. The lowest price house currently for sale is offered at $80,000 and at the high end there is a lakefront home on the market for $4.5 million.

Over 250 homes sold in Bay Village in 2012 at an average selling price of $187,000. There are some homes available which were built in the early 1900s that are full of charm and character. Also available are recently built homes offering all the modern amenities.

Many times the Bay Village homeowner looking for a larger home will stay put and add on a family room or kitchen or ultra master suite. You can always tell an attractive neighborhood or suburb by the number of family room additions. Bay Village is one of those towns…once people discover it, they don't want to leave!

**The Bay High History Project—Update!**

The Freshmen Experience classes, taught by Joy May, continue working on specific items found at Bay High School.

There are 12 projects which include the Rocket on the football field, the cafeteria artwork, the cafeteria courtyard, the football bell in the locker room, the Freedom Shrine in the main hallway outside the main office doors, the greenhouse, high school gym renovation, library Memorial Garden, Bay High Logo and mascot including Rocky Rocket, the PTA Award Case, the Senior Board (formerly seniors signing their names on the concession stand roof), and the 1946 track trophy. Students are freshmen and some are working in small teams and some are working on their own.

We have had responses from a wonderful variety of alumni, staff members, community members and parents. Students have been and are still working on contacting people that have contacted us.

A wonderful alumnus who has been searching Ancestry.com for information on our fallen soldiers in the Freedom Shrine sent us information. Contact has been made with a member of the 1946 track team whom we are hoping to arrange a time for him to come and talk with my students. We heard from an alumnus who’s father was part of the Scout Rocket on the football field. I did not realize how many memorials are in the Cafeteria Courtyard and around our campus. One of our remaining questions is who is Michael E. Jenkins? There is a memorial to him in the Library Memorial Garden and we have not been successful finding out who he was and his impact on Bay Schools.

We know Mr. Peregord had the idea for the football bell but follow up needs to continue on the history and stories surrounding the bell. We have been told there was a bell before the one we currently have but so far, we have not been able to find additional information. The greenhouse at one point appeared to be a hub for the science department but now lies dormant.

The gym renovation was successfully completed, with a few bumps in the road. It is a beautiful facility for our students and money came from many generous grants. The Library Memorial Garden has a rich history including a collaborative project between the science and art departments at Bay High School resulting in the beautiful Raku tiles on the walls. How lucky we are to have a master gardener overseeing it’s care.

We still have questions about the high school logo and Rocky Rocket. We received an e-mail asking what happened to the sailboat...
Winter Sports Highlights

This past winter, we saw many outstanding performances from our Swim Team. We had six females and one male qualify for the State Swim Meet on Thursday, February 21 and Friday, February 22. Those members of the Swim Team included Seniors Jennifer Norehad, Kristine Johnston, Marlee Berlan, and Alyssa Rossi (alternate), Juniors Elizabeth Auckley and Katie Bricmont, and Sophomore Trevor Lake.

Jennifer Norehad finished 19th in the prelims for the 200 yard freestyle with a time of 1:58.94. The 200 yard medley relay consisting of Katie Bricmont, Elizabeth Auckley, Jennifer Norehad, and Kristine Johnston placed 15th with a time of 3:41.66.

In the finals, Trevor Lake finished 9th in the 50 yard freestyle (21.88) and 8th in the 100 yard freestyle (48.40). The 400 yard freestyle relay consisting of Marlee Berlan, Elizabeth Auckley, Jennifer Norehad, and Kristine Johnston placed 13th with a time of 3:41.66. Finally, Elizabeth Auckley put on a performance of her life by winning the 100 yard butterfly (55.56), claiming the title of State Champion. She followed up with a 5th place finish in the 100 yard backstroke with a time of 56.57. Elizabeth became the first State Champion in Girls Swimming in school history.

Finally, both Trevor Lake and Elizabeth Auckley were named West Shore Conference Swimmers of the Year. The exciting thing is both swimmers are back next year. The Swim Team was coached by Matt Galli (Bay Alumnus), Clair Mayfield (Bay Alumnus), Joe Constantino, Tom Seabold, and Jim Vick.

In wrestling, the Bay Wrestling Team made it to the Regional Finals in the first year of the State Duals Wrestling Tournament.

Bay was Sectional Runners-up. Individual Sectional Champions were Senior, Adam Tepper (120 lbs.) and Junior, Dominic Ruma (160 lbs).

At the West Shore Conference Championship Tournament, Senior Joe Kubinski (152 lbs.) was Conference Champion earning his 100th career win in the Championship match. The Wrestling Team was coached by Ryan Cover, Luke Kieffer, John Higgs, and Brian Miller.

Finally, the Freshman Boys Basketball Team upset the second and third seeds before falling to Elyria Catholic 51-34 in the West Shore Conference Championship game. The Freshman were coached by Kevin Fillinger.

Winter Music Highlights

Thanks to all the dedicated students who participated in Solo and Ensemble this year. It was a great day of listening to individual students perform on their own. They put a lot of hard work into preparing their solos! We also had a successful WSC Honors Band on February 4. Eighteen students participated in this concert. Each school nominates their top students and gives a concert after only one day of practice! Barry Kopetz from Capital University in Columbus was our guest conductor.

Jazz trombonist Scott Garlock was our guest artist at our Big Band Bash Jazz concert at the end of February. He performs with the Cleveland Jazz Orchestra, among other great jazz groups. If you met Emily Garlock, our Choir sub for Mrs. Gess, it is her husband.

Another great opportunity for our students was at the mid-winter band concert on March 6. Dr. Ciepluch, professor at Case Western Reserve University and the Cleveland Institute of Music, was our guest conductor. He shared his unique talents with our students, which I am confident will support us moving them to the next level. Finally, I want to urge you to participate in some way in the Ballroom Blitz that is coming up this spring on April 27. It is our second-largest fundraiser of the year and takes a lot of effort to pull off successfully. We would appreciate whatever time you have to give. All the district’s jazz ensembles perform music for dancing and listening at this event. Come and invite your friends! Enjoy good food and find some great items at the silent auction.

Send your news and stories to BAF President Mara Manke ’89: mara.manke@sbcglobal.net
History Project—continued from cover

as our logo. How and why has that changed? Where did Rocky Rocket originate and where is he now?

The Senior Board, which is the heir of the roof of the concession stands, is still somewhat of a mystery. How was the idea born for students to paint the roof of the concession stand? When did that begin? There must be stories out there about this event but we have not heard from anyone outside of seeing and reading about it in our school’s yearbooks.

The 1946 track trophy has been great fun to research but we don’t know where our athletes placed when they went to the State meet.

My classes appreciate all you have done to help us. If you have contacted us and not heard from us yet, you will. It is a slow but fascinating process. Please continue to contact us! We are grateful for any antidote, fact or story. This is an ongoing project and can be updated quickly. You may send e-mails to Joy.May@bayschoolsohio.org. In the end, all their documents will be turned into QR Codes within the building. Scan the code with your smart phone and up will pop the information we have gathered about each project.

Gym Floor Plaques for sale!

Would you like a piece of the Bay High School Basketball history? Now’s your chance to purchase a piece of the original Bay High School Gymnasium floor. The Main Gym was remodeled a few years ago, and the old floor was removed, but a few pieces were salvaged to make these plaques. This is a fundraiser for the Bay High Boys & Girls Basketball Program. The plaques contain a piece of the old Bay High gym floor mounted on it with the words “Bay High Gymnasium Floor–Home of the Rockets 1970–2011” and the new Rocket Logo is included, too.

We are hoping former alumni male and female basketball players and/or cheerleaders might want one of these. If interested, please contact Matt Spellman, Bay Athletic Director, at matt.spellman@bayschoolsohio.org or 440-617-7406 to purchase your very own plaque. Each plaque cost $40 and the checks can be made out to the Bay Athletic Department. Quantities are limited so act fast!

Class of 1974 Reunion

1951 Samuel Staples writes, “My family is doing fine. I had 3 kids and they all live in Mt. Pleasant, MI. How neat!”

1954 C. Fred Peterson writes, “Hey Classmates! I got this email from Tom Thorkelson today. Once a party animal always a party animal so a party was planned and five showed up. They really don’t look a day older then when they graduated (right). Looks like a good time was had by all. We await next year’s picture. Once again Tom and Diane Krukemeyer’s visit to the desert (Arizona) motivated us to get together for another mini-reunion breakfast, this time hosted at the home of Bob and Amy [Bricker] Harris. A pleasant surprise this year was the addition of Marge Lundin, who by luck happened to be visiting a friend here in Phoenix. Unfortunately Lee Wetzel’s wife, Ann, had to cancel due to sickness. The attached photo is proof that the six of us from the class still look as young as we did graduation night! Yeah, right!”

1959 Bill Stigwolt writes, “On Dec. 2, 2012, my doubles team won the Super Seniors Tennis Championships in Columbus, GA. Our 70’s team from the Grand Strand area consisted of male players from Myrtle Beach and Pawleys Island. This tournament included nine southern states. We were successful in repeating our win as Southern Champions from 2011.”

1962 Stuart Kennedy writes, “We had the most amazing 50th Year reunion thanks to the fantastic work of Sue Murphy Grubb and her 25+ ‘worker bees’ on the reunion committee.”

1964 Anne Osborne Cauley writes, “Thanks BAF for all you do us Bay High Grads!”

1966 Maureen Gavron DeRenzo says, “I retired in June 2011 having worked as a Nutritionist at the hospital in Findlay, Ohio. In September 2012, I moved to Madeira, Ohio to be closer to my daughter and her family. I especially love being a grandma. Looking forward to spending the Christmas vacation in Hawaii this year!”

1970 Lori Teutsch Sisto writes, “Hello classmates! Hope you are all weathering the storms of these difficult economic times. Running a small family business as we do has its challenges these days. Yet, we are all reminded about the important things in our lives: our faith, family, and friends. Should you have any great survival stories or just want to say something outside facebook for publication, please send me a holler so that we can put something in the next Shoreline. Until then, I had asked Eric Eakin his thoughts about saying something about our classmates who have passed away. His story is included in this issue. Also included in this issue under ‘Our Warmest Sympathies’ is a list of names in case some of you were not aware of their passing.”

Love, Lori Teutsch Sisto, 1970 Class Rep Lsto30@aol.com.

Fabric of Life is Another Day

“When we look at our issues of The Shoreline, we enjoy updates on what other classmates are doing, how other classes are celebrating their longevity, and to see what is happening with the educational institution that gave us a great head-start on life. And, as with the daily newspaper, we are drawn to the names of those who have passed on. As with any obituary, we can’t help but notice the ages of those who have died. Some are older than we, some are younger. This helps put into perspective, I think, the knowledge of how thin and fragile is the fabric of life. How fleeting, how rocky, how enjoyable; how it is such a marvelous journey! We can recall classmates who passed away far too young in life. Yet, that is life. These are the milestones that we all must pass through. Time pauses for no man, and every day is a gift not to be squandered, but rather savored. On the lighter side, one of my favorite sayings, and I have repeated it thousands of times since learning it, is ‘Another day on the right side of the dirt.’ Keep that in mind every day.”

1977 David Kettlehake writes, “Hi, Mara, thanks for keeping us connected and informed through the Shoreline. Living in southern Ohio I don’t get back up to Bay nearly as often as I’d like. If you need some additional subject matter for your next newsletter I’d be most appreciative if you’d put in a blurb about my novel, named “Straw Man”. It’s a mystery/thriller set in present day, and the reviews so far have been quite good. It’s available as an e-book for Nooks and Kindles and is priced very reasonably at only $1.99. I’ve got a website dedicated to it that you are welcome to reference as well: www.davidkettlehake.com.

1984 Cyndi Bush Allen emailed, “Hi Mara! Just a quick note to say, Thank you for all you do for BAF! I only recently started receiving The Shoreline Newsletter and so enjoy it! It warms my heart to read about Bay High School and my beloved Bay Village! It’s great that you have stayed involved and spend the time and energy keeping all of us Bay Grads connected! I really appreciate your efforts! I graduated in 1984 with your brother Eric. He was a friend of mine! (It was fun to see him at the 20 year reunion!) After graduating from Miami University, I moved to California. I spent 12 years there in the corporate sales world before I married an Air Force pilot and starting moving around the country! (Oklahoma, Wisconsin, Arkansas, New Jersey, and now St. Louis (an Illinois suburb) for the last 6 years. I have only been back to Bay a handful of times in the past 25 years! I am hoping to bring my family this summer–just to show them ‘where mom grew up’! (My kids are 10 & 12) My parents retired to Wisconsin and left Bay about 16 years ago. (Cleveland was not cold enough for them! My older brother, Jeff Bush (1981 BH grad) has lived in Arizona most of his adult life.

Not sure how my name and address got on the list but am so happy it did! Keep up the good work and once again, thank you!

Bay Alumni Foundation’s Fundraising Campaign
Donate Your Graduation Year, + $10.00!

Did you know that only approximately 10% of Bay graduates make a financial donation to the Bay Alumni Foundation? We need your help! BAF is asking all Bay alumni to Donate Your Graduation Year, + $10.00! This means we are asking everyone to donate the dollar amount of what the four digits were of your graduation year, and then add another $10.00!

Examples:
If you graduated in 1943, donate $19.43, plus $10.00 = $29.43
If you graduated in 1975, donate $19.75, plus $10.00 = $29.75
If you graduated in 2001, donate $20.01, plus $10.00 = $30.01

BAF is structured as a non-profit organization, therefore, we are not permitted to charge dues to Bay graduates. We rely on your financial donations and the couple of fund raising activities we do throughout the year. Please send your tax-deductible donations made payable to Bay Alumni Foundation to: Hugh O’Donnell ‘83, Treasurer, 25127 Bayfair Court, Bay Village, OH 44140

1977 David Kettlehake writes, “Hi, Mara, thanks for keeping us connected and informed through the Shoreline. Living in southern Ohio I don’t get back up to Bay nearly as often as I’d like. If you need some additional subject matter for your next newsletter I’d be most appreciative if you’d put in a blurb about my novel, named “Straw Man”. It’s a mystery/thriller set in present day, and the reviews so far have been quite good. It’s available as an e-book for Nooks and Kindles and is priced very reasonably at only $1.99. I’ve got a website dedicated to it that you are welcome to reference as well: www.davidkettlehake.com.

1984 Cyndi Bush Allen emailed, “Hi Mara! Just a quick note to say, Thank you for all you do for BAF! I only recently started receiving The Shoreline Newsletter and so enjoy it! It warms my heart to read about Bay High School and my beloved Bay Village! It’s great that you have stayed involved and spend the time and energy keeping all of us Bay Grads connected! I really appreciate your efforts! I graduated in 1984 with your brother Eric. He was a friend of mine! (It was fun to see him at the 20 year reunion!) After graduating from Miami University, I moved to California. I spent 12 years there in the corporate sales world before I married an Air Force pilot and starting moving around the country! (Oklahoma, Wisconsin, Arkansas, New Jersey, and now St. Louis (an Illinois suburb) for the last 6 years. I have only been back to Bay a handful of times in the past 25 years! Your Village is moving into the New Year at a fast pace. March is here with the advent of a new Spring around the corner. Our Winter has been through a lot of ups and downs. The New Year with the combined efforts of the Administration and City Council is enjoying the fruits of being awarded one of the Top Ten Towns for families in the Country as well as the number one community in the annual Cleveland magazine.

Service Department projects are nearing completion and there are ongoing developments of Sewer and Road improvements. The Village’s fiscal year brings new challenges. Reduced revenues have impacted the City’s bottom line. The reduction of State and Federal monies are causing a shortfall of City annual revenue.

Thanks to former City Council Vice President, Scott Pohlkamp, for his seven years of service on City Council. He will be missed for his many contributions to Council and service to the community. Congratulations on his new position as CEO of All-American Teleradiology.

There is a changing of the fiscal guard with the leaving of Steve Presley who has moved on to the City of Pepper Pike. He leaves the City with many years of service and mixed emotions. Administration welcomes Renee Mahoney, CPA, as the new Finance Director. Renee comes with over twenty years of municipal finance experience with the City of Shaker Heights.

The Administration continues to tighten its belt without impacting the wonderful services that all the citizens enjoy.

A welcome to Steve Lee as the Councilman-at-Large, replacing Scott Pohlkamp. Steve is graduate of the University of Michigan Law School, practicing as a corporate attorney specializing in insurance brokerage.

The Village is still that wonderful place to be proud of, especially of our great School system.
