

Mara Manke McClain,
 President

Message from the President

I don't know about you, but I'm ready for this winter to be done! The cold...the snow ... the slush ... the ice ... the pot holes! But, it's northeast Ohio: we cope!

Those who attend the monthly meetings came together with an idea of adding a feature to *The Shoreline* called, *Where Are they Now and Who's Doing What?* These will be stories about

Bay alumni who will share with all of us what he/she is doing these days. We will try to reach out to alumni for stories. If you have a story that you would like to share, please submit it to me at mara.manke@sbcglobal.net or Cristine Hoffmann at cmmh75@gmail.com. Thank you to Mike Ferenci, Class of '75 to be our first alum featured on page four!

I want to thank our wonderful Secretary Nancy Smith Mitchell '77 for taking over as the acclaimed BAF Main Database Administrator.

Bay Village News

Winter is coming to an end and Spring is just a few weeks away ... with the hope of a new beginning ... flowers in bloom and the birth of new leaves on trees. At my last article, elections were on the horizon, with two candidates vying for the position of the Village Mayor. And again our Mayor, Debbie Sutherland (class of '72) won the election with a large majority.

Her opposition did not understand the difficulty of municipal management. She continues to manage with efficiency and respect. Her leadership skills are self-evident and are reflected in consistency in the ongoing outstanding reputation of Bay Village, Statewide and Nationally. In Spite of the continuation of State and Federal cutbacks, the Village remains the City to raise a family and educate its children.

Bay Village Board of Education has elected new Officers with plans for the 2014 schedule. Officers for the '14 school year are Bill Selong (President) and Dr. Robert Piccirilli (Vice President). Board members, Mike Caputo, Amy Huntley, and Dr. Gayatry Jacob-Mosier, were elected for four terms after winning unopposed.

The Village School District earned high marks in certain areas of the State report card, with a high percentages of students achieving at the advanced and accelerated levels.

Those of you who reside locally and in surrounding communities, please plan on attending City Council meetings and School Board meetings. Apathy is alive and well. If your garbage is picked up, streets are plowed in the winter, and leaves in the fall - the electorate is content and assumes everything is OK, unless there is an issue that affects you personally. You will not learn how great Bay Village is, unless you attend these meetings. Your elected officials and the administration of the City and Schools continue to work for you and are responsive to the ongoing needs of its citizens. Bay village residents are blessed and fortunate to live in this wonderful City.

I showed her the ropes with Microsoft Access database to make changes and/or additions to names, emails, and addresses. It's sad when she has to go into an alum record and mark that person as deceased. It's also sad when she has to fulfill the wishes of a request to check off the "Do Not Mail" box next to their name because that person wants absolutely nothing to do with Bay High School or Bay Village. I just shake my head, roll my eyes, and smile – and then chuckle a little bit.

I am sorry to report, this will be my last year as President. My husband and I have bought a house south of Canton, Ohio. The **BAF needs new people** to get involved! Bay Alumni Foundation has the potential to be a successful non-profit organization! We have many great ideas but no man-power to carry through on these great ideas! If you have an idea and would be willing to take the action to complete your idea, let me know. For the foundation to exist, we need your help, your efforts, and your time—plain and simple. Who wants to give back or pay it forward?

– **Sincerely,**
Mara Manke McClain '89

The Bay Education Foundation: Making a Long- Lasting Impression

The BVEF is an independent, non-profit volunteer organization that funds educational projects by contributions, sponsorships, and donations from various members of the community and area to award monies to educators across the district to enhance student learning in the classroom. Many opportunities, through innovative ideas and technology, have been made possible in student daily learning environments due to funds that are so generously donated to the BVEF each year. The foundation grants these funds to various teachers across the district.

In this current year, numerous grants were awarded to a variety of teachers across the Bay Village School District to fund many creative learning experiences. For example, in elementary schools, a science lab that promotes literacy for students, and many other programs were funded to help foster and develop literacy in the areas of history and other subject areas. For the middle school, grants were awarded to help teachers gather new materials for student learning with the new Ohio Common Core Standards and

Sports Update

This past winter, we had several outstanding performances by Bay athletes. In February, the swimming and diving team qualified five boys and five girls for the O.H.S.A.A. State Swimming and Diving Meet in Canton, Ohio. This is the most swimmers and divers Bay has qualified in a given year in school history. Members were Jacob Melaragno (So.), Kyle MacMillan (So.), Colin Southerington (Jr.), Trevor Lake (Jr.), Brogan MacMillan (Sr.), Rose Mlakar (Fr.), Abby Beauchesne (Fr.), Jessica Mosier (Jr.), Marlee Berlan (Sr.), and Elizabeth Auckley (Sr.).

The Boys 200 Medley Relay (Melaragno, K. MacMillan, Lake, and B. MacMillan) and 400 Freestyle Relay (K. MacMillan, Lake, B. MacMillan, and Southerington) both finished 17th just missing out on the opportunity to swim at the Finals. The Girls 200 Medley Relay and 400 Freestyle Relay consisting of Auckley, Mlakar, Beauchesne, and Berlan finished 6th and 7th respectively. Beauchesne finished 22nd in the 100 Back. Mosier finished 20th in diving. Auckley end a stellar swimmer career by placing 4th in the 100 Butterfly and 3rd in the 100 Backstroke.

The best Bay performance of the meet was by Trevor Lake who pulled off two 1st place finishes in the 50 and 100 Freestyle. This is the first time in school history we have had a State Champion swimmer in two events. Trevor Lake broke the O.H.S.A.A. State Meet record in the 100 Freestyle. Many school records were also broken by Trevor Lake in the 50 and 100 Freestyle, Elizabeth Auckley in the 100 Butterfly and 100 Backstroke, the Boys and Girls 200 Medley Relays, and the Girls 400 Freestyle Relays.

The swim team is coached by Aubin D'Andrea, and assisted by Jacob Ranta, Tom Seabold, Jim Vick, and Tim Croy.

Sophomore Vince Zitiello became the first wrestler in 12 years to qualify for the O.H.S.A.A. State Wrestling Tournament. Vince is coached by Head Coach Ryan Cover and assistant coaches Nick Avramaut, John Higgs, Adam Tepper, and Matt Spies.

After the 2014–15 school year, the West Shore Conference will be disbanding and the Rockets will be moving into a new conference called the Great Lakes Conference. Members of the new conference will be Bay, Elyria Catholic, Holy Name, Normandy, Parma, Rocky River, and Valley Forge. The Rockets have had much success in the WSC but are looking forward to some new competition in the GLC.

The Discovery Learning Area

Greetings Alumni! This is a brief update on the outdoor classroom at Bay High. The Discovery Learning Area became a reality last fall with the installation of the bench seating called the amphitheatre. Later this spring once weather improves the Tour of the Planets, magnetic compass and sundial will be installed. The wild bird sanctuary and other garden features will be added in late May. Future additions include art projects completed by students. Science classes will also take advantage of using the many telescopes we have acquired over time. Thank you for your donations to this long lasting learning experience for our students, staff and community!

Winter Music Highlights

The WSC Honors Band performed on February 3 in Stocker Center at Lorain County Community College. This is a select group of our symphonic band members (21) which is a large portion of the group. It was a great concert.

On Monday Feb. 24 the Symphonic band performed at Waetjan Auditorium at Cleveland State University before the CSU Symphonic Winds performed. This gave us an opportunity to play our Contest set prior to going to Contest the first week of March.

Our Big Band Bash District Jazz event was on Feb. 25. This year the guest artist was Bob Ferrazza (guitar). He worked with each group before the concert and then played with each group.

Bay Middle School Band, Orchestra & Choir Musicians participated in the Ohio Music Education Association District IV Honors Festival at Lakewood High School on March 1. Congratulations to High School Orchestra members on their Superior rating at State Contest!

Where Are They Now and Who's Doing What?

After graduating from Bay High in 1975 I proceeded to Bowling Green State university to pursue my bachelors of music degree. I majored in trombone there as I have always played many instruments growing up as a kid. Trombone, Guitar, Bass, and Singing have been with me since I started music at the age of 9 so I feel very comfortable performing any of these on a professional level. After college I performed in and around the Cleveland area in a top 40 band with my sights set on Los Angeles. Within one year I was on the road with my wife Julie, a cat, bird, homemade trailer carrying my instruments and \$2,000 in my pocket. We arrived in LA the summer of '82 and I immediately joined the musicians union and began looking through their work books for work. I found a job as a guitar teacher at a small store and was only there six months when I was “discovered” by a music producer who later became my partner. We recorded many advertising jingles for both television and radio for many years and I was able to hone my craft throughout the 80's.

During this time I played with many heavyweights in the recording industry and became very busy playing not only jingles but also television shows and films as well. At this time I also became involved with music production and arranging and was often asked to arrange brass sections for television shows and of course jingles as well. I also sang quite a bit at this time and had the privilege of singing for many a show and film. My voice can be heard still on the Disney ride splash mountain all over the world as both a character voice and the lead tenor. I had the great honor to not only meet many people who I used to admire as a college kid but now sing along side of them as colleagues. So I become “the guy who can play tons of instruments and sing”. A very nice thing to have in L.A., as it turned out.

I began my composing career in 1995 as a way to expand my musical horizons and also because I was ready to move on to bigger and better things. Being a session musician is one thing, being the guy who writes the music is another. I learned a lot and continue to learn as we all do as musicians. I was able to establish a writing job for what we call Music Production Libraries. These are the companies that supply a lot of music to film, television, radio, and most anything that uses music. In many movies you have the composer who writes the “underscore” then you have a music supervisor that picks music to be used in the film that doesn't necessarily need a specific composition to set the scene. This is where music libraries come in. The music I write is sent to a music supervisor who in turn will pick one of my compositions to use in a particular scene, television show and jingles a.k.a. advertisements.

I still continue to perform live (on occasion) and be a session guitarist, brass, or sing, for others, but my main focus for the last 17 years has been the composing scene. It has been a great journey for me and a happy one as well. I encourage everyone to live their dream and pursue what their hearts tell them too. There is always time. You can visit my website at www.ferencimusic.com to see and hear more.

A Word from Alums

1954 Tom Thorkelson writes, “For the 8th time since 2000 the Krukemeyers have ventured to the Arizona desert, allowing the Class of ‘54 to hold another mini-reunion. Six from the class, plus spouses and friends, gathered November 9, 2013 to stir up the old nostalgia once more. We were pleased to see that Bob Harris is regaining his health following surgery this past Spring. We were sorry to lose Lee Wetzel back in 2011, but Miriam [Doty] Schauddek, who now lives in AZ, has built our number back to six. And we’ve adopted Ann Wetzel into AZ’s Class of ‘54 as well. For anyone who has trouble remembering what we look like, the attached photo should dispel any rumors that we’ve aged! But lest any of us retain those fountain-of-youth visions, let me end with the statement that I usually make at these reunions to return us to the world of reality: ‘Just remember, this year’s Bay High graduating class of 2014 would look upon us the same way that we—back in 1954—would have looked upon the alumni returning from ... (drum rolls) ... the Class of 1894!’”

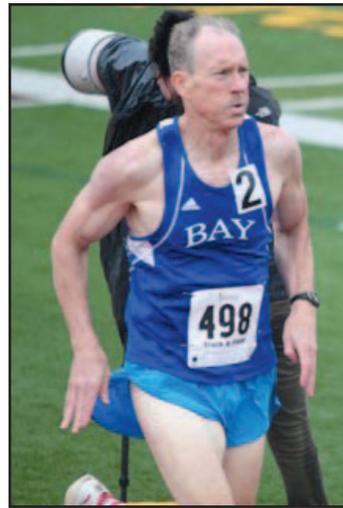

Left to right: Amy Harris, Bob Harris, Miriam Schauddek, Tom Krukemeyer, Diane Krukemeyer, Tom Thorkelson.

1969 Bev Hanan Meyers emailed, “Hi Mara, all of you are doing a super job on keeping us up to date on news. We do get back to Bay every few years but it does seem to change. My husband, Sonny(Anthony) Meyers (Rocky River 1966) and I’ve been in Coos Bay, Oregon, since our 1971 wedding. All is very good but we did lose my brother, Douglas Hanan: 9/7/2012. Doug was in Bay’s class of 1967. Doug finished up college from Ohio State to Oregon State with all sorts of degrees of Geology-Gemology, etc. and really loved family, fishing and out of doors and our area of Oregon Coast. He was a big part of our family. I hope you, all family and friends have a safe and fun Christmas Season.”

Bay Rockets Association Spirit Wear for Sale

Holly Nye ’82 and Dana Hastings are selling the Spirit Wear this year for the Rockets Association. They have Hoodies, Crewnecks, Sweatshirts, Rain Jackets, Umbrellas, Stadium Seats, Men’s and Woman’s Golf Shirts, Baseball Hats, Skull Caps and Ski Hats with poms are available too. They also have Girls Plaid Boxer Shorts and Unisex Plaid PJ Bottoms, as well as some smaller items. Both adult and children’s sizes are available—and some styles in toddler. Class Reps—consider buying some of these items to use as prizes for any upcoming Reunions! Holly can be reached at: 440.409.3658 or hny777@gmail.com. Dana’s info is: 440.899.7188 or drjstings@aol.com. Sorry, shipping not available.

Mike Baird Class of ‘70 nears the 800m finish line. Thanks also to Bay Schools for the loan of the track singlet.

1970 Roger Galbraith says, “Hello classmates and runners. During the summer of 2013, the National Senior Games were held at various Cleveland area locations. Track events took place at Baldwin Wallace College in Berea, Ohio. I had the good fortune to hook-up with fellow classmate Mike Baird ’70 at BW who was up from North Carolina to run the 800 meters. It was a rainy day, but that did not stop the Baird clan, which included several Bay alumni, from being boisterous. Mike gave a strong showing doing the Class of ‘70 proud. Thanks Shoreline! I enjoy the news from alums.

1983 Sue Kline Bassett says, “Love receiving the Shoreline. I miss Bay. Through Facebook I learned of the passing of Doug Rankin a classmate of mine. He was a sweet funny guy! Update for me: Graduated from Univeristy of Toledo, worked in medical field, married 21 years with three teens. I’m thrilled one son is following in my footsteps. I’m a proud Mom of a Bando! Thanks Mr Day, Mr. Frost and Mr. Pentergras for four wonderful high school years!”

1989 Liz Henneberry Illenberger (aka L.A. Henno) writes, “I have turned my story into a book! It’s been 10+ years in the making and put on hold several times. But I have decided it was worthy of a chance to reach some young adult readers and adult readers, too. I have named it *The Meetings of Great Minds*. My website, lahenno.com, is up and running.”

the high school was giving funds to help support current programs that guide student interactions and promote future school success.

This year, the BVEF's biggest and local fundraising event to raise most of the funds for many grants to be awarded for the upcoming year was held at Arrabiata's Restaurant in Bay Village. This was the Bay Village Education Foundation's 9th annual *Creating Opportunities* fundraising event on Sunday, January 26th. And what a success it was! The sold out event topped last year's record breaking event by raising over \$21,000 to go towards funding the many wonderful grants requested from the teachers in the Bay Village Schools to implement in their classrooms to enhance student learning opportunities. The event featured over 30 unique silent auction items, including hot air balloon rides, one week stay at a resort in Virginia, lunch with your favorite school administrator, a sunset boat ride on Lake Erie and even the use of

a billboard for a month! Other numerous local businesses and companies from surrounding communities also generously offered up donations of goods and services as well. There were plenty of raffles to take a chance with including the Rocket Raffle and the notorious *Wheelbarrow for Education*, which was won by Clete and Becky Miller. The guests enjoyed delicious Italian style food from Arrabiata's Restaurant, exciting drink options from the bar, as well as sumptuous desserts donated by Stacey Nye and Oma's Homestyle Catering. The BVEF thanks all the incredibly generous sponsors, donors and attendees that help to continue to make this one of Bay Village's favorite fundraising events in the community that supports the amazing teachers and students of the Bay Village Schools, and is looking forward to another great year ahead.

The Bay Alumni Foundation Scholarship

The Bay Alumni Foundation Scholarship application has been submitted to Fran Magus in the Guidance Counselor office at Bay High School. The students have until mid March to apply for our two scholarships. The Scholarship Committee will meet in early April to select the applicants anonymously. One female and one male student will receive a \$500 scholarship to their university of choice. The scholarships will be awarded to the two recipients at the Annual Academic Achievement Program Ceremony presented by the Kiwanis Club of Bay Village in May 2014.

GOAL: Electronic Distribution of The Shoreline to As Many BHS Graduates as Possible!

We need your email addresses! To reduce the costs involved in printing and snail mailing The Shoreline, BAF needs your email addresses so that we can distribute the newsletter electronically. BAF is utilizing Mail Chimp to distribute The Shoreline and currently has around 2,700 email addresses out of about 9,000 (active) BHS alumni. BAF's goal is to collect 5,000 emails by Jan 1, 2013. It costs BAF over \$10,000 per year to print and snail mail The Shoreline. Just think if we could reduce that number by 50%! **You can help with our goal!** Please send your email addresses to: Mara McClain: mara.manke@sbcglobal.net or go online to www.bayalumni.com and update your info by clicking on the Update Your Info button.

The Shoreline is Now Interactive!

When reading the electronic version of The Shoreline you will now be able to directly link from a story to further information by clicking on the links that will take you directly to either websites or emails. These links will direct you to further information for reunions. Donating to Bay Alumni Foundation can be done directly from The Shoreline by clicking to the website.

Are you still receiving a printed copy of The Shoreline via the post office? Please help BAF reduce printing and mailing costs and sign up to have The Shoreline emailed to you. Please continue to send me your updated email addresses. The Shoreline will be sent you to via our mail service, Mailchimp. Send your email address to: mara.manke@sbcglobal.net

Bay Alumni Foundation's Fundraising Campaign

Donate Your Graduation Year, + \$10. 00!

Did you know that only approximately 10% of Bay graduates make a financial donation to the Bay Alumni Foundation? We need your help! BAF is asking all Bay alumni to **Donate Your Graduation Year, + \$10. 00!** This means we are asking everyone to donate the dollar amount of what the four digits were of your graduation year, and then add another \$10. 00!

Examples:

If you graduated in 1943, donate \$19.43, plus \$10. 00 = \$29.43
 If you graduated in 1975, donate \$19.75, plus \$10. 00 = \$29.75
 If you graduated in 2001, donate \$20.01, plus \$10. 00 = \$30.01

BAF is structured as a non-profit organization, therefore, we are not permitted to charge dues to Bay graduates. We rely on your financial donations and the couple of fund raising activities we do throughout the year. Please send your tax-deductible donations made payable to Bay Alumni Foundation to: Hugh O'Donnell '83, Treasurer, 25127 Bayfair Court, Bay Village, OH 44140 or go to www.bayalumni.com.

Bay Village History

Golf and Bay's Back Yard Playground

Location, location, location! It began with a lake at the back door.

Golf! It all began with Washington Lawrence, President of the National Carbon Company, purchasing three farms along the lake at the eastern border of Dover Township. Washington had seven daughters and six of them married men who enjoyed the new game called golf. He indulged his sons-in-law and developed the oldest golf course in Cuyahoga County and the State of Ohio.

According to the *Cleveland Plain Dealer*, "Golf Played at Dover Bay Prior to 1895... Although not the first incorporated club in Cleveland, it is probable that the first golf was played where Dover Bay now stands."

Golf Retold reported, August 22, 1896, "To anyone who has had the good fortune to be a guest at Dover Bay Park, it must seem astonishing that there are not more such places around Cleveland. Each family has a house of its own. The clubhouse makes a rallying place... It is certainly a community of clever people." In 1899, Chisholm Beach was the golf champion having won over Mr.'s Chase, Dodge, James, Matthews and Bourne.

Opening day, 1903, saw a reorganization, and a new name, Dover Bay Country Club. Public members were welcome. The golf pro was Alex Miller and the manager, Jack Quinlan. Members rented rooms in the club house for the summer season. For awhile, Mickey McBride, of the Cleveland Indians, owned the property. He sold it in 1956 for residential development. Union Carbide was interested in building their research laboratory on the property, but the city voted to keep Bay a city of homes.

BHS Alumni Serving in the Military

Anita Bauknecht, teacher of Family & Consumer Sciences at Bay High School wants everyone to know that there is an Honorary Military Board in the Main Hallway at BHS for active duty service men and women. The only way she knows to post photos on the Honorary Military Board is if she is told. Please send Anita a digital photo of the Military person in their uniform, the year they graduated, their name, and the branch of service in which they are serving. Anita's info is: anita.bauknecht@bayschoolsohio.org. Also, if service men and women have retired or are not re-enlisted, please let Anita know so she can make room for others.
