Greetings Bay Alumni! Thank you to all the folks who helped with Homecoming Weekend and the Distinguished Alumni/Distinguished Educator events. If you know of someone who should be in our Hall of Fame, please nominate them before April 30, 2015. More info can be found at [www.bayalumni.com](http://www.bayalumni.com).

BAF is looking for a new President! It is time to hand the torch over to someone new. Do you have what it takes? Do you live in the greater Cleveland area? Do you care about your high school alma mater? Contact Mara for more information. Our election is in January!

If you’re in the area, please join us the first Monday of every month at the Bay Police Station’s Community Room at 7:00 pm for our meetings. We’re there every month, except for August and December, when we meet at The Ironwood on Dover Center Road for dinner!

Please continue to send me your email addresses so you can receive The Shoreline electronically via our mail service, Mailchimp. It helps us save money on postage and printing. My email address is: mara.manke@sbcglobal.net. Thank you!

Donation Deadline Extended: 12/31/2013

Do you remember how you learned about longitudinal studies of the growth of plants? Or how about geographic mapping? Did you ever observe sunspots via a telescope in high school? Ms. Ann Mowery, Physics Teacher at BHS, is heading-up a project to create and build an outdoor learning area for Bay grades K-12 located at the high school right near the retention pond next to the Memorial Stadium. It will be called the Discovery Learning Area (DLA for short) and she has the green light from the school district and the high school, and is very excited about this new opportunity for students of all ages to get some inquiry-based learning experiences in an outdoor setting instead of the classroom.

Ms. Mowery presented her project to our BAF Meeting on July 1, 2013, and showed us a poster-sized drawing of the project. There will be amphitheatre-type bench seating, a compass, a kaleidoscope, a sundial, a wild bird and plant sanctuary, a tour of the planets, and art sculptures.

The entire project is projected to cost between $10,000–$12,000. So far Ms. Mowery has collected about one-third of the funds. Both the Bay School District and The Bay Ed Foundation have contributed. Ms. Mowery has approached BAF for additional financial support and we voted to donate $500 to the DLA project and to get the word out to all of you individual Bay graduates about donating as well!

But, here’s the thing: BAF would like to propose a challenge: For every $1 an Alumni donates, BAF will match your donation to the DLA up to $500! So in other words, if we get $200 in donations to the DLA, BAF will donate our original $500 plus another $400 ($200 x 2) for a total of $900! There will be a donator-plaque furnished at the project site, and BAF’s name will be listed. So, if you would like to donate to complete the Discovery Learning Area, please send your check or money order payable to Bay Alumni Foundation to:

Treasurer, Hugh O’Donnell ’83
25127 Bayfair Court
Bay Village, OH 44140

Attention: Discovery Learning Area Donation

Your donation will be part of the Bay Alumni Foundation donation. No individual names will be listed on the donator-plaque. You must mention in your note that your donation is for the DLA project! The deadline to submit your donation for the DLA is December 31, 2013!

BAF will make sure that Ms. Mowery receives your DLA donation by December 31, 2013 along with BAF’s $500 and matching funds. If you have further questions about the DLA project, please contact Ms. Ann Mowery at ann.mowery@bayschoolsohio.org.

Thank you!
Fall Sports Highlights

The Bay Rockets Cross Country Boys and Girls Teams enjoyed a successful fall season. The Boys Team, coached by Steve Babson, won the West Shore Conference and was District Champions. They went on to compete at the Tiffin Regional and narrowly missed out on qualifying for States by one spot.

The Girls Team had one of the most successful seasons in school history. The girls, coached by Anne Ashley and Danielle Harkins, were West Shore Conference Champions, District Champions, and Regional Champions. They went on to compete in the O.H.S.A.A. State Meet on Saturday, November 2 at National Trail Raceway and finished as the State Runner-up. Second place was the highest the girls have placed in the history of Bay Girls Cross Country.

Top Bay finishes at the State Meet were Maddie Britton, senior (9th) and Amanda Cusimano, freshman (15th). In addition, Maddie Britton was named the West Shore Conference Most Valuable Runner along with being crowned District Champion.

On the boys’ side, Jack Hautz was crowned District Champion.

Steve Babson, Anne Ashley, and Danielle Harkins were named West Shore Conference “Coaches of the Year” as voted on by the WSC coaches.

Finally, the Boys Soccer Team had another great season. On Saturday, November 2, the Boys Team defeated St. Mary’s Memorial 3-0 to be crowned Regional Champions. They returned to the Final Four for the second straight year. The team is coached by Bobby Dougherty.

Fall Music Highlights

As our marching band season comes to a close, we would like to thank all of the parent volunteers that have helped make this season run so smoothly. Without you, we could not have had the success that we did!

The Bay Rocket Marching Band performed on November 4 at our 36th Annual Varsity Concert! We performed all of the music from this marching season’s shows and stand tunes. This is a great recap of our season, without the threat of bad weather.

The Varsity Concert is a good transitional point for the students because after the concert, the bands split up into Concert Band and Symphonic Band. Once this happens, we will start preparing for our December holiday concert.

We are excited about the upcoming Marching Band trip to Walt Disney World. We will depart after school on Nov. 26, 2013 and will return Monday evening Dec. 2, 2013. The Marching Band will be marching in a parade at the Magic Kingdom on Thanksgiving and the Jazz Ensemble will also have the opportunity to perform a concert as well. In addition, the band will be attending a clinic where they will have an opportunity to learn about performing a soundtrack to a movie, while the Rockettes will have an experience learning about how Disney does dancing. Special thanks goes out to Joy Hutchinson who organized both the Pasta sale last spring and the car wash this summer to help students raise funds to cover the cost of their trip.

— Mr. Allen, Band Director

**Alumni with Students Currently Attending BHS!**

You know how the saying goes ... the apple doesn’t fall far from the tree. Well during Homecoming Week every year, if you walk down the main office hallway at BHS, you’ll see four posterboards with lots of student yearbook photos on them. There is a posterboard for the Freshman, Sophomore, Junior, and Senior Class. But you’ll notice it’s not the current students’ photos! It’s their parent’s photos.

Stacy Schmidt Caddey ‘82 and Diana DiVenere Lee ‘87 have been doing the “Alumni Boards” at BHS for about the past 12 years. Each posterboard has the Senior picture of a current student’s parents with that parent’s graduation year noted. What Stacy and Diana do is they send a form home to the kids’ parents at the beginning of the year asking if they were BHS graduates, their graduation year and their maiden names. Then, Stacy and Diana organize the info, do the research in old yearbooks, and photo-copy all of the parents’ Senior photos and glue them to the posterboards corresponding to the current grade for their child.

For example, Diana has a Junior (Marissa Lee) and a Freshman (Jack Lee) at BHS. So on the Junior posterboard you’ll see Diana’s Senior year picture and “Marissa Lee’s Mom 1987” labeled under it. On the Freshman posterboard, there is another Senior year picture of Diana and under it is written, “Jack Lee’s Mom 1987.” In each class right now at BHS, there are about 50 kids who have BHS alumni as parents! That’s about 200 parents! Wow! The graduation years of the parents range from 1972 to 1994. Diana and Stacy spend about 12 hours on the project each year. The kids get a kick out of seeing their parents’ Senior year pictures on the wall, and it truly shows how many folks stick around Bay or move back to Bay after they graduate! Thank you to Diana and Stacy for their hard work!

**First Kindergarten Class in Bay Village celebrates 60 years!**

This photo shows the members of the first kindergarten class that Bay Village had. The parents of the kids got together and paid for the teacher who was Ms. Ranney and the school let them have a room. The next year the school system instituted an actual kindergarten program. The photo here shows their 60th mini class reunion. They are still close to one another and went from kindergarten through high school together. And they still get together throughout the year. If you can find a 1954 yearbook, there is a picture in Senior Class History of the full kindergarten class that you might find interesting.

Past Reunions

Class of 1954 60th Reunion! It’s a rap–It’s history! It will not happen again! The 59th mini class reunion of the Class of ’54 in Ohio is over. Oh what a time was had by all. If you missed it this year you sure missed out on a great time and excellent food that did not stop. In just 12 months we will be having our 60th class reunion. I know that it is early, but now is the time to start to plan ahead to be back in Bay. At our reunion in August 2013, we took the time to brainstorm ideas for next year. More information will be coming to you as we fill in the blanks. It will take place sometime near the last week of August or first part of September. So now is the time to block out that time frame on your calendars. Just as soon as we know the dates, I will update you. Many emails will be coming your way this year as we make sure we have everyone’s correct contact information. – Sincerely, C. Fred Peterson

Class of 1963 Celebrates 50 Years! The Bay High School class of 1963 held it’s 50th reunion on July 26–28 at the Holiday Inn in Westlake, Ohio. Dick Long of Findlay, Ohio was the catalyst and prime mover for this gala event. Dick researched, located and contacted alumni for three years prior to the reunion. Sharon Graf Crouch, Jack Richards, Susan Heigl Swank and Sandy Cain Sieben assisted him in his efforts. Only seven class members out of 174 were unable to be located after an extensive nationwide search. On Friday evening an informal cocktail party replete with an open bar and a tantalizing array of hors d’oeuvres was provided for the guests. A spiral bound reunion booklet was printed with a page for everyone to provide an autobiographical sketch of their lives, accompanied by their graduation picture and a recent photograph. The cocktail party provided an opportunity to exchange emails with friends and to catch up on the past 50 years. Saturday’s weather was overcast and rainy but proved to be an excellent day to visit the Rock & Roll Hall of Fame as well as the Cleveland Art Museum.
Some class members also toured Bay and visited their former neighborhoods. A gala banquet was held on Saturday evening in the Canterbury Room with over 100 in attendance. Our Master of Ceremonies, John Shaughnessy introduced Reverend Jim Macomer who led the class with a word of prayer. During dinner the Paul Biasella Trio provided soft jazz. After dinner a spirited live auction led by John Chamberlain, assisted by Al Day, netted $1,074.00 that was accepted by class President Jack Rekstis and contributed to the Bay High Alumni Foundation. John proved to be a very entertaining auctioneer with his amusing commentary and lively repartee. A farewell breakfast at Beardens in Rocky River concluded the festive celebration. A great time was had by all attendees, many who traveled from California, Washington State, Texas and Maine to attend. Rumor has it that a future reunion is being planned for 2018. – John C. Shaughnessy  Class of 1963

Class of ’73: 40 Years Celebrated! The ever-so-gracefully-aging Class of ’73 held their Fortieth Festival of Frolic the weekend of September 27. Festivities which included gatherings on Thursday night at Market, Friday evening at Margaux Quayle Hamilton’s, and Saturday night at The Copper Cup were enjoyed by all. Donations were made on behalf of the entire class to The Bay Alumni Foundation and The Village Foundation in loving memory of our deceased classmates. To update your personal info and to see reunion recaps and photos, check out our class web site maintained by Prankster Dan McCarthy: www.classof1973.org. Please send email, phone, and address changes to: margaux42@sheglobal.net.

Class of 1983 Member enjoyed their 30th Reunion this summer & recalls the beauty of leg warmers. I spent last evening at my 30th high school reunion, instantly propelled back to the 1980’s, the era most known for bad hair styles, MTV, Madonna and leg warmers. As I walked into the dimly lit room, filled with too much man cologne and stale beer, I recognized most of my classmates immediately and I felt a surge of joy, a climate of comfort, like the feeling you get when you are finally home after a long and arduous trip. You see, I have had the luxury of graduating with most of the kids I went to elementary school with, going as far back as kindergarten. Among those faces were people I went to Camp Fire girl camp with, got in trouble with down by the creek in fifth grade, held sweaty hands with during square dancing in gym class, kept stats for on the varsity baseball team, and had lifelong crushes on. These were the people who sat in front of me and behind me for long twelve years, last names beginning anywhere from L to S; the people and places that form us in our younger years. The memories, the laughter, the bonds of friendship that we carry with us. They never go away. They say “there is no going back”. I disagree. In my hometown, but most of all in my heart, I never really left. – Jennifer Miller LaRiccia ’83

Class of 2003: Yup, it was a 10! The Bay High School graduating class of ’03 got back together for their 10 year reunion during Homecoming weekend in late September. The fun-filled weekend allowed everyone the chance to reconnect with old classmates, relive their favorite memories, retell stories from the past, and remember how great it is to be a Rocket! In addition to coming out in force to watch the Homecoming parade and cheer on the football team Friday night, the alumni filled Panini’s Ultra Lounge and Patio in Westlake on Saturday. Thanks to all those that helped make the event possible and don’t forget to stay connected on our Facebook Page: Bay High School–Class of 2003.
1963 Bill Grayson writes, “Had a great 50th year Reunion!”

1967 Michael DiLauro writes, “It was great to see all of my ’67 Bay High grads on July 5 at the Huntington Beach picnic. They all agreed to come and see my latest documentary, La Mia Strada–My Road on October 20, 2013, 2:00 pm, at the Cedar Lee Theater.”

1968 Jack Duncan emailed, “Mara, a quick note of thanks for all you do. I’m a Town Commissioner in the Town of Longboat Key Florida (unpaid volunteer position) and like you, kudos and other volunteers are far and few between. I appreciate getting the Shoreline Newsletter and just want to say thanks for all the hard work that you and your team put into keeping the rest of us up to date on our beloved Bay High School. Go Rockets!”

1971 Linda Carpenter Myers says, “Thanks to BAF for supporting the exciting work of (BHS teacher) Ann Mowery with the Discovery Learning Area.”

1974 Carol Anne Young Longenecker writes, “I graduated from Bay High School in 1974 and Miami University in 1978. Got married in 1980 and been living in NJ for the past 33 years with my husband Jim. Our 2 boys are now grown and we’re headed back to the Cleveland area next year to retire (could I be this old?). We have already purchased a house in Chagrin Falls and are excited about transitioning back to the midwest.”

1978 Maurita Hackett Mendelson writes, “I enjoy keeping in touch and reading about classmates. Sorry to miss the reunion.”

1981 Vivian Savoca Stutson from Colorado: “Had a great 50th year Reunion!”

1983 John Milbrandt writes from Florida: “Unfortunately I will not be able to attend the 30th Reunion. I have just officially retired here in Clearwater after 30 years of service. Just in case someone ever asked, ‘what ever happened to John?’ I have had a great career serving the Coast Guard. I have been involved in the largest cocaine seizure in 1991 of 2,100 lbs. I was flying and assisting in Hurricane Andrew in Miami (1992), Hurricane Ivan (2004) in Alabama and was the supervisor assisting in the deployment of crews to Hurricane Katrina (2005) and then involved in the Deepwater Horizon oil rig explosion, just to name a few.”

1987 Amy Rock Pitts received her PhD in Geography from Kent State in May 2013.

1998 Grant Alan Knisely writes, “I thought BAF would be interested to know about the current documentary film I’m producing focused on sex trafficking and modern day slavery in Nepal & India, Untouchable: Children of God. We recently launched a crowd-funding campaign to raise the remaining $50K needed to complete all Post-Production, Mastering, Soundtrack, etc. Please help to share and promote the links within Alumni community and anyone you know who would be keen to support us! After a decade of living in Asia, I’ll be relocating to Southern California in January 2014 to run our Non-Profit, Code Red Films, full-time. We plan to tour across the US in 2014 attending Film Festivals and hold screenings at Universities, Human Rights/Social Justice Organizations, Churches, etc. It would be great to organize a screening at BHS as well. BAF’s Hall of Fame Distinguished Alumni/ Distinguished Educator Weekend

The 2013 Hall of Fame Weekend was a success! BAF honored Judy Owen Harris ’55, David Nemeč ’56, Walter “Jack” Rekstis ’63, Amy Chadwick Manco ’81 and teacher Mark J. Ule on September 20–21, 2013.

Amy Chadwick Manco summed it up in her thank you note to BAF President Mara McClain on October 10, 2013: “Dear Mara, thank you so much for a wonderful celebration weekend. The Homecoming Assembly, Parade, and the Brunch were fantastic (I still can’t believe how many kids lined the streets begging for candy!) I appreciate all your hard work and efforts with the Alumni group. It takes a lot of time behind the scenes to pull off a great event. Thanks to you and your committee. I am humbled by this honor, as I have been very fortunate in my life. I had many people looking out for me and helping me along the way. In sincere gratitude—Amy Manco.”

BAF will be selecting our next inductees into the Hall of Fame in spring, 2015. Please go to www.bayalumni.com and then to the HALL OF FAME tab. Then, scroll down to click on the links to print-off the Nomination Forms for both the Distinguished Alumni and Distinguished Educator Award.

Bay Alumni Foundation’s Fundraising Campaign

Donate Your Graduation Year, + $10.00!

Did you know that only approximately 10% of Bay graduates make a financial donation to the Bay Alumni Foundation? We need your help! BAF is asking all Bay alumni to Donate Your Graduation Year, + $10.00! This means we are asking everyone to donate the dollar amount of what the four digits were of your graduation year, and then add another $10.00!

Examples:
If you graduated in 1943, donate $19.43, plus $10.00 = $29.43
If you graduated in 1975, donate $19.75, plus $10.00 = $29.75
If you graduated in 2001, donate $20.01, plus $10.00 = $30.01

BAF is structured as a non-profit organization, therefore, we are not permitted to charge dues to Bay graduates. We rely on your financial donations and the couple of fund raising activities we do throughout the year. Please send your tax-deductible donations made payable to Bay Alumni Foundation to: Hugh O’Donnell ’83, Treasurer, 25127 Bayfair Court, Bay Village, OH 44140 or go to www.bayalumni.com.

Another season is passing and we are approaching the end of the year. The Fall has been one of both warm and above normal temperatures. The November election is around the corner and two candidates are vying for the office of Mayor. The incumbent Mayor, Debbie Sutherland (class of 72), and Marty Mace, who is an experienced public servant with many years as a Bay Village fireman/paramedic, offer difficult choices for voters.

I urge those of you that have the privilege of voting in the Bay Village election process to exercise your right to vote. Your Village has continued to provide its citizens with the wonderful services that makes Bay Village the ongoing envy of many North Eastern communities. This is in spite of severe cutbacks at the State and Federal level.

The Bay Village schools continue to be recognized as one of the finest schools in the nation. Bay High is ranked 19th within Ohio and ranks 496th in the Nation. This information relates to high schools in a report within an article in the USNews magazine with school listings & ranking.

Of the Bay High Seniors, 76% plan on attending a four year college or University. Many scholarships from local community organization were awarded. Areas of recognition were in Math, Science, Social Studies, Orchestra, Jazz, Band, Drama, Language Arts, World Languages, Art, Business, Technology, Senior Athletics, and Outstanding Seniors. Six Bay High graduates have been accepted by our Military Academies. 71 AP scholars were announced. The pursuit of excellence is again the Hallmark of the Bay Village School District.

I repeat myself in stating that your Village is evolving and continuing to become one of the finest communities in Ohio.
