Message from the President

We are halfway through 2020 and it has been quite a year! Hurricanes, locusts, murder hornets, Australia was burning, fires in the western U.S., riots, a sandstorm from the Sahara desert, and of course... drum roll... the winner is COVID19. As you know, schools were closed before spring break. The impact on the school community was unbelievable – no spring sports, no spring musical, no end of the year concerts, no prom, no Field Day, no graduation, no last exciting days of the school year and good bye to friends, teachers, and in some cases, good bye to the school. The Bay teachers and administration did a wonderful job of switching gears and so did families. Virtual classes were the new way to learn and lots of parents began working from home and supervising schoolwork. We added words like social distancing, flattening the curve, and contact tracing to everyday conversations and people like me discovered we are “elderly and at-risk!”

I have discovered a lot about myself these last few months. I am definitely not good at social distancing! I miss my friends, my son and his wife, my grandsons, going to church, eating in a restaurant, smiles, and hugs. I have tried Zoom and FaceTime and other virtual tools that are available. I'm not very good at those either. It is better than nothing but the timing takes some practice. I'd rather just have a phone conversation as I don't have to do my hair and makeup. I don't look good wearing a mask and I struggle with breathing, walking, hearing what anyone is saying, and I can't stop touching it while wearing one. I have great respect for those who wear one for a full workday. Haircuts are a luxury and a few friends suggested that when we see each other for the first time after the lockdown, we promise to say: “I love the gray hair; it makes you look younger! Have you lost weight?” That's what friends are for!

Bay History

Bay High School Class of 1970 Prom

Bay High 1970 Seniors Barb Smith Kamerer and Mark Fritz pose for the classic prom picture. Photo provided by Barb Kamerer '70

Fifty years ago, the 1970s opened with a bang: The 26th Amendment granted 18-year-olds the right to vote; Apollo 13 launched on a fateful mission to the moon; and Bay High School's class of 1970 attended prom. While seemingly superfluous, prom's place on the national conscious can be traced across three centuries, providing generations of Americans with eager anticipation and entertaining anecdotes.

Prom's history begins in the latter half of the 19th century; a well-known early mention is in the papers of a student at the all-male Amherst College, who in 1894 attended a dinner and dance with the students of the neighboring all-female Smith College.

Throughout the early 1900s prom shifted to high school students, becoming a nationwide event in the

latter half of the 1930s. Postwar economics allowed the 1950s elevation of prom from the high school gymnasium to the country club ballroom, and a swanky iteration of prom stepped forth in style.

The Bay Alumni Senior Scholarships Fundraiser Sailed into a 2020 Success!

King Pin Winner: Class of 1962
 Rocket Pin Winner: Class of 1975
 Photo provided by: Madness Gang

The Alumni Madness bowling event soared to new heights thanks to the generosity of alums and friends!

This year, the committee brought in Barb Chrystal Houston, '73, whose personal contact efforts ensured more multi-class donations as well as new and exciting raffle prizes donated by local vendors. Barb also devised a Bay Trivia quiz about our history, sports, music, and other fun facts. The game was for those who were to socialize rather than bowl. The trivia prize was for two diamond box seats to an Indians game, donated by Cristine and Ben Hoffmann. The game and prize will be saved for the next fundraising event.

Because of Karen Obester Adams, '75, Stacey and Phil Nye '82, this year's food would have been the most creative and savory of all the past events. Covid may have cancelled out this annual festive event, but our appreciation abounds for this year's bighearted contributors.

Some of this year's prize donors, in amounts from \$40 to \$350, included:

Bay Lanes	Sage A Spa
Karli's Kouture, LLC at Prime + Process	UH Fitness Center, Avon
Minotti's, Avon	Barb Chrystal Houston '73
Nothing Bundt Cakes, Avon	Cristine Marco Hoffmann '75

The King Pin award is for the class raising the most funds. The Rocket Pin was awarded to the class raising the second highest total. On August 11, the donors' names were drawn under the astute direction of our Treasurer and *Official Alley Score Keeper*, Bill Smith '71. Congratulations to all the winners!

King Pin: Class of 1962

A special thank you to Dick (and Gayle) Dregne for their beneficent donation.

Rocket Pin: Class of 1975

3rd Place Honorable Mention: Class of 1973

2020 Scholarship Recipients

Mason Hewko '20
 Scholarship Recipient

Mason Hewko grew up playing the piano and his high school activities included captain of the swim team, concert band, symphonic band, marching band, and choir. Mason was involved with philanthropy while at Bay High raising funds for a fellow classmate who had stage four cancer.

Mason will be attending Belmont University in Nashville TN, double majoring in music business and singing/songwriting with a potential minor in mathematics.

Spring Sports

This past spring the Bay High School Spring Sports season was unfortunately cancelled due to the Coronavirus pandemic. The Bay Athletic Department created several opportunities to honor our senior class since they missed out on participating in the final season. Throughout March through May, senior athletes were showcased on the Athletic Department website as well as on Bay Athletics Twitter and Instagram. Seniors submitted a favorite photo and were asked answer a series of questions including, "What were other activities they were involved in while attending Bay High School?", "What were their plans after graduation?", "What was their favorite movie?", "What was their favorite genre of music?", and "What was their favorite memory while attending Bay High School?". In May, seniors were recognized during a special "Senior Night" whereby they were able to step on the field, court, or track one last time in their uniform.

In a special Zoom Awards Ceremony, the following seniors were recognized:

Nelson Narcks Award Male MVP: Logan LaMere
Nelson Narcks Award Female MVP: Olivia Reed
Archie Griffin Award for Sportsmanship Female: Ava Ransom
Archie Griffin Award for Sportsmanship Male: Kye Cusimano
NFHS Award of Excellence Female: Annie Lang
NFHS Award of Excellence Male: Mason Hewko
Courage Award: Claire Blevins
OHSAA Scholar Athlete Female: Audrey Ray
OHSAA Scholar Athlete Male: Ben Anderson
Wendy's High School Heisman School Winner: Meghan Nasman
PCA Triple-Impact Competitor Scholarship: Olivia Reed

We thank all of the senior athletes for their hard work and dedication throughout their high school career and wish them the best in their future endeavors.

Bay High School Athletic Department Hall of Fame Class of 2021

The Bay High School Athletic Department wanted to recognize the newly announced Hall of Fame Class. Members of the Class of 2020 were scheduled to be recognized for their accomplishments this fall. Due to the Coronavirus, the induction weekend has been rescheduled for September 3-4, 2021. The Class of 2021 is as follows:

1978 Gymnastics Team
1991 Boys Soccer Team
Nicole Craft, Class of 2010: Diving
Nathan McDonald, Class of 2010: Soccer, Tennis
Sharon Minnich-Hollis, Class of 1983: Golf
Paris Pugliese, Class of 2006: Basketball
Denny Sheppard, Coach: Cross Country, Wrestling, Track
Dave Zastudil, Class of 1997: Football, Basketball, Baseball

More details will be communicated by the Bay Athletic Department once everything is finalized for the weekends' events.

Bay Village Schools Rank 10th in State

Students of the Bay Village City School District are meeting and exceeding state academic standards, earning the district an overall grade of A on the recently released Ohio Report Card for 2019.

A comparison of the report card's Performance Index (PI), which factors in every test taken by every student, shows Bay Village ranking 6th of 31 districts in Cuyahoga County, and 10th (up from 16th last year) of 608 districts in the state of Ohio. The Bay Village district's PI score was 107.7 out of 120.0. The top PI score in the state was 112.6, earned by Solon City schools.

Homecoming 2020

Homecoming is usually our big focus as we begin to look ahead to the start of school and high school football. As you can imagine, as of today we have no idea what Homecoming will look like this year. September 25 is the official date of the homecoming game festivities which include the school assembly, the parade down Wolf Road, and the football game. However, COVID19 will likely impact those annual events. A few classes had planned reunions for that weekend but have decided to postpone until 2021 to be safe.

According to Matt Spellman, the Activities/Athletic Director of Bay Schools, the school administration has not looked at Homecoming for this year as they are so focused on the start of school and preparing for fall sports. As of July 10, the OHSAA said they are moving forward with planning for fall sports. However, schools have not been given any more guidance from the state as of July 14. The governor and lieutenant governor are supposed to address youth sports

Class Representatives

We have spent a lot of time this year verifying our list of class reps – many thanks to Eve Ershek Uhland who did a great job! Class reps are the backbone of the Alumni Foundation. What does the job entail? The main objective of each Class Rep is to keep track of all their classmates' contact information and communicate with their class as needed. For many classes, the class rep is in charge of planning reunions – they form the committee and get things moving. When you graduate, the class president becomes the Class Rep. But that can change as life gets in the way.

We need class reps for the following classes:

1941, 1944, 1947	1950, 1951, 1953, 1959
1986	2014, 2015, 2016, 2017, 2018

If your class is not on this list, but you haven't heard from a class rep for years, please go to our [website](#), click on Class Info, then click on Class Reps. You will find the name of the rep for your class. If you reach out to that person and they are not interested in doing the job, let us know. If you are willing to do the job and have your name listed on the website, let us know!

Our job at BAF is to keep us all connected to the past, present, and future. Being in touch with all of you is vitally important – it's what we do. We keep a database of contact information for all alums. We need your help to make sure our information is current.

Please note: If you go away for the winter and forward your mail, we need to know so your Shoreline is not returned. If your email bounces back, we have no way to find you. Please help us stay in touch by making sure we have your current contact information. (We do not sell or share our list with anyone.) ~

Remember When?

Let's take a look back and recall what happened **50 years ago**.

In Politics:

- The U.S. lowered the voting age to 18 from 21 when President Nixon signed the bill into law
- The U.S. increased import duty taxes to protect American jobs

In Music, Television, Entertainment, and Sports:

- The Baltimore Orioles won the World Series 4 games to 1 over the Cincinnati Reds
- The Kansas City Chiefs defeated the Minnesota Vikings 23-7 to win Super Bowl IV
- The New York Knicks won the NBA Championship 4 games to 3 over the Los Angeles Lakers
- Doc Ellis pitched a no hitter for the Pittsburgh Pirates while high on LSD
- Jimi Hendrix died from choking on his drug induced vomit
- Janis Joplin died from a heroin overdose
- Debbie Reynolds, the highest paid woman on television at the time, quit her show on NBC due to cigarette commercials being run during its airtime
- Sesame Street character Ernie's song, Rubber Ducky You're the One, made it to #16 on the Billboard Hot 100 chart
- Popular Musicians included: The Beatles, B.J. Thomas, Bread, The Carpenters, Creedence Clearwater Revival, Crosby, Stills, Nash & Young, Diana Ross, Edwin Starr, Elvis Presley, Glen Campbell, The Guess Who, The Jackson 5, James Brown, Neil Diamond, The Partridge Family, Simon & Garfunkel, Sly & the Family Stone, Three Dog Night, and Tom Jones

Lilly Lowther '20
Scholarship Recipient

Lilly Lowther was the recipient of the Class '66 scholarship. She was class officer and her high school activities included National Honor Society, Project Earth Club, Rockettes and Young Philanthropic Foundation. In addition, she participated in cross country, swimming, track and orchestra.

Lilly will be attending The Ohio State University in the fall to study Chemistry on a Pre-Medicine track.

Audrey Ray was an American Red Cross certified lifeguard for Bay Recreation Center. Audrey participated in the following activities: Academic Challenge, Drama/Musical, Key Club, Model United Nations, National Honor Society, Student Council and Youth Philanthropic Foundation. She also participated in cross country, swimming, symphonic band and marching band.

Audrey plans on attending the University of Alabama in Tuscaloosa next year. She is undecided in her major, and will be part of the Blount Scholars, which is a liberal arts program at UA. Roll Tide!

The scholarships were reviewed anonymously by the following committee members: Cris Filmer '66, Chair; Tom Phillips '65; Al Nelson '62; Jeanne Biscotti Silver '66; Karen Obester Adams '75; Cristine Marco Hoffmann '75; Kim Moyer '86 and Kevin Missal '87. Scholarship funds are raised annually by The Alumni Madness Committee.

The Kiwanis Awards Night was held virtually in May and Mr. Martin, the BHS Principal announced the scholarship recipients from each organization. It was shown live online and at the end of the presentations, there was a slideshow with the senior pictures of each recipient with the school they plan to attend in the fall. It was a great solution and very well done. We usually provide lunch for the senior class on Field Day which is always a fun day for the alums who help. This year Mr. Martin had a Zoom meeting with the senior class which he invited me to "attend." I was able to virtually welcome the Class of 2020 to the BAF community and give them our best wishes as they continue their journey. I told them that they will have lots of stories for their future reunions! There was a virtual graduation on August 1 and the parents organized a parade of cars through town.

Bay Village Schools will begin the 2020-21 school year with eLearning through Sept 11. Rocket Family eAcademy begins Aug 24, and students will begin their daily schedules Sept 1-11. Learning modes will be determined every two weeks, with the week of Sept 14 determined by Sept 10.

I hope that you and yours are healthy and adjusting to this alternate universe we are experiencing. It seems like Ground Hog Day. I'm grateful for good health, this wonderful community, the beautiful weather, and am reminded every day that we are lucky to live in this beautiful place surrounded by the best that Mother Nature has to offer.

Please note: For those of you who receive a hard copy of The Shoreline in the mail, you will notice that it is black and white this time. This year has been challenging financially with cancellations of fundraising events so we thought it was prudent to make that budget conscious decision. Thanks for your understanding. If you are able to receive your Shoreline via email, please let us know your email address and we'll make it happen!

Have a wonderful summer, stay healthy, and keep in touch! ~ **Judy Kelly Krueger '66, President**

The Mystery of the BHS Student I.D.

Every once in a while, we have a mystery to solve. Sometimes we are contacted to help alums find one another and that is always fun and rewarding. But this summer, we were given a mystery to solve that was very unusual!

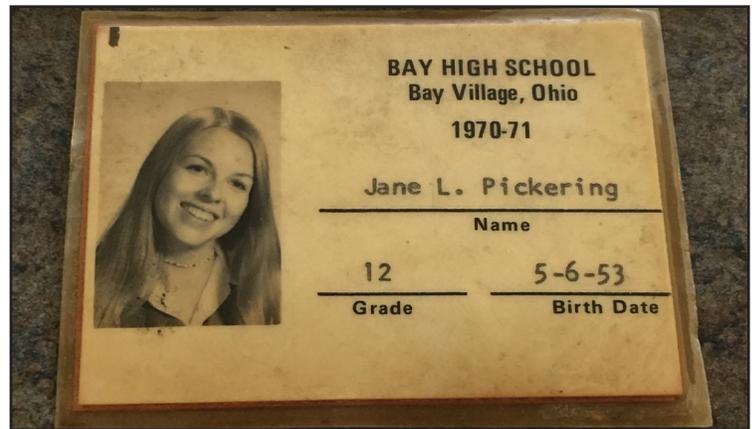

The high school received an envelope that contained a student photo ID. It was the Bay High School student ID for Jane L. Pickering, grade 12, birth date and graduation year were on the card. Enclosed with the ID was a sticky note dated 5/26/20 from the sender. The note said: "Found in West Union, Ohio on Grange Hall Road by a dug well. Thought I'd return it to her. Good Luck!"

Jason Martin, the principal at the high school sent it to me and we started the search. We checked our database and found an email address and reached out. But no response (the email address was wrong). The next step was social media. Many of you may have seen the post on Facebook. With a lot of help from people on Facebook, we have found Jane, who is now Jane Nickel and she lives in Palm Bay, Florida. She is about to be reunited with her student ID!

I was hoping there would be a very exciting explanation for how the ID ended up being found 50 years later near a well in West Union, OH. Something like Jane had been kidnapped in 1971, her captors allowed her to get a drink out of the well, and she dropped her ID as a clue so she could be found. Sadly, there is no such story.

Actually she has no recollection that we even had student ID's. She has never heard of West Union, Ohio but looked up the town and road where the ID was found. The road goes through a 'nowhere land'. There are some off road houses but it's mostly woods, brush, ponds & land. Lots of land.

It's an interesting story though. But some person took the time to find Bay High School in Bay Village, Ohio and mailed it back. No name, no return address – just the note.

Bay Alumni Foundation Holds Class Funds

Are you tired of monthly bank fees eroding your class fund balances reserved for future reunions? If so are you aware BAF holds funds for classes without any fees. We want to make sure you are aware of this service if you are planning future reunions or thinking about making a donation for projects. It is as easy to use as having the class rep. check with the BAF treasurer on what funds are available, requesting a withdrawal or depositing more class funds. Separate accounting is made for each class. Many classes currently use this service for funds left behind after graduation or reunions. Contact Bill Smith '71 for more information at bsmith@meadenmoore.com.

We currently hold funds for the following classes: 1963, 1966, 1968, 1979, 1994, 1996, 1997, 1998, 2004, 2005, 2006, 2007, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017 and 2019 ~ **Bill Smith, BAF Treasurer**

Fund Raising Efforts Fiscal Year 2020

One of the main efforts of The Bay Alumni Foundation this last year was a Class challenge to raise funds for the Home of the Rockets new team building at the Bay Memorial Stadium. In total \$22,558 of funds for this project was raised by 18 alumni classes to support this initiative. The Class of '66 raised the most funds with the Class of '71, '78, '58, and '81 rounding out the top 5. Individual donations of greater than certain amounts will get a brick, paver, or plaque at the new building. The Class of '71 pulled together and raised enough funds to get a plaque in memory of John Bell, a beloved classmate, who had recently passed away. We are also grateful to the many alumni and others who donated directly to the campaign not through the Alumni Class Challenge.

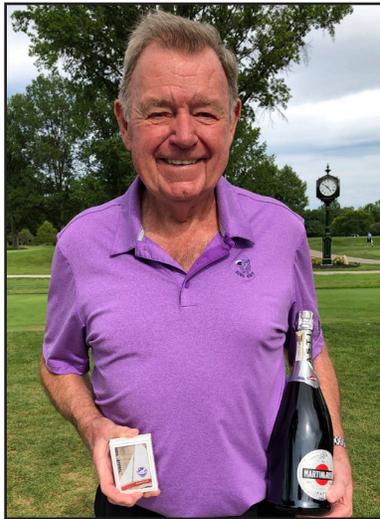

Alumni Madness, the bowling event that supports scholarship, was able to raise enough funds to support two scholarships for this upcoming year. Even though the event had to be canceled due to COVID-19 many alumni made a donation or donated the cost of the tickets towards the scholarship program.

Frank J. Pendergrass

Frank Joseph Pendergrass III, 83, peacefully entered into eternal rest surrounded by his family on May 13, 2020 in Cleveland, Ohio. Frank was born October 13, 1936 in West Virginia to the late Frank and Virginia (nee Johnson) Pendergrass Jr. After the passing of his first wife Louise Argenziano-Pendergrass in 1983, he was blessed to find love again in Marilyn J. Halsak (nee Buran). In 1986 they began 34 loving years together. Frank graduated from The Ohio State University in 1958 with a degree in music education, boldly to continue at Kent State University to obtain his Master's Degree in instrumental music education in 1968. Throughout Frank's life he had many accomplishments, including being a freelance trombonist/musician/arranger and an instrumental music educator. He will be remembered for his dedication and contributions to the Bay Village music program. Throughout his tenure he directed the Bay High Orchestra, Symphonic Band and Jazz Ensemble; the 30 piece Pit Orchestra for the annual Broadway Spring Musical, the Bay Middle School Bands (grades 5-8) and Bay Middle School Orchestra. He served as Assistant Band Director of the Bay High Marching Band under the direction of Rowland Hosmer. Frank's strong love of music was rivaled only by one thing, the overwhelming love and admiration he had for his family. In retirement he enjoyed traveling, attending jazz clubs and walking his loyal Kerry Blue Terrier "Monk".

Those left to cherish the memories of Frank are his beloved wife, Marilyn J. Pendergrass; step-daughters, Noreen (Bill) Kyle (nee Halsak) Nicole (Harry) Yaacoubian (nee Halsak); grandchildren Bryan and Jack Kyle, Nicholas and Chris Yaacoubian. He is also survived by his brothers-in-law Frank and Jim (Randie) Argenziano and nephew Dana James Argenziano.

In lieu of flowers, the family is suggesting donations be made in Frank's name to Kemper House Memory Care Fund at 10890 Prospect Rd, Strongsville, OH 44149 or [Bay Music Boosters](#) to keep Frank's dream alive.

soon at their press conference. With numbers increasing in the state it may impact their announcement.

The school administration announced tentative plans for reopening schools in August at the school board meeting last night but everything really depends on the status of the pandemic. If you know of the death of a Bay High alum, please email the date of his/her death and what class year they graduated in to BAF at: bayalumni@att.net with. The only way BAF finds out about the death of one of our Alumni is from our Alumni community and someone letting us know. Thank you!

We Need Your Help!

One of the topics we discussed at our recent meeting was our financial situation. It's going to be a challenging year. We are going to need your help so we can continue to provide The Shoreline and fund the projects that are important to our mission. Cancelled events really hurt – the TriBay golf outing usually provides between \$3,000 to \$5,000. In addition, our donations from alums have fallen dramatically. The Alumni Madness bowling event supports our scholarships. We understand that everyone is feeling the effects of the shutdown.

Here's how you can help. We have a database of over 14,000 alums. We are grateful for the 100+ alums who donate each year – we even have a few alums who set up monthly donations via PayPal or their bank. That \$10 or \$25 per month helps a lot! If even half of you sent \$10 or \$25 today it would make a huge difference.

We are all connected through times shared, memories, and the education we received. I love being part of the Alumni Foundation and being connected to the past, the present, and the future. I'm so grateful for the people I meet from classes in every decade, the stories shared, the friendships, and the good things we accomplish.

Please consider donating whatever you can. You can donate through PayPal (see our website) or send a check payable to Bay Alumni Foundation, 377 Dover Center Road, Bay Village, OH 44140.

Thanks in advance. ~ **Judy Kelly Krueger '66, President**

Amazon Smile

You can help BAF every time you order by signing up for Amazon Smile. Amazon Smile is easy to use and is a great way to help us every time you shop. When you sign up, you will be asked to designate a charity; please choose Bay Village Public Schools Alumni Foundation. Then instead of logging on to Amazon, you log on to Amazon Smile. It will automatically pop up, it looks exactly the same as the standard Amazon page, works exactly the same, and they do the rest. AmazonSmile is available at smile.amazon.com.

"Prom" cont'd from cover pg

Although prom's popularity had diminished during the youth-lead counter-cultural movement of the 1960s, on Saturday, May 2, 1970, Bay's seniors partook in their own prom, drawing on past traditions while simultaneously setting new precedents.

Of the 305-strong class, only a few attendees arrived at Avon Oaks Country Club driving their own cars; the majority borrowed their parents'. The ubiquitous stretch limo, created around 1928 and a staple in today's prom popular culture, did not make an appearance. Dinner and dancing were enjoyed from 6:30 in the evening to 11:30 at night.

In the absence of a Royal Court, class officers and their dates were seated at a head table. Continuing at Wagner's Country Inn in Westlake, After Prom lasted from midnight to 4 in the morning, and featured casino and carnival-style games manned by parent volunteers, complete with pretend money and door prizes.

While abundant in fun and games, prom is traditionally a formal event, and Bay's seniors were dressed for the part: Lovely ladies with hair swept up in partial updos, wearing long gowns accessorized with white gloves, to which a floral wrist corsage or nosegay was added, accompanied by stylish young men in double-breasted tuxedo jackets in riotous colors of lime green, yellow, and white brocade, while their more reserved contemporaries preferred a more traditional look. A big bow tie was a must, no matter what color suit with which it was paired.

Carried over from the late '60s, these soft, flowy looks for the ladies of Bay and the bright, modernist style for their escorts were signs of societal changes that continued into the '70s. These new tastes were seen across the country, as noted

by GQ magazine. "The peacock has replaced the penguin," GQ declared in November 1969, "and once-sacrosanct traditional formal wear has been assailed by startling fabrics, designs, and colors."

This change was not limited to clothing choices, as Class of 1970 Bay alumnus John Shepherd remembered: "I hired the band. It was the first time a 'rock band' (long hair and all) had been hired for a Bay Prom. Before then it was always swing/jazz live entertainment. They had [brass] horns and played some Chicago songs, [and] opened with a Jimmy Hendrix feedback-infused version of 'The Star-Spangled Banner.' The school authorities pulled me to the side after the first song and told me I had ruined the whole affair by getting this band. [The band was] excellent, loud, and everyone danced and had a blast. The times, they were a-changing."

As a traditional rite of passage, prom has seen many changes reflecting shifts in popular and political culture. While the impact of personal tastes and outside forces have varied greatly from year to year and decade to decade, with each class a unique experience continues to be added to the collective history that is the American Prom. ~ *Rachel Polaniec Originally Published in Westlake Bay Village Observer*
