Message from the President

I love the lazy days of summer! Lake Erie is beautiful, we are surrounded by green and flowers, and it seems like the pace has slowed down. Bay Days is always nostalgic for me. This year, the rides and booths were moved to the paved parking area adjacent to the Community House because of the rainy spring and wet grass. I have to admit, I kind of liked it. I have such fond memories of Bay Days. I remember my dad cooking burgers

for the Men's Club, you saw everyone you knew, I was one of the Pocket Ladies for Preschool PTA when my kids were little, my friend fried donuts for the swim team booth, and now I go with my grandsons as it has become part of their 4th of July traditions. We are incredibly lucky.

Spring was busy for the Bay Alumni Foundation. In May, we cooked burgers and hot dogs for the graduating seniors on Field Day. Scholarships were awarded at the annual Kiwanis Club Awards Night. Each graduating senior received a BAF pin and a "Welcome to the Bay Alumni Foundation" letter in their graduation packets! Those newest alumni will be mailed this newsletter which will be their first Shoreline!

Next on the agenda is Homecoming weekend, September 19–21! This year we are proud to welcome new inductees to the Distinguished Alumni and Distinguished Educator Hall of Fame (look for their photos and write ups about each in this Shoreline). We will begin the festivities Thursday night as we participate in the Light the Night Walk in support of the Leukemia and Lymphoma Society and bonfire. This walk is

Tri-Bay

The 19th annual Tri-Bay golf outing was a success with 172 golfers! We raised \$10,000 that will be divided between the Bay Village Education Foundation, Bay Rockets Foundation and the Bay Alumni Foundation. The weather cooperated with sunny skies and just warm enough with no rain.

A Special thanks to all of our sponsors: Tide Dry Cleaning, Meaden & Moore, Bill Reilly Team Real Estate, Seeley Savidge, Ebert & Gourash, Katie Manos Real Estate, Waverly Partners, Bay Corp, Bay High Class of 1966, Squire Patton Boggs, UBS Financial – Larry Bricmont, Beardens Restaurant, Groundworks Land Design, Regency Construction, North Star Title, BMW Westlake, Union Capital Mortgage, Huntley LLC, McGorray-Hanna Funeral Home, HDS Marketing. Also a special thanks to all of the volunteers and participants.

The 20th Annual Tri-Bay Golf Classic will be on Friday June 12, 2020 at Sweetbriar. We hope to see you there!

2019 Bay Alumni Foundation Hall Of Fame

The Bay High School Alumni Foundation is proud to announce the names of the Distinguished Alumni and Distinguished Educators who will be inducted into the Hall of Fame during Homecoming weekend 2019. The Distinguished Alumni Hall of Fame Award was established in 1987 to honor those alumni who have realized great achievements and served their communities well in their years after graduating from the Bay Village public schools. The Distinguished Educator Hall of Fame Award was established in 1991 to honor educators who were employed in the Bay district for a minimum of ten years and have been recognized by the community, staff, students and/or parents as being a positive role model and whose extraordinary efforts made an impact on students and staff. Each inductee selected is a person of such integrity and stature that we all take pride in their recognition.

BAF receives nominations and the committee selects inductees every other year. Homecoming weekend is September 20–21, 2019. These inductees will be part of the parade, will be introduced to the community at the football game Friday night, and will receive their plaque at a brunch in their honor Saturday morning. Plaques are installed in the Hall of Fame corridor by the gym and auditorium at the high school. We encourage everyone to stop and look at the plaques and see all of the current members of this very impressive group!

Distinguished Alumni:

Bill Egan '64

Bill Egan '64: Bill Egan was a resident of Bay Village for most of his life and he touched the lives of most of the people in Bay Village at some time during his life. Bill served in the Air Force for two years where he was a surgical specialist. The experience led him to a job at Fairview Hospital where he was a surgical technician. In 1972, Bill joined the Bay Village Police Division where he was a respected Bay police officer for nearly 20 years.

During his tenure he was the Safety Town Officer, Community Relations Officer, taught Safety Education Programs in the Bay schools, and he was the AAA Safety Specialist through a federal grant.

When he left the police department, he became an Educational Aide at Bay High School where he also coached soccer and tennis. Many of us saw him often in his role as House Manager at Playhouse Square. He was a loyal classmate and friend. Bay Village was Bill's home and he shared his time and talent in our community. He will be missed but his legacy lives on.

Jim Hodge '70

Jim Hodge '70: Jim is proud and grateful that he grew up in Bay Village and for the superb education he received in Bay schools. He was president of his class as a sophomore, junior, and senior. He was a seven letter athlete where his leadership skills became evident. During a 30 year career at Mayo Clinic, Jim was privileged to work with four Presidents, numerous Senators and Cabinet members, Nobel Peace Prize winners, the Presidents and Prime Ministers of several nations, and for eleven years His Holiness The 14th Dalai Lama.

Spring Sports

Bay High School athletes had some historic performances this past spring. Boys Lacrosse Assistant Coach Ben Clemons was recognized as Ohio High School Lacrosse Association “Assistant Coach of the Year” and longtime Bay Village Lacrosse supporter and Bay resident, Charlie MacMillan, was recognized as the Ohio High School Lacrosse Association “Man of the Year”.

The Boys Tennis Team was crowned Great Lakes Conference Champions for the fourth year in a row. The team was also Northeast Ohio Tennis Association Division B Champions. In addition, junior Ben Anderson was awarded the GLC “Most Valuable Player”. The team was led by Bay alumnus, Ryan Haley, who was also named GLC “Coach of the Year”.

The Boys and Girls Track and Field Teams sent a relay team and two individuals to the O.H.S.A.A. State Track and Field Championships at the Ohio State University. The Boys 4x800 meter relay, consisting of Ivan Slyepkan (senior), Everest McKenna (senior), Jude Ault (sophomore), and Khaled Hamil (senior) placed 15th. Ivan Slyepkan placed 10th in the 1600 meter run. Finally, Chloe Rickson (sophomore) placed 9th in the long jump. Likewise, Chloe Rickson was voted GLC “Runner of the Year” and Kenna Johnston (sophomore) was voted GLC “Field Events Athlete of the Year”. The Boys Track and Field Team was coached by Scott Graham, Bay alumnus and the Girls Track Team was coached by Clare Brandt.

Girls Lacrosse had a historic season this spring. They were Regional Runner-up for the first time in program history. They also won 20 games for the first time in program history. Megan Young (sophomore) earned Second Team All-Ohio honors and Meghan Nasman (junior) earned First Team All-Ohio honors. The Girls Lacrosse Team was coached by Victoria Budzyn.

During the Bay High School Academic Awards Assembly, a special group of senior student athletes were recognized. Grace Frey (soccer) and Max Showalter (football, basketball, and lacrosse) received the Archie Griffin Sportsmanship Award. This was given to the top male and female athlete that displayed the highest level of sportsmanship, ethics, and integrity. The National Federation of High School Associations Award of Excellence was presented to Allison Sharpnack (soccer, lacrosse) and Ivan Slyepkan (cross country, track). This award was given to the student athletes that displayed exemplary sportsmanship, ethics, and integrity. The Ohio High School Scholar Athlete Award was presented to Ben Noren (cross country) and Grace Frey (soccer). This award was presented to a male and female athlete with the highest overall grade point average. The O.H.S.A.A. Courageous Student Award was presented to Haylee Duffy (soccer). Lastly, the Nelson Marks Most Valuable Male Athlete Award was presented to Cade Geryge (soccer, football, basketball) and the Most Valuable Female Athlete Award was presented to Maeve Johnston (soccer, basketball).

“Home for the Rockets” Rockets Renovation “Field of Dreams Phase III” Campaign

The Bay Village City School District in partnership with the Bay Rockets Association and the Bay Alumni Foundation has identified the following critical improvements that this campaign endeavors to fund. These include:

Construction of a plaza at the south end of the stadium:

- Concession Stand
- Restroom Facilities
- Visitor Team Room
- Concession Stand Storage
- Home Team Room
- Add'l storage/mechanical rooms

This approximately 4,000 square foot building would provide tangible benefits to our student athletes, coaches, and spectators. In addition, it also demonstrates Bay Village’s commitment to high standards. Our constant pursuit of excellence in all aspects of our school and community life attracts people to Bay Village and increases community property values. This investment honors our proud tradition and serves as an investment in the community’s future.

A group of supportive alumni, parents, and friends of the Bay Village City School District has come together to voluntarily raise funds to build this new complex to better serve students, parents, and the community. Potential naming rights options for the stadium, field, pressbox, and plaza building are available. To learn more about corporate and individual contributions contact Matt Spellman, Bay High School Athletic Director, at 440-617-7430 or via email at matt.spellman@bayschoolsohio.org.

Then and Now: Taking A Look at Bay's Sports Teams

A good corner lot, a hoop on the side of a barn, a sturdy oak tree, or a plowed acre of land became a playing field when a group of Bay boys came out to play. Until the new Parkview School was built in 1922, Bay had no athletic department. Pickup games were the thing of the day.

"Distinguished" cont'd from cover page

His 40 years in philanthropy included working with benefactors who contributed more than a billion dollars to Mayo Clinic and the University of Colorado. He has led or been chief strategist for building nursery schools, homeless shelters, equipping His Holiness' hospital in Darmasala, India and the list goes on. He is a nationally recognized expert in philanthropy and has given hundreds of keynote addresses, seminars, and workshops as well as a TEDx talk titled, "Shift Happens." What an amazing career.

Karen Kresge '66

Karen Kresge '66: Karen Kresge grew up in Bay Village when there were four elementary schools, the high school was at the corner of Cahoon and Wolf, there was no internet, no I-90, no cell phones, and no cable TV. She was the girl we all wanted to be ... beautiful, kind, smart, and nice to everyone. She was a cheerleader and homecoming queen. But that was only part of her story. Karen was also a talented figure skater. Most days she was up and on her way to skate and practice with her coach before 6:00 am and then home in time for school and after school activities. After college, we all watched as Karen's extraordinary career in skating began. She had a successful career as a solo performer, she has directed, produced, and choreographed ice shows and is a well respected judge and authority in her sport. Ralph Perk, Mayor of Cleveland, designated March 1, 1972 as Karen Kresge Day in Cleveland when she returned to her hometown for her 4th season with the Ice Follies as its Golden Girl of 1972. She has done personal choreography for skating royalty like Scott Hamilton, Kristi Yamaguchi, Robin Cousins, Brian Boitano, and Dorothy Hamill. She has inspired a generation of young girls to learn to skate and to follow their dreams. She used the lessons she learned in Bay schools, from the bonds that were formed during those years, to excel in her career and impact the lives of those around her.

Norm Mulder '67

Norm Mulder '67: Norm Mulder's life is a perfect example of the American Dream. During his years in the Bay Schools, Norm was not a great student, but he was always an advocate for the underdog. His life story is a masters class in how hard work and determination can change the world. After high school, he joined the Army and was sent to VietNam. He came home and went to work as a garbage collector, then was a firefighter/paramedic in Bay Village. While a firefighter, he launched Mulder Moving and learned to run a successful business. After selling Mulder Moving, he went to work for a financial planning firm. Thirty Five years later he is an owner and National Sales Director. He's worked with Athletes in Action, was on the board of Fellowship of Christian Athletes and Agora College which sends people called to mission work. He lives by his creed: "The Only Person You Cheat Is You." In 2014, Norm started TOPUCU, the acronym for that creed. The mission is to provide a transformational structure targeted toward schools, at-risk teens, and incarcerated individuals. Under Norm's leadership, TOPUCU is delivering their transformational lesson to schools and universities, corporations, and Native American Nations. He has formed a foundation to help those that cannot afford the program. Norm's hard work, passion for helping the underdog, and determination prove that we can all change the world.

Distinguished Educator:

Doug Borchert
BMS Social Studies

Doug Borchert, retired Bay Middle School, Social Studies: Doug Borchert was the kind of teacher that students remember for their entire lives. He taught more than social studies...he taught his students to strive for excellence and to lead by example. He has been recognized with numerous awards and nominations throughout his career including *Who's Who Among American Teachers*, *Disney National Teacher of the Year* nomination, *Plain Dealer Crystal Apple Award* nominations, *Over 50 Superintendent's Best Awards*. We

had numerous letters from former students and colleagues who are grateful for his impact on their lives. He coached BMS football for fifteen years, freshman baseball for thirteen years, and was director of the 8th grade Washington DC trip for ten years. Doug lives in Bay Village where he and his wife raised their son and are active in the community.

Judi Coolidge
BHS English

Judi Coolidge, retired Bay High School, English: If you have seen a Bay High School yearbook from the last thirty plus years, you have seen Judi Coolidge's impact on the lives of high school students. As a teacher and yearbook advisor for thirty years, Judi dedicated her life to helping students be their best. As a teacher, her students were engaged and encouraged to find their unique talents. She was a mentor to new teachers and was a great role model for other staff members. She spent countless hours in the yearbook office and with the yearbook staff. It was not unusual for Judi and the yearbook staff to spend weekends at the high school working on layout, content, and meeting deadlines. Her work as a yearbook advisor has earned her hundreds of state, regional, and national awards. She is still leading yearbook workshops around the country to share her expertise. Her dedication and leadership will always be remembered.

especially important for the Class of 2020 as they have two classmates who have been fighting cancer since 8th grade. I'm proud that we are participating this year. Friday we will introduce the four Distinguished Alums and two Distinguished Educators at the pep assembly, they will ride in the Homecoming parade, and will be introduced at the football game. Look for us and sign in at the BAF tent at the stadium and we will announce your name during the game so everyone knows you're there! Saturday morning we will honor the Hall of Fame inductees at a brunch from 10:00 am to 1:00 pm at the Fountain Bleu Party Center, 635 Miller Road, Avon Lake. Cost is \$30 per person. Please send your reservation request with a check to Bay Alumni Foundation, 377 Dover Center Road, Bay Village, OH 44140. Come to meet and visit with these impressive individuals. Their stories are remarkable! Homecoming is all about alumni and staying connected. Come share memories of your time in Bay and make some new ones! See you in September! ~

Scholarship Recipients Share Memories

Being an alumni is about memories, therefore, students are required to write a creative essay about their memories at Bay High and provide resumes and transcripts.

We read about many memories and they were judged anonymously. This year's recipients were Benjamin Noren, Annie Spies and Avery Waffan who participated in the College Career Tech Training Program at Lakewood High. The scholarship awards are written directly to their school of choice.

Ben Noren was a member of the Jazz Band, Pit Band, A Capella Choir and Cross Country Team. He is attending Cleveland State University, College of Urban Planning with a minor in Economics.

Ben Noren '19

As a freshman at Bay High, Ben Noren was a reluctant writer when he began high school, largely due to the fact that he didn't like assignments where there was no "right" answer, but rather many interpretations. He was always worried whether the teacher grading his paper would have the same interpretation. This changed when he reached out to the teachers who were more than willing to help. He wrote about how the English department taught him that it was not whether or not they had the same interpretation as him, but whether or not he could argue his interpretation to the reader. This cultivated a love of literature for him. Ben wrote, "The most important thing I

learned was the friendly people I was surrounded by and the community that was fostered at Bay High ... I may not have been close friends with *everyone*, but I knew all of them well enough to have a conversation with them." Classmates were always willing to help him in a class if he needed it, and he reciprocated this action and Bay High made high school a bonding experience.

Annie Spies '19

Annie Spies was a member of the Bay High Rockettes and Girls LaCrosse Team.

Annie shared an experience that started in Freshman year. She participated in a group of 40 to attend homecoming because they all wanted to be with each other. They did not want to leave anyone out because it was important for all of them to be together and experience the dance as a wolf pack. Fast forward four years, the same group of forty, plus a few more, went to their senior homecoming together. In the four years a lot had changed, from relationships to jobs, from wandering through the halls and planning for college, but they stuck together. They were still the wolf pack and they still had each other's back. And most importantly they wanted to end where they began – together! Annie wrote, "The support and acceptance at this school quickly quelled all the apprehension I had and our small but strong community helped me grow into the person I am today." Annie will be majoring in Visual Communications at Ohio University.

Senior Field Day

The Bay Alumni Foundation has been part of a new tradition that started at the high school in the last few years. The Monday after the Senior Prom, the graduating seniors have Field Day. They don't have classes that day but come to school for an awards assembly, lunch, and games in the afternoon. The students are asked to wear a shirt from the school or branch of the service or job that will be the next leg of their journey.

BAF volunteers cook burgers and hot dogs. We are "Seniors Cooking for Seniors". LOL! The Class of '66 is well represented each year along with other alums who spend a few hours meeting the class and serving

them lunch. The President of BAF talks to the class about the Foundation for a few minutes before lunch as they will be the newest members of the Alumni Foundation in a few days! The Class of 2019 were fun and grateful and we all enjoyed meeting them! We are in good hands with this really wonderful group of young people to take us into the future. We wish them all good luck and much happiness! As I told them, "We'll be cheering you on from here and please come home often and always try to do Homecoming!"

Attention Class of 2019!

Welcome to the [Bay Alumni Foundation \(BAF\)](http://BayAlumniFoundation.org)! Go to bayalumni.com and click on "Update Your Info". BAF keeps alumni informed through the newsletter, *The Shoreline* and is proud to be involved with Senior Field Day, Senior Scholarships, Homecoming, Alumni Madness, Tri-Bay as well as honoring Distinguished Alumni at Homecoming. The Bay Alumni Foundation wishes you great success in your coming years! Should you return for homecoming, be sure to stop by the tent and say "Hi, I am from the class of 2019"!

Where Do Your Donations Go?

The Bay Alumni Foundation has only three main sources of income: alumni contributions, special events (Tri Bay Golf Outing, March Madness Bowling) and investment income. The Foundation receives no outside grants or funding.

Alumni contributions come in the following ways:

- Unrestricted gifts go to the general operating fund and support homecoming activities, senior field day and the Shoreline publication and other operating costs.
- Purpose restricted gifts go for a specific purpose such as scholarships or Field of Dreams (stadium renovation).
- The permanent donations go into the endowment fund and the original amounts cannot be spent but must be invested with the investment income earned on the endowment going back into the general operating fund.

As you can imagine we rely heavily on alumni donations to meet our mission. Last year we received donations from \$10 to \$5,000 from alumni. Every donation helps! Please consider giving what you feel comfortable with to support the activities of the Bay Alumni Foundation. ~ **Bill Smith, Treasurer '71**

Bay Alumni Foundation Holds Class Funds

Are you tired of monthly bank fees eroding your class fund balances reserved for future reunions? If so are you aware BAF holds funds for classes without any fees. We want to make sure you are aware of this service if you are planning future reunions or thinking about making a donation for projects. It is as easy to use as having the class rep. check with the BAF treasurer on what funds are available, requesting a withdrawal or depositing more class funds. Separate accounting is made for each class. Many classes currently use this service for funds left behind after graduation or reunions. Contact Bill Smith '71 for more information at bsmith@meadenmoore.com.

We currently hold funds for the following classes: Early Alumni, 1963, 1966, 1979, 1994, 1996, 1997, 1998, 2004, 2005, 2006, 2007, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, and 2017 ~ **Bill Smith, BAF Treasurer**

In Memory of Principal Phillip H. "Phil" Mengert

Age 92, devoted and beloved husband of 67 years to the late Donna June (nee Shelly); loving father of Teri Sue Mengert- Madden (deceased), Cindy Mengert Robertson (Jax), and Melinda Mengert; dear grandfather of Matthew Robertson, Rachel Madden Johnson (Adrian), Lindsay Robertson, Jolie and Camille Mengert; great grandfather of Isla and Reid Johnson: brother of Fritz Mengert (Sue); uncle of Paul and David Mengert. Phil passed away on Easter Sunday, April 21, 2019. Phil grew up in Orrville, Ohio, and graduated from Ohio State University. He served in the United States Navy and worked as a teacher and administrator, serving as principal of Bay High School for many years. He was a member of Bay United Methodist Church and the Bay Kiwanis Club. Phil enjoyed gardening, golfing, fishing and cheering on the Ohio State Buckeyes. He was a devoted fan of the Cleveland Indians and Cleveland Browns. A family graveside service will be at Lakewood Park in Rocky River. The family suggests memorial contributions to the Cleveland APL or The Alzheimer's Association.

If you know of the death of a Bay High Alumnus, please email BAF at: bayalumni@att.net with the date of his/her death and what class year they graduated in. The only way BAF finds out about the death of one of our Alumni is from our Alumni community and someone letting us know. Thank you!

Bay Alumni Foundation Activities

Thank You!

I want to thank the entire Bay Alumni Foundation for your generosity in awarding me this scholarship. I plan to attend the Honors Program at Cleveland State University in their College of Urban Planning with a minor in economics. I plan to live on campus so I can be engaged with the university's community and your scholarship will be used to cover a nice portion of my school expenses.

My time at Bay High has been both academically and personally rewarding. I feel that my experience has provided me with the skills needed to be successful as I continue on my academic path. Knowing I have the support of the Bay community has helped alleviate any uncertainty about college. I feel confident as I move forward that I will represent Bay well because of the enrichment I received at Bay High. And because of your foundation's generosity I know this will help me on that path.

Thank you again for supporting me on my college path. I really appreciate not only your generosity but also your support. ~ **Benjamin Noren**

"Scholarships" cont'd from pg 5

Avery Waffen was a member of the Bay High Marching Band. With a love for photography she turned into an opportunity to participate in a visual arts program offered at the Lakewood High School in the West Shore Technical Program. It was that program that expanded her skills by working on diverse projects that included logo design, animation and digital illustration of a children's book. Avery will be attending Ohio University.

The Kiwanis Academic Awards Night was held in May. Three scholarship awards of \$1,000 each were given to the students and will be sent directly to their university. Two were given from the BAF funds and Avery's was awarded from the Class of '66 funds. All Bay Seniors are eligible to apply for these academic awards. There is not a GPA requirement, however the student must be in good standing with the school. Thank you to the selection committee: Tom Phillips '65, Cris Schuette Filmer '66, Jeanne Biscotti Silver '66, Cristine Marco Hoffmann '75 and Kevin Missal, '87 ~ **Cristine Marco Hoffmann, '75**

Then Bay built a new school. The children from the Red Brick School House on Lake Road (east of Rye Gate) became the tenants of the new school. Grades ranged from one through nine.

Bay named the new high school Parkview as it overlooked Cahoon Memorial Park. It didn't take long for the Bay students to become involved in the athletics offered and to choose school colors – blue for the blue waters of Lake Erie and white for the waves the students could see from their second-floor windows.

The first sports competition documented was in basketball. The season began in January 1924. The team played 14 games, finishing with a record of 6 wins and 8 defeats. There were no upper grades at the time and only freshmen competed against similar competition. The only documentation of this basketball season was the team's record for the year.

The first interscholastic sports involving Parkview occurred in the fall of 1924 when Coach G. D. Thompson and his football team of 16 freshmen and sophomores took the football field for the first time. The team played five games against varsity and junior varsity competition. We know they won and lost games to Dover (Westlake) and lost to Ridgeville (North Ridgeville) varsity but finished the season with a win at Rocky River that year.

In 2018, Coach Ron Rutt had a successful year with the varsity football team, recording 8 wins and 2 losses. Making the playoffs, the team fell in the first round.

In January 1925, Coach Thompson's Parkview basketball team of seven boys took the floor against Fairview. The 1925 team achieved a record of 6 wins and 3 losses. Fred Troyan was the high point man with 37 points for the season.

In 2019, the boys basketball team, led by Coach Jared Shetzer, went 16–6 and was the district runner-up. Senior Erik Painter earned Third Team All-Ohio honors and was also the Great Lakes Conference's "Most Valuable Player."

The class act at Parkview was the girls basketball team which was coached by Miss Kruss. The varsity team of 1924–1925 was undefeated in league play while the junior varsity lost only one game. The teams played boys rules (three-division floor), and girls rules (six on a side, three defense and three offense). Marie Blaha, the star of the team, was offered a professional contract to play ball after high school. Although no mention could be found, this team won the first championship for Parkview.

The 2019 girls basketball team, lead by Coach John Curran, was crowned District Champions for the second year in a row. Maddie Edgerly earned Second Team All-Ohio honors and Coach Curran was named All-Northeast Lakes District "Coach of the Year."

The teams during those early years were cheered on with the following:

*Stop, look, listen, who are we?
Parkview, Parkview, don't you see?
Stand us on our heads
Stand us on our feet
Parkview, Parkview, can't be beat!
Who Barney Google, Andy Gump,
We've got the rest all up a stump,
Parkview will work, Parkview will win,
Or else somebody'll get kicked in the chin!
Who, Spark Plug!*
