Message from the President

By the time I was in 6th grade (1959) I already knew Bay Village was a special place. We were "Bay." We lived by a Great Lake. On Friday nights, even though I lived over a mile away, I could hear the marching band warming up. I knew that names like Rekestis, Robinson, Newell, Bolling, Lunden, Pecoraro would be called out as the Rockets did Bay proud. The marching 100 filled the field and the air. A cute cheerleader nicknamed "Tootsie" would smile and wave at me. "Life was special!"

Now is the time to share that "special" feeling, that you once felt, with a young person. Take your child or grandchild to a Bay High event. Sports are great, but so are music (instrumental or choral), theatre and art. The influence of those senior high school students over the younger generation is astounding. You would be helping to form the next generation of Bay High Alumni.

While you have that momentum in your favor, consider the next important step in Bay High History. Make a choice, and find your way to support Phase III of the Field of Dreams. This project rounds out an already terrific facility. A whole new generation of young people will walk tall and proud in the Blue, White and Red. Help them experience the magic that is One Rocket Nation. Go Bay!

Tri-Bay

Thank you everyone for playing in the 2018 Tri-Bay Golf Classic. We had over 200 golfers again this year for the fourth year in a row!

Somehow the rain held off, and after a few weeks of tying up loose ends we are pleased to announce that the total funds raised from the event are just over \$15,000! Pending a few final incoming payments it is looking like we will be giving a \$5000 check to The Bay Alumni Foundation, The Bay Village Education Foundation and the Bay Rockets Athletic Boosters.

I would be remiss if I did not take the opportunity to acknowledge the unwavering support of our ever-loyal participants, golf committee and volunteers. We cannot thank you all enough for allowing the Tri-Bay to be a premier annual event.

Standings

1st place for the men: (-16) team of Hofelich.

1st place for the mixed team: (-16) team of Smith.

1st place for the womens team: (E) team of Jones.

1st place for the all-Bay Alumni Team: team of St Vincent.

The individual 'special play of the day' winners

Homecoming 2018

Homecoming is September 21 this year. We are excited that three classes are having reunions that weekend: 1968, 1998, and 2008. We hope a large group from each class will attend the football game and participate in the Homecoming festivities. We encourage all alums to join us Friday for the parade and game. The Alumni Foundation provides a float (or 2 if needed) for alums to ride on during the parade. We have fun throwing candy and small toys to kids along the parade route! The parade begins at 5:45 pm at Cahoon Road and proceeds down Wolf Road to the stadium. We encourage anyone who wants to ride in the parade to park their car at the high school so you have it when the game is over. We provide a shuttle bus that takes parade participants from the high school to Cahoon Road to line up and find the float. The shuttle will pick up riders at the canopy entrance at the high school beginning at between 4:45 and 5:30 pm. An alumni section will be roped off in the stands at the game so you can find your classmates and sit together! Look for the Alumni Foundation tent at the south end of the stadium and please stop and sign in so we know you're at the game. The names of those attending will be announced throughout the game! Homecoming is a great time to connect with your roots. Go to the parade and watch the Rockets band and cheerleaders and football team. It's always a fun evening!

Bay Village History

The Cahoon Homestead House, Rose Hill Museum, Turns 200 Years Old

Rose Hill is pictured in one of the oldest photos on record of the Cahoon family farmhouse, circa 1890.

In 1818, Joseph Cahoon and his son, Joel, using a simple carpenter's manual, built the Cahoon homestead house on the west hill above Cahoon Creek, in the style of the gristmill that sat below in the valley. The house contained four rooms up and four rooms down with double-sided lake stone fireplaces in the middle of the four rooms down.

The walls were built of strong oak trees and the floors were poplar. The stairs wrapped around the fireplace on the north side with steps to the upstairs rooms. The basement, open to the east, housed a large stone fireplace for cooking and processing meats. The walls contained white oak lath sprung between the joists. The plaster was horsehair and the green tree plugs, heated and pounded into the beams and then allowed to cool, replaced hard-to-find iron nails.

In 1845, Joel, having inherited the farm from his father, brought his family back to Dover Township. He added a south wing which contained a wood-burning stove and keeping room. In 1910, Ida, Laura and Lydia, Joel's daughters, having retired from teaching to the farm, built a room onto the east end of the house to celebrate the 100th anniversary of the Cahoon family arriving in Dover Township.

The 7th Bay High School Athletic Hall of Fame

The Bay High Athletic Hall of Fame is proud to announce the introduction of the Class of 2018. These Rocket Legends will take their well-earned place in Bay Athletic history over the course of Labor Day weekend.

Joining out past honorees in the Hall of Fame:

1977 Cross Country Legend Mike Schinski
1981 Wrestling Star Del Creps
2002 All-American Goalie Mike Jelenic
2003 Undefeated State Champion Tennis Player Lara Maurer
2008's 12-time letter winner Katie Kinkelaar.

In addition to these individuals, the Hall of Fame is proud to induct and honor the members and coaches of the following State Championship teams:

1991 and 1992 Boys Cross Country Teams
1993 Boys 4 x 800 Relay Team
4 members of the undefeated Back to Back 1993 and 1994 Girls State Champion 4 x 400 Relay Team.

If you would like to congratulate these honorees, please join them pregame, Friday, August 31st at the Bay Lodge from 4:30 to 6:00 pm, or at the Bay Memorial Stadium pavilion from 6:00 pm to the kickoff of the home opener for the defending GLC Champion Bay Rocket Football Team.

After the inductees are introduced at the game, they will return to the Bay Lodge post game to greet past and current members of the Rocket Nation.

The induction ceremony and dinner will be held on Saturday, September 1 at The Fountain Bleu in Avon Lake. Please join the festivities and get a chance to honor and hear from all these great athletes. The event begins at 6:30 pm, and tickets are on sale for \$60. Please contact Keri Alteri at keri.altieri@bayschoolsobio.org or visit www.bayathletics.org for additional information or tickets.

Bay Music Boosters Upcoming Year

The Bay Music Boosters supports Bay Village City Schools instrumental and choral musical activities in grades 4–12. The Boosters supplement the district's investments in outstanding school music programs by raising funds and providing volunteers. BMB welcomes Bay High alumni to join us in supporting the award-winning music program (annually recognized by the NAMM Foundation as a "Best Communities for Music Education" since 2003).

BMB raises funds to purchase instruments, concert dresses, blazers, tuxedos and uniforms, food for the band at band camp and football games, clinicians to work with all of our music students, and to commission new music. In addition, BMB volunteers assist with fitting performance attire, chaperoning trips, and organizing our fund raisers.

Each year, the Bay Music Boosters supports two major fund raisers. The Music Booster Membership Drive took place this year on August 13. Orchestra, choir and band students canvassed the city inviting residents to become members of the Music Boosters. We are always overwhelmed by the generous support from the community for our music program. Thank you.

BMB would love to see Bay High alumni at the other BMB fund raiser, the Ballroom Blitz. The Blitz is a fun night of dinner, dancing to the music of the district's jazz bands, and silent auctions. This year's Blitz will take place on Saturday, May 4, 2019.

Before then, we'd love to see you at football games and the Varsity Concert. The 180-member Bay High "Rocket" Marching Band and Rockettes will open up their season on August 24 at Keystone with the music of Earth, Wind and Fire. Music from all of this year's shows will be featured at the Varsity Concert on October 29 at Bay High School. Proceeds from the concert will benefit the next phase of the stadium renovation. In addition, the marching band will perform at the Youngstown State football game on September 1 and at the North Royalton Band Festival on September 15. Alumni also are invited to the various holiday concerts in December, including the choral concerts with the famous "Singing Tree."

Finally, if you would like to help with any BMB events or need more information about the musical events coming up, feel free to visit www.baymusicboosters.com or contact BMB president David Johnson at (440) 835-2608 or teddergoldwin@aol.com.

"In My Day"—A Video of BAF Members

Your BAF has initiated a series of videos capturing memories from BAF members from their time in Bay, and specifically their years at Bay High School. The series is called *In My Day* and is accessible from the [BAF web site](#) or the [BAF Facebook site](#). When using the website, scroll down on the landing page and you will see the video. Once you click on that video you will be able to access many more. We have had wonderful participation, with graduates from the 1940's to present day. Some of the memories and stories will surprise you for sure. This information is timeless and entertaining. Our goal is to try to produce a new set of videos every two weeks. If you know of a group that would be interested, please let us know. Thank you to all participants!

Thomas F. Hill: BHS '46

The Leader of the Band and Westlake Legend Still Beloved by Demon Faithful

A night to remember for a teacher many will never forget at Westlake High School's 57th Annual Music a la Mode held Saturday May 12.

Now approaching 90, Thomas F. Hill started in Westlake Schools back in 1953 where he led bands at each and every school in the district. He founded such legendary Westlake music traditions as Music a la Mode, brought the fight song 'Stand Up and Cheer' to the school and helped arrange the school Alma Mater.

Mr. Hill, veteran music teacher, was presented with a distinctive commemorative plaque that will be displayed in Westlake Schools Performing Arts Center on the wall approaching the stage. The ceremony was held during the Music a la Mode cavalcade of Westlake performing arts excellence held each spring.

Mr. Hill, beloved by many for his influence, commitment and dedication over his long career, capped his honor by asking alums in the audience to stand and join in as he directed the singing of the Westlake High Alma Mater.

He also oversaw the high school choirs from 1968 to 1987. He was instrumental in starting up with Music Boosters in his first year in Westlake, and in 1956 he coordinated the first Music a la Mode, which began as an ice cream social.

At the 32nd Annual Music a la Mode, Hill was honored by a reunion of WHS band and choir alumni from 1957 through 1986. He was awarded the Westlake High School Distinguished Educator Award and inducted into the WHS Alumni Association Hall of Fame in 1995.

Upon his retirement, former band and choir students presented Hill with several awards, including reigning the Outstanding Band Member award to the Thomas F. Hill Award, and awarding the Thomas F. Hill Music Scholarship to an outstanding senior the study of music. Alumni also presented the high school with a BACH trumpet named the "Thomas F. Hill Trumpet" for use by the first chair trumpet student.

Mr. Hill is still revered at the sidelines of Westlake football games and was recently in attendance at the 2017 Westlake Homecoming Festivities. On the sidelines for the halftime show, many of today's band members came over to Mr. Hill to wish him well and share their gratitude for the excellence in the music programs that he helped found. He retired in 1987 but maintains an active interest in school music events. He even wore a circa-1980's green Westlake Music windbreaker at the game. He is also active with the Bay Community Band and Westlake Christian Church.

I want to take a moment to thank all of you who have had some connection to the Tri-Bay for the last 17 years. I am stepping down as the coordinator of the golf event and handing the reins over to Dan Lunoe. I have been proud to have been a part of the huge success of the Tri-Bay over these years. As I have said many times, Dan has taken me from the "analog to the digital" age with his business background and promotional and marketing experience. Under his guidance I am quite sure the Tri-Bay will continue its longstanding success as a major fund-raiser for the three groups.

Mark your calendar for next year's golf outing ... Friday, June 21, 2019 at Sweetbriar Golf Course. We look forward to seeing you 'tee it up' with us again!

Consider Bay Alumni Foundation in Your Planned Giving

Throughout the year, a common question asked of the Bay Alumni Foundation is whether we have a planned giving program. The answer is yes, and we would encourage all alumni to consider BAF as part of your plan. A gift to BAF will be tax free deductible because of our 501(c)(3) status as a non-profit organization. A charitable bequest is simply a distribution from your estate to BAF through your last will and testament. There are several options for the design of your bequest, and there are several opportunities to position your legacy through BAF. Additional details are on the [BAF website](#). Thank you for your consideration and support.

Bay Alumni Foundation Holds Class Funds

Class funds are held by the Bay Alumni Foundation for many classes and we want to be sure you are aware if you are planning a reunion or thinking about making a donation to the BAF for projects. The class rep should check with the Treasurer to find out how much is available. We are proud to offer this service. Many classes have funds left in their account after graduation so they give the money to BAF and we hold it for future use.

We currently have funds for the following classes: 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016.

Early Alumni, 1966, 1979, 1994, 1996, 1997, 1998, 1999.

Lost Your Yearbook?

The high school principal informed us that lots of old yearbooks are just collecting dust! The Alumni Foundation has done an inventory of yearbooks in storage at Bay High and available to you for \$15.00 (plus shipping if you are not local), you will be able to bring back all of those wonderful memories of times past.

We have yearbooks from most years 1975–2011. They are available first come first serve. So order right away before they are gone! Quantities vary. Some years we only have a few copies but some years we have over 20 copies.

Interested? Please send an email to: bayalumni@att.net. Tell us the year you are interested in, your address if you need the yearbook shipped, and we will get back to you with availability and total cost including shipping. Payments can be made via check or PayPal and you'll soon be travelling down memory lane! Once these are gone, they're gone! So let us know ASAP!

Field of Dreams

Phase III: Rockets Renovation "Field of Dreams"

As we prepare for the next steps, the goal of phase III will be to construct a building in the south end of the stadium. This plaza will be a gathering place for fans before and during the game, a facility that will continue to aesthetically enhance the property, and be a building that will create a sense of pride for our athletes, fans, and the community.

Bay Schools in partnership with the Bay Rockets Association and the Bay Alumni Association has identified the following critical improvements that this campaign endeavors to fund. These include:

Construction of a plaza at the south end of the stadium

- Concession Stand
- Restroom Facilities
- Visitor Team Room
- Concession Stand Storage
- Home Team Room
- Add'l Storage and Mechanical Rooms

This approximately 4,000 square foot building would provide tangible benefits to our student athletes, coaches, and spectators. In addition, it also demonstrates Bay Village's commitment to high standards. Our constant pursuit of excellence in all aspects of our school and community life attracts people to Bay Village and increases community property values. This investment honors our proud tradition and serves as an investment in the community's future.

"Cahoon House" from front cover

living room and two bedrooms on the second floor. The house stayed in the family until 1917 when Ida Cahoon passed away. In 1919, the Cahoon Will gave the house and property to the citizens of Bay Village. One of the stipulations of the Will was the house become a library or museum.

Mayor Walter Wright brought to the Cahoon Park Trustees the idea to give \$100 to the Paul sisters to organize a library in the farmhouse. In 1921, new Mayor George Morgan asked the sisters, Emma Paul Pope and Olivia Paul Bailey, living in their Cahoon house on the corner of Wolf and Cahoon roads, if they would start a library in the house. Using the Cahoon and Pope book collections, the sisters opened the Dover By The Lake Library.

When Julia Osborn Scott became the librarian and lived upstairs above the library, the staircase was moved to the south wall of the east front room. This remained the Bay Village Library until 1960 when the library moved to Dover Center and Wolf roads.

In 1960, the Bay Village Historical Society was organized. With the library gone, the homestead house sat empty. Members of the society placed artifacts from their own collections on the shelves and brought in furniture to decorate the rooms. On Sunday you could visit and have a tour of the first floor, viewing their artifacts.

In 1968, a group of young historians, Bob and Gigi Monroe, Gay Menning, and myself included confronted the society with the idea of truly making the house into a living museum. The historical society agreed and Bob and Gigi spearheading this move approached the city for money to remodel the house into a museum. Funds were procured and architects from Hale Farm were contacted for advice. Windows

were changed, doors removed and ersatz walls built to produce an easy walking tour flow on the first floor.

Rose Hill Museum opened in 1975 with mostly Cahoon and Aldrich artifacts. Louella Meyer and I made the first inventory of the museum artifacts. Whatever we had, we put out. We considered this a living museum and dressed it as it would have looked in the time period of each room. Today, it is more of a collection of items and not the style of the Cahoons. Some of our early greeters were: Jane Richards, Sue Tobey, Harriett Laverty, Jessie Hull, Sally Langner, Evelyn Allen, Jan Veverka, Marie Black, Brenda Gerbick, Paula Williams, Bonnie Ross, Sandy and Roger Pick to name a few.

At the same time, Gay Menning and I were finishing up the first written history of Bay Village which was distributed from Rose Hill. This book started a money flow to help us maintain the museum. The Antique Show was started and the first managers were Gigi Monroe and Gay Menning. Our helpers grew as we added new things to do like braid rugs, offer education classes, build a log cabin and have picnics. Homemade stew was made in the black Cahoon kettle in the valley. Everyone brought a side dish and we ate outside under the catalpa tree just like the Cahoons.

The homestead house has witnessed many changes over the years. At least 10 Cahoons have died there. The library brought the students from Parkview School and now the museum brings visitors interested in our town's history. Two hundred years later the house, Rose Hill Museum, contains an important collection of Bay Village artifacts and memories. It is a delightful visit.
