### Message from the President

I would like to welcome the new Alumni class of 2016 from Bay High School. This edition of the shoreline will be mailed home to each 2016 graduate. I know many of these graduates will be back for Homecoming which this year is October 7. As many of you know the Bay Alumni Foundation has been encouraging class reunions to focus around Homecoming weekend. Last year we had five

classes plan their reunions around Homecoming. I believe that for most Bay graduates the best thing about homecoming is just that—we're coming home. A little known fact is that the majority of Bay graduates live within a 60 mile radius of Bay Village. I would like to encourage you either near or far, to make plans to join us for this year's Homecoming. We will be gathering on October 7 at the gazebo on Cahoon road at 5:30 pm and hopping on the Alumni float. The Alumni float leads the parade as we head towards Bay High Stadium and prepare to watch a great football game, and a great Band & Rockette performance! Bring your appetite! The Bay PTA is selling hot dogs, chips and a drink before you enter the stadium. Watch for more information on our [Facebook page](#) as we get closer to October, and as always Go Rockets!

– *Thanks for staying Connected*

### 2016 BAF Scholarship Recipients

As part of the Bay Alumni Foundation's mission, this was the fifth year for the Scholarship Program. This year, three scholarships of \$500/each were given to two females and one male at the Kiwanis Academic Awards Night held in May in the Bay High Auditorium. All Bay Seniors are eligible to participate. There is not a GPA requirement, however the student must be in good standing with the school. Being an alumni is about memories, therefore, students are required to write a creative essay about their memories at Bay High.

We received many essays and they were judged anonymously. The 2016 recipients of the scholarships were Jared Chudzinski, Ohio University; Hayley Langer, Kent State University and Nora Ziebarth, The Ohio State University. The scholarship awards are written directly to their school of choice.

Many essays were written and we read a lot of memories at Bay High. Of the ones essays that stood out, were about the experience singing in NY with the Bay High Choir. As they sang the first note in a cathedral it seemed to shake with the echoing volume of their voices. At that moment she realized how blessed she was to grow up in a community where musical education is as much of a priority as athletics. One of her favorite experiences was at a District Finals game. Even though they did not win that game, they fought until the clock expired. The team also made a trip to W. Virginia for a team camp. She felt that without this off court time together, they would not have been the close knit team that we were; and they would not have done so well, finishing 2nd place in the Great Lakes Conference.

### Bay Alumni Foundation Activities

#### 2017 Distinguished Alumni Hall of Fame Award Nomination

The Alumni Hall of Fame Award was established in 1987 to honor those individuals who have realized great achievements and served their communities well in years after graduating from the Bay Village public schools. The next recipients will be honored over the 2017 Bay Homecoming weekend.

- Have participated in leadership roles within their community, and have demonstrated a concern for community relations.
- Have demonstrated, through word or deed, the importance of their education at the Bay Village public schools.

Once an Alumnus has been nominated, they will not be dropped from consideration for five years, provided they remain eligible according to the guidelines above, and have not been selected during that period.

#### Nomination Process:

Any individual who meets the following criteria may nominate former students for the award:

- Any member of BAF or its Board of Trustees.
- Any member of the school district staff, current or retired.
- Any graduate of Bay High School.

## Boosters Annual Membership Drive

The Bay Music Booster's Annual Door-to-Door Membership Drive will be held on the evening of August 17, 2016. Band, String, Choral students and the Rockettes, will be canvassing Bay Village asking for donations for the Boosters biggest fund raiser of the year!

The 2015 Booster donations helped support the music programs by purchasing sousaphones, a mellophone, additional marching band uniforms and new Show Choir dresses for the high school music students. Additionally for the Rockettes, we purchased new jackets and flags. For the middle school music students we purchased a bell set and are in the process of purchasing additional instruments. We also support the music programs by purchasing sheet music, paying for on-site clinicians, contest fees, instrument repairs, scholarships and provide needs based assistance to music students in the programs.

If you no longer reside in Bay or are not home the night of the drive but would still like to support the Bay music programs, please consider donating in one of two ways. You can use your credit card to donate [online](#). Donations [on our site](#) can be securely submitted via PayPal. *"Scholarships" continued from Cover Page*

We read about another student who overcame adversity by turning to a sewing machine deconstructing and reconstructing Goodwill clothes making them into new fashions. Her friendships helped her shape fantastic memories of four years in Rockettes; and she believes that it's important not to conform, but to transform.

And we read about a student who walked into the halls as a freshman ... thinking he knew exactly what he wanted. But, then Bay High took his predetermined notions of who he thought he was ... and what he wanted ... and proceeded to forcefully rip all of those notions right out of him ... and laughed him in his face! He can never thank Bay High enough for that experience. Those at the school changed who he was more than any other figure or event in his life. Each year he stepped through the doors a completely different person than the last, and each year he was excited for how he would change again.

## TRI-BAY GOLF CLASSIC 2016

This year's 16<sup>th</sup> annual Tri-Bay Golf Classic was our most prosperous and successful event ever and topped last year's event! With 220 golfers, our second most attended outing, only exceeded by last year's 236! The cooperating weather was simply the best. We had 55 groups tee off on Friday, June 10 at Sweetbriar Golf Course in Avon Lake. We netted over \$12,700 which generated approximately \$4,000 (a net profit record) for each of our host groups: the Bay Alumni Foundation, the Bay Village Education Foundation and the Bay Rockets Athletic Boosters. A very big thank you goes out to all of our golfing participants, sponsors, donors, advertisers and, of course, our wonderful volunteers!

A great golf committee, very thoughtful planning and a terrific golf course made the day a really enjoyable one for all the participants. It was, in essence, again a "perfect day" with the weather, the offerings, logistics and many prize chances made the day grand. It's always been very nice to see the many alums and friends gather for our annual golf fund raiser. The Tri-Bay, year in and year out, continues to be the very best golf event of the summer!

## Where Are They Now and Who's Doing What?

### A Series of Interviews with Alumni:

**Noel Bassi Joyce '73**

**When did you graduate?** 1973

#### What activities were you involved in at Bay High?

Moved to Bay Village in December of my junior year and felt great pressure to get involved as much as possible so I would truly feel a part of my senior class by graduation. I played flute & piccolo in the band, served on Student Council where I met Colleen Joyce (who introduced me to her brother, & my future husband, Kevin '71). I became friends with neighbor, Cheryl Danielson, who cajoled me into trying out for Rockettes. Being a Rockette was a great way to meet people & have fun during football and basketball seasons.

I also took my first job that year at Dairy Queen with several other Bay grads. I love my memory of marching on the football field with the Rockettes when a little boy in the front bleacher yelled out, "Hey! There's the Dairy Queen!"

#### What did you do after high school?

Attended Vanderbilt University and CWRU for BS & MS in Nursing, & Art History minor. I worked at University Hospitals' SICU & Cardiac ICU as a staff nurse & nurse clinician/manager.

#### Our Warmest Sympathies to the Families of...

#### Do you have fond memories of high school?

I loved Bay and my friendly classmates. My only regret senior year, was that I stayed home to study for a test the night my friends snuck out to finish painting "Class of 73" on the concession stand roof, and missed the "adventure" of getting arrested with all of them!

#### Where do you live now and what are you doing?

Married to Kevin for 37 years with 4 children & one grand baby! Developed & ran "Meet the Masters", an art appreciation curriculum for grades 1-8 at our kids' elementary school. Chaired the West Side Walk to End Alzheimer's x 2 years & volunteer for the Alzheimer's Assoc. CLE chapter & with a local memory care assisted living community. I love to garden, bike, & read. We returned to Bay Village about 11 years ago. It's good to be back to such a great community!

*"Music" from cover page*

Other performances in the spring included the pit orchestra performing for the BHS production of the Wizard of Oz, the BHS Jazz Ensemble performed a show at Vosh nightclub in Lakewood, the Middle School Jazz Band, Jazz Ensemble, the Stage Band, Honors Quartet, Choraleers and the Rockettes performed wonderfully at the BMB Annual Ballroom Blitz and all groups finished out the year with their spring performances.

Per tradition, the Bay Rocket Marching Band closed out the year by marching in the Bay Memorial Day parade and performing music at the cemetery ceremony that recognized our military vets. The middle school band participated in the Memorial Day ceremony at the Bay Gazebo.

The Bay Music Boosters awarded three Senior Scholarships this year. The one time \$1,000 scholarships are awarded to deserving seniors who are continuing their education in music. This year the scholarships were to Rachel Boggess who will be studying Music Therapy at the Berklee College of Music in Boston, Claire Reid who will be also be studying music education at Arizona State in the fall, and Matt Szekely who will be studying Music Therapy at Kent State University. Congratulations to them and good luck!

Marching Band camp begins at the end of July. The scheduled shows to be performed this upcoming season are AC/DC, the Beatles, early Rock-n-Roll and the annual Senior Show. Hope to see you at Bay Memorial Stadium for one of the performances!

The small building on the left side of the large building (which is now Martin's Deli) was the Bay Sweet Shoppe located at 332 Bassett Road. This photo is from the early 1940's and sometime after that my grandpa Bob and great uncle George sold the Sweet Shoppe because they went into the service.
