Message from the President

Over the past several years the Bay Alumni Foundation has awarded three scholarships to deserving seniors from Bay High. One of the things we asked from them was to tell us what they knew about the Alumni Foundation and how we could be better at connecting with people their age. One of the recurring thoughts from Bay High seniors is to offer more Scholarship opportunities. This year, along with Bay Alumni Scholarship, the students can apply for the Rich Voiers Scholarship, and a joint scholarship with the Village Project. I would say one of the best ways to “Pay it Forward” as a proud alumnus is to help contribute to one of these scholarship offerings. As with any contribution to a non-profit organization, it is 100% tax-deductible. I also want to say “thank you” to John Gross the alumni treasurer, who at the end of 2016 will be retiring from his duties as treasurer. His replacement will be Judy Krueger a 1966 grad. I thank both John and Judy for helping make this Bay Alumni Foundation a place of tradition and integrity. But above all, and as always, Go Rockets!

Thanks For Staying Connected,
– Lee Rohlke ’78, President of BAF

“In My Day”–A Video of BAF Members

Your BAF has initiated a series of videos capturing memories from BAF members from their time in Bay, and specifically their years at Bay High School. The series is called In My Day and is accessible from the BAF web site or the BAF Facebook site. When using the web site, scroll all the way down on the landing page and you will see the first video. Once you click on that video you will be able to access many more. We have had wonderful participation, with graduates from the 1940’s classes all the way to present day. Some of the memories and stories will surprise you for sure. This information is timeless and entertaining. Our goal is to try to produce a new set of videos every two weeks. If you know of a group that would be interested, please let us know. Thank you to all those who have participated.

Class of 1987 30th Reunion is at CYC on July 8, 2017. Contact Diana DiVenere Lee at baylees4@gmail.com with questions.

Class of 1954 Reunion Once again August rolled around and the Bay High Class of 1954 had their annual class reunion. This years theme was “Toasting Our Dreams To The Future”. There were 17 folks attending. On Friday 11 of us rode back in history and traveled on the Goodtime III up the Cuyahoga River to see the changes that have happened. For some on this trip it was the first time in 40 plus years that they were so close to the river and the old flats. What changes our old eyes saw. All for the good. Then we ate at Merwin’s Wharf for lunch. Back in 1954 you wouldn’t even have thought to sit next the to river and eat lunch.

On Saturday all gathered in Vermilion at Tom and Diane Krukemeyer’s 10 star condo for an afternoon of fun, food, and great conversation. The weather was perfect and Lake Erie was glass smooth. Of the 17 there, 12 were of the graduating class. Five of the 12 were in the first ever Kindergarten class traveling all the way through high school. Even today, they still write, call, email, and see one another throughout the year.

When reading the names in the class picture, note that of the 12 there, there are three couples in the group that graduated together. Talk about folks staying together, some in this class go way way back in time.

Calling All Reunion Organizers!

Often, it is not the graduating president or class rep that takes on reunion planning. Many times the class rep has moved away and someone in the class who lives in the local area takes on the reunion. BAF wants to be connected with reunion organizers. When planning your reunion, BAF can provide a class list with contact information to you. Please remember to send us an updated contact list, especially emails, after you have completed your reunion planning so we can keep alumni informed of BAF news and activities.
