

## Message from the Treasurer

We have made it through the winter of 2018. It was brutal at times but amnesia sets in as the days get longer and the sky is that brilliant blue we all love! Like always, we had days that were nine degrees mixed with days in the 50s just to keep us hopeful! The year 2018 sounds like a science fiction movie to some of us who graduated in '66 because thinking about being around in a year that started with a "2" seemed impossible! Am I getting old?

The Alumni Foundation has seen a lot of changes this year. Lee Rohlke ended his three years as President in December. Lee worked tirelessly and leaves a legacy that will be hard to follow. During his tenure as the leader, we have accomplished a lot. We are all proud of our renewed close relationship with the schools and the city. We funded the new sign in front of the high school, had two floats in the homecoming parade, helped support the athletic department and the list goes on! This group has benefited from Lee's unique position in the community. Lee graduated in '78, he and his wife live in Bay, they put six kids through the Bay schools, and he has spent countless hours at school events and meetings! We are grateful for his leadership and vision and we will continue to rely on him as an active member of the group. From all of us...thanks Lee!

Paul Hartranft is newest member of the Board of Trustees of the Foundation. He was elected at our December meeting and we are very happy to have him join the governing body of the group. He is a lifelong Bay resident and he and his wife raised their family in Bay. He has been active in the Foundation for decades and is also active in the Bay

## Bay Village History

### Henry and Marie Hagedorn House: 600 Bassett Rd

The former Hagedorn house at 600 Bassett Road was built in 1908. According to "Bay Village: A Way of Life," and a family history generously provided to the Bay Village Historical Society by Hagedorn descendent Janet Marie Toensing, the first Hagedorns to come to Dover were Henry, Katherine and their five children who came from Hanover, Germany, to America around 1852. They bought 30 acres of land at 603 Bassett Road and began farming.

The family attended Trinity Lutheran Church, on West 30<sup>th</sup> Street and Lorain Avenue in Cleveland. They walked the 15 miles from Bay Village to Trinity Lutheran every Sunday, taking a lunch basket with them and returning in the evening. In 1858 they helped organize St. Paul Lutheran Church (the third oldest congregation in Westlake). In a search of Cuyahoga County recorded documents, it was a "George H. Hagedorn" who purchased 40 acres from Caleb Eddy in 1856, including the future site of 603 Bassett Road. The spelling of Hagedorn appears to have been somewhat fluid in these early years and it is reasonable to assume that Henry Hagedorn and George H. (Henry?) Hagedorn are the same person.

It was this man's grandson Henry who purchased 6.17 acres of land from David Sites for \$500 in 1897, and eventually two additional parcels of 6.17 acres each to create an 18.51 acre farm at what would later become the southwest corner of Bassett Road and Ashton Lane. It was on this land in 1908 that Henry and Marie Hagedorn constructed the home that is the subject of this article.

## Bay Alumni Madness Results Are In!

The second annual alumni fundraising bowling tournament was held at Bay Lanes on Saturday January 27<sup>th</sup>. The event raised over \$1,000 for scholarships that will be presented at the Kiwanis Academic Achievement night in May. There were approximately 60 people at the event with 41 bowlers. The others were there as donors to cheer on their classes. Many felt the memories immediately as they walked down the passageway to Bay Lanes with fond bowling memories as they walked in.

It appears that the return bowlers did not practice much from last year as the average score of all bowlers was 106 this year, down from 133 last year. The scores ranged from 51 to 188. Not quite Bay High bowling team caliber, but everyone had fun.

The contest pitted each class year against each other for the total pin contest so just like school, attendance counted. We had 18 classes participating or donating from the Class of 1962 to 2012.

The Class of 1975 defended their Rocket Pin title with most pins (1,878), followed by the class of 1966 (1,206) and class of 1977 (1,179).

The Class of 1966 won the King Pin contest as they edged out the class of 1975 for most funds raised by \$4. The class of 1977 was third.

## Field of Dreams

### Phase III: Rockets Renovation "Field of Dreams"

As we prepare for the next steps, the goal of phase III will be to construct a building in the south end of the stadium. This plaza will be a gathering place for fans before and during the game, a facility that will continue the aesthetically enhance the property, and be a building that will create a sense of pride for our athletes, fans, and the community.

Bay Schools in partnership with the Bay Rockets Association and the Bay Alumni Association has identified the following critical improvements that this campaign endeavors to fund. These include:

#### Construction of a plaza at the south end of the stadium

- Concession Stand
- Restroom Facilities
- Visitor Team Room
- Concession Stand Storage
- Home Team Room
- Additional storage and mechanical rooms

This approximately 4,000 square foot building would provide tangible benefits to our student athletes, coaches, and spectators. In addition, it also demonstrates Bay Village's commitment to high standards. Our constant pursuit of excellence in all aspects of our school and community life attracts people to Bay Village and increases community property values. This investment honors our proud tradition and serves as an investment in the community's future.

## Winter Sports Highlights

The Bay High School Winter Sports Teams continued to excel on the ice, on the mat, in the pool, and on the court.

For the third year in a row, the hockey team lead by first year Head Coach Ian Skacan, qualified for the Baron Cup.

The wrestling team, for the third consecutive year, won the Great Lakes Conference Championship. In addition, two wrestlers qualified for the O.H.S.A.A. State Wrestling Tournament at the Ohio State University. Senior Connor McCarty (112 lbs.) qualified as an alternate. Junior Matthew Cover (195 lbs.) placed 3rd earning All-Ohio honors. This was Covers second consecutive year to make it to States. Cover also earned Great Lakes Conference "Wrestler of the Year". The Wrestling Team is coached by Ryan Cover. Coach Cover earned Lorain County coverage "Coach of the Year" honors.

The swimming and diving team qualified one diver and two swimmers for the O.H.S.A.A. State Swimming and Diving Championships in Canton, OH. Senior Mara Kinsey, who qualified for the second year in a row, placed 19th in the State Diving Meet. Sophomore Maja Miedza, who qualified for the second year in a row, placed 10th in the 50 meter Freestyle and earned All-Ohio honors. Senior Colin MacMillan placed 3rd in both the 50 meter Freestyle and the 100 meter Butterfly, earning All-Ohio honors. MacMillan became the first swimmer in the history of Bay Swimming to make the podium all four years of his high school career. The Swimming and Diving Team are coached by Head Coach and Bay Alumnus, Kelley Knaack.

The girls basketball team, led by Head Coach Brian Hill, were crowned District Champions. This was the first time the Girls Basketball Team made it to the Regional Semifinals since 2006. Junior Maddie Edgerly also earned Honorable Mention All-Ohio honors.

The boys basketball team, led by Head Coach Jared Shetzer, was crowned Great Lakes Conference Champions and District Champions. Finally, the team advanced to the Regional Finals for the second time in three years. Senior R.J. Sunahara was crowned Great Lakes Conference "Most Valuable Player". Rockets upset #2 Columbus Beechcroft 67-59 in the regional semi-final. In the regional final, the Rockets lost to Lexington 65-64 as a putback rolls off the rim at the buzzer. What a season!

## Board of Education Selects Next Superintendent

The Bay Village Board of Education has hired Jodie Hausmann, Superintendent of Perkins Local School District in Sandusky, Ohio, to replace the district's current superintendent, Clint Keener, when his retirement becomes effective August 1.

Hausmann has served as superintendent at Perkins since 2015, where she led a strategic planning process engaging more than 100 of the district's stakeholders. She collaborated with community members for passage of an operating levy and permanent improvement renewal levy after a long district history of failed ballot issues. Under her instructional leadership, grade-level Value Added scores for the district moved from failing to straight A's in one year, earning the Ohio Department of Education's Momentum award for two years.

Before superintendent at Perkins, Hausmann was Director of Teaching and Learning for the Parma City School District for four years, where she had previously served as an elementary school principal after teaching in that district in the elementary school. She holds a Bachelor of Science degree in Elementary Education from Cleveland State University, a Masters in Technology degree from Baldwin-Wallace College, and received her superintendent licensure from CSU.

"Bay Village has been a district of excellence for many years and has a strong, rich tradition of success," said Hausmann. "I admire the community's support of its schools and its hometown values. It is clear that the staff is dedicated to providing an exemplary education by ensuring all children's needs are met. My time attending Bay Village school athletic events, the Snoball Run and the interview process affirms for me that children are Bay Village's first priority. It is my honor to be chosen as the new superintendent."

Hausmann said she and her husband, Mike, will be looking for a home in Bay Village. "We are very impressed with the natural beauty of Bay Village," she said. "We love the local focus on the arts, and we look forward to becoming a part of the community."

## Courtyard Beautified By Students, PTA and Community

Bay High students are enjoying a beautiful new courtyard experience thanks to student artists, who added a fountain, benches and a sculpture. Bay High PTA and Community members also contributed to help students and to honor long-time secretary, Marjorie Heldt, who died in January.

### State Championship "Coach" Remembered

Isam W. Massad "Coach" age 87. Loving father of Wade (Amy) and Margo (fiance – Brian Roman) Massad; dear grandpa of Morgan, Mack, Bess and Bree; brother of Peter and the late Winifred Whitten and Souhail Massad; former husband of Diane (nee Patterson). Coach attended American University in Cairo and was a 1964 graduate of Kent State University and taught in the Bay Village Schools for 26 years. He launched one of the most successful boys' soccer programs in the State of Ohio winning state championships in 1972, 1991 and 1993. Coach Massad touched many students ("smelly monkeys") through his teaching and coaching in the Bay Village Schools. Passed away Monday February 19, 2018. In lieu of flowers, the family suggests memorial contributions to Baldwin Wallace University, Massad Family Scholarship Fund for the benefit of students with financial needs, Attn: Pat Dunlevy, 275 Eastland Rd., Berea, Ohio 44017.

### A Word from Alums

**1966 Susan Muzik Bussmann**, "I would like to say thank you to my classmates for being so nice to me. I went to seven schools in 12 years and BHS embraced me. When I ran around like a madwoman at the reunion last year and got all the kids up for a photo of everyone that had gone to Bay since kindergarten, I was amazed to see it was most of the room! I realized how nice they were to someone who popped in for the last 3 years.

**1975 Cristine Marco Hoffmann**, "I would like to thank everyone who came out to support the Bay Alumni Madness as well as to Karen Obester Adams '75, Bill Smith '71 and Eve Ershek Uhland '76 who helped with this event. Your contributions help the Bay Alumni Foundation participate among other leaders in the community at the Kiwanis Academic Award Ceremony. This year the Foundation will fund two \$1,000 scholarships each given to a female and male senior in May for their essay describing their memories at Bay High.

### Sara Ziemnik '95 Named the 2017 National History Teacher of the Year

Sara Ziemnik '95

The Gilder Lehrman Institute of American History is pleased to announce that Sara Ziemnik of Rocky River, Ohio, has been named the 2017 National History Teacher of the Year. Ziemnik was honored at a ceremony at a private club in New York City on November 8, where Pulitzer Prize-winning historian Eric Foner presented her with the award and a prize of \$10,000.

“When it comes to classroom instruction and content delivery, Sara Ziemnik is a master at her craft,” says Robert Winton, principal at Rocky River High School, “students are engaged through Socratic Seminars, role-playing, and other creative ways to relay historical events to high school kids. An item that isn’t normally measured by national or state mandated evaluation models, is the ability to develop and maintain relationships with students. She is able to teach rigorous content and hold high learning expectations all while keeping a smile on her students’ faces.”

Ziemnik has taught American history and world history for seventeen years at Rocky River High School, where she encourages her students to learn from one another, centering her classroom around debate, discussion, and inquisitive learning. “My students have the responsibility as American citizens to form their own opinions,” Ziemnik says. “Nothing makes me prouder or happier than a classroom full of voices—sometimes arguing, sometimes questioning, and always developing a unique identity and sense of self as Americans.”

In addition, Ziemnik deploys digital tools and works with the local community to bring the past alive for her students, including creating

content for Cleveland State University’s “Cleveland Historical” app, where students can explore Cleveland history via interactive tours. In a project aligned with the app, her students create documentary projects on Cleveland history where they dig through local archives, conduct interviews, and view the story of their city as a microcosm of American history.

Engaging and inspiring students in American history education has never been more important. As the 2017 National History Teacher of the Year, Ziemnik will serve as an important ambassador for the teaching community and thought leader on the importance of high-quality American history education for all, particularly students from underserved communities.

In addition to the national award, the Gilder Lehrman Institute annually recognizes a first-rate history teacher in every state and US territory. Winners of the state awards receive \$1,000 and an archive of books and resources for their school library, and become finalists for the national award.

Sara was involved in the music program at Bay High and has great memories from musicals, band and orchestra with Mr. Day and Mr. Blackiston. When asked about her favorite teachers and subjects, she exclaimed, “my favorite were the subjects that I understood the least! Mr. Ule’s chemistry, Mr. Wagner’s Physics class, and Mr. Chadwick’s pre-calc. They really showed me how to be a patient teacher. I also loved Ms. Coolidge and she really taught me how to write well.”

Sara enjoyed softball, cheerleading, and volunteering through the Laurie Wilder Fellowship and student council.

She graduated from Miami University where she was President of her sorority. Sara received her Masters Degree in History from Cleveland State University. Sara and now lives in Bay with her husband, Matt Ziemnik, BHS graduate, Class of '94. They have two children, Jackson, age 10 who attends Westerly and Emery, age 8, and attends Normandy.

*"Alumni Madness" from cover*

On the individual level, there was a roll-off at the end of night for the honor of the top bowler and let's just say the bowlers that have the best shot of improving the most. There were exciting roll-offs in both categories. In the top bowler category Van Peplin '78 edged out Bill Hill '77 and Mark Gastos '75. In another category Diane Williams Traxler '74 survived over Val Kent Koehler '72 and Linda Batovsky '80.

**Other highlights:**

- Classes with best averages: 1970 (129); 2011 (128) and 1977 (127)
- Bill Hill '77 had the high game of 188
- Van Peplin '78 had high series 345 (2 games)
- Anne Marie Peacock '66 had high game for women 152
- Jessica Parsons '91 had high series for women 282 (2 games)

**Lost Your Yearbook?**

The high school principal informed us that lots of old yearbooks are just collecting dust! The Alumni Foundation has done an inventory of yearbooks in storage at Bay High and available to you for \$15.00 (plus shipping if you are not local), you will be able to bring back all of those wonderful memories of times past.

We have yearbooks from most years 1975–2011. They are available first come first serve. So order right away before they are gone! Quantities vary. Some years we only have a few copies but some years we have over 20 copies.

Interested? Please send an email to: [bayalumni@att.net](mailto:bayalumni@att.net). Tell us the year you are interested in, your address if you need the yearbook shipped, and we will get back to you with availability and total cost including shipping. Payments can be made via check or PayPal and you'll soon be travelling down memory lane! Once these are gone, they're gone! So let us know ASAP!

Please note: If you know of the death of a Bay High Alumnus, please email BAF President Lee Rohlke '78 at: [bayalumni@att.net](mailto:bayalumni@att.net) with the date of his/her death and what class year they graduated in. The only way BAF finds out about the death of one of our Alumni is from our Alumni community and someone letting us know. Thank you!

# Bay Alumni Foundation Activities

*"Message" cont'd from cover pg*

Historical Society. As an Auxiliary Policeman for years, Paul has been an important part of Bay Village for a long time. We are grateful for his perspective and continued support.

I am pleased to announce Dave Waltz, class of '66, has been elected President of the Bay Alumni Foundation effective March 15, 2018. Dave and his wife are both Bay graduates, have lived in Bay their whole lives, and watched their six kids go through the Bay schools. They now have grandchildren in the Bay schools so their connection is still going strong! Dave is the announcer at the home games for football, soccer, basketball, and hockey so you've heard his voice if you've been to any of the games. Dave has pride in being a lifelong Rocket! Welcome Dave!

Jim Joyce was been elected Vice President of the Foundation. He and his wife Peggy have been active members of the group and have worked behind the scenes on nearly every project and function. We are grateful for his willingness to take on this new responsibility!

Graduation is a busy time for the Foundation as we get ready to welcome the newest alumni to our group! Our scholarship committee is reviewing applications for the scholarships that will be awarded in May. Thanks to your generosity, we will award two \$1,000 scholarships this year. Such a wonderful legacy and proof of how generous and loyal our alums continue to be!

We are working with the committee responsible for the Field of Dreams Phase III. We will help with the fund raising for this very important and overdue building campaign. Bay has been using the same concession stand since the 70's and the restrooms are hard to describe. We need locker rooms near the field so the athletes, coaches, band members, and emergency personnel don't have to walk back to the high school at halftime or during games if needed. Unlike back in the 60's when there was only one use for the football field, the stadium is now used for football, boys and girls soccer, boys and

girls lacrosse, track and field, band events and other community groups and sports use the facility. It is time for an update! We hope you will contribute when asked. In a city like Bay where taxes are high, I am grateful that the Board of Education is careful to use money wisely for instruction and building maintenance. The current administration is committed to having donors fund this project which will certainly benefit the city and schools for many years. We are grateful to all of you for your support of our organization so we can continue to help the students and schools in Bay.

Don't forget to contact us if your class is having a reunion this year. We can help with addresses, the Foundation has a tax exempt number you can use, we can help arrange for Saturday tours of the high school, and we may be able to give you some suggestions for venues, etc. We are here to help!

*"Hagedorn" cont'd from Cover*

This purchase is not surprising in light of an article that appeared in "Believe It or Not" by Ripley in a Cleveland newspaper in the late 1930s: "On Bassett Road in Bay Village, Ohio, within a distance of 400 feet are the homes of nine families of Hagedorns. There are five men Hagedorns and four women whose names were Hagedorn before they married." Henry and Marie contributed to this phenomena, according to the family history, because upon the marriage of their three children, each were given a lot on Bassett Road where they built their homes.

The Hagedorn history book provides a glimpse into the lives of the family on Bassett Road in the early to mid-1900s:

Henry and Marie raised strawberries, raspberries, blackberries, apples and grapes on their farm along with potatoes and beans that they dried and hay for their horse. In addition to their horse, Katie, they always had a cow, a pig, and chickens. Every Saturday night one of the chickens was butchered for their Sunday dinner. They made their own wine from their grapes.

Marie baked fresh bread every Saturday and was well known for her apple and cheese strudels as well as her raised donuts on special occasions. She also spent time canning fruits and vegetables for winter.

When not working on the farm or in the kitchen she could be found reading her Bible, embroidering a pillow case or dresser scarf or putting a crocheted edge on one of her embroidered items or a hankie. Besides having her vegetable garden she always had beautiful flower gardens.

Henry was always busy on the farm. In the summer he would take his truck into Cleveland to pick up city kids to pick berries on the farm. About a dozen or so would ride in the back of the truck. After picking

the berries all day he would have to take the kids back into the city, catch a few hours sleep and then around midnight would have to take the berries to the farmers market in Cleveland where grocers would buy the berries for their stores. He would get back home between 3 a.m. and 5 a.m. This was done every Monday, Wednesday and Friday.

Marie always had to have gingerbread cookies for Henry. He would take the cookies, put butter between them and that would be his sandwich for lunch. He always worked hard so those cookies never put an extra pound on him.

Henry came from a very large family. Almost every Sunday, especially during the summer, one of his brothers or sisters and their families would be waiting at their house when they came home from church. Because no one had phones they did not call ahead. They just came out from Cleveland by bus if they did not have a car. Of course, this always meant company for that chicken dinner and custard pie.

During the summer Sunday afternoons were spent visiting with relatives or friends on the white bench under the big ash tree in their back yard. Most of the conversation was in German.

Henry and Marie along with their children and their granddaughter, Carol Hagedorn, who died at age 11, are buried in St. Paul Lutheran Church Cemetery, Westlake, Ohio.

After Marie died in 1957, the home was inherited by their three children and sold in 1959 to Richard and Dorothy Gunton. The Guntons sold it to the current owners in 1975. The home was just certified as constructed in 1908 and plaqued by the Bay Village Historical Society at the request of the current owners in 2015.
