BAY ALUMNI FOUNDATION NEWSLETTER

2 WELCOME TO THE HALL OF FAME

BAF welcomes six new members to our Hall of Fame.....congratulations to the following four Distinguished Alumni and the two Distinguished Educators for their election to the Bay Alumni Foundation Hall of Fame.

5 DO YOU REMEMBER 1936?

Let's take a look back and recall what happened 85 years ago.

10 LETTER FROM THE PRESIDENT

We are anticipating a very busy fall and look forward to 2021 being our biggest homecoming event ever.

UPCOMING EVENTS

2021 Field Day

What a wonderful day we all had with the graduating seniors. As per annual tradition, BAF members joined in the festivities of Senior Field Day and cooked / served lunch for the Class of 2021. Thank you to Judy Krueger - '66, Jim Joyce and Peggy Joyce - '78, Kevin Missal - '91, "Cook" Dave Waltz - '66, "Cook" Tom Kaiser - '66 (retired Bay High football coach), Laurel Dyer Kaiser '66, Anne Marie Abbott Peacock '66, and Cris Schuette Filmer - '66. What a fun day, we were all so impressed with the polite and confident group of seniors we met.

Homecoming Schedule 9/23-9/25/2021

We are all looking forward to a fantastic homecoming weekend. Activities begin on Thursday evening with Light The Night – the torch walk that begins in the stadium and is a fund raiser to benefit lymphoma and leukemia research. BAF will be selling luminaries that will illuminate the walk path – 100% of the funds benefit the cause. The event culminates in the traditional homecoming bonfire. All are welcome to support this wonderful event. HOF inductees will be introduced at the PEP rally Friday afternoon, followed by the parade which kicks off at Cahoon and Wolf at 5:45. The game follows. The HOF brunch will be held at Avon Oaks Country Club on Saturday AM at 10. Brunch tickets are available in advance – please send a check for \$40 per attendee to Bay Alumni Foundation.

Welcome to the Hall of Fame

BAF welcomes six new members to our Hall of Fame.....congratulations to the following four Distinguished Alumni and the two Distinguished Educators for their election to the Bay Alumni Foundation Hall of Fame. Inductees will be recognized homecoming weekend with an introduction at the PEP

Rally Friday afternoon, riding in the parade, introduced during the game and at the HOF Brunch on Saturday morning at Avon Oaks Country Club. For those interested in attending the brunch, please join us to meet them, greet them, and hear their stories! Reservations can be made by sending a check

payable to Bay Alumni Foundation, 377 Dover Center Road, Bay Village 44140 – be sure to indicate that your check is for the brunch! The cost is \$40 per person and we look forward to seeing you there! (more detailed inductee bios available on the BAF web site and BAF Facebook Page).

Jack Bowie, Sc.D, Class of '64 Distinguished Alumni

Jack was an active and respected leader at BHS where he was Salutatorian of his class, was awarded the Bob Berger Trophy in Track and Field, and was a National Merit semi-finalist. His diverse career began with an impressive education earning his Bachelor's, Master's, and Doctorate degrees in Electrical Engineering from the Massachusetts Institute of Technology. His subsequent business roles focused on the development of healthcare information systems and consultation on health data standardization. He served on numerous international standards bodies and was a regular contributor to research and scientific journals. He is also the author of the well-known Adam Braxton Thriller series of novels.

Brooks Hull, Class of '66 Distinguished Alumni

Brooks was an active and well respected member of the class of 66. He went on to Ashland University where he continued to make an impact as a student and leader. He was a successful local business owner for 30+ years earning the respect and admiration of colleagues around the country. He has volunteered for non profits during his entire adult life to positively impact northeast Ohio. As an active member of the Bay Alumni Foundation, he started the Class of '66 scholarship for a BHS senior. He served on the Board of Trustees of Ashland University for over 25 years and the university honored him by naming the intramural athletic field in his name. Brooks stayed in Bay Village and shared his time, talent, and generosity to give back to the community he calls home.

Bradley Friedel, Class of '89 Distinguished Alumni

Brad grew up in Bay and was an active part of his BHS class. He was a well- rounded athlete who was part of the tennis, basketball, and soccer teams. He was in Show Choir and helped with basketball summer camps where he loved teaching young kids how to develop their skills. He is best known to many as a successful international soccer player where his impressive career as a goalkeeper included competing in 3 World Cups and 2 Olympics. He travelled the world playing for teams from Denmark, Turkey, England and the U.S. During his playing career Brad brought his talent back to the area running various camps and clinics and Brad's love of this area and his sport allowed him to help and teach a lot of young people the value of education, hard work, teamwork, and giving back to the community.

Rich Voiers **Distinguished Educator**

Rich Voiers came to Bay High School in 1957 and his impressive career ended when he retired in 1994 after 37 dedicated and impactful years. His list of accomplishments as a coach are legendary: Head track coach 1957 – 1966, head basketball coach 1963 – 1994, Defensive Football coordinator 1962 – 1976, Head Golf Coach 1966 – 1970. As head basketball coach his win-loss record was 461 – 182 – that’s 71.7% in 31 years! At the time of his retirement, Rich had the most wins as a boys’ basketball coach in Ohio high school basketball history. As a 2021 inductee to the Bay Alumni Foundation Distinguished Educator Hall of Fame, Rich is recognized for more than just his coaching success. Rich received his undergraduate degree from Miami University in 1957 and a Master’s degree from Kent University in 1969. While both a teacher and a father with a young family, he continued with more classes at Cleveland State in Vocational Education. When we recently posted his picture on a BAF social media site, the memories poured in from alumni across the country, remembering him as a mentor, a teacher, a friend, and a role model. For many, his involvement in their lives included summers as he was the swimming and recreation area manager at Avon Oaks Country Club for decades – he hired and supervised many BHS students to work for him in various jobs around the pool. Many valuable lessons were learned during those summer months.

Michael Manos, PhD., Class of '69 **Distinguished Alumni**

Dr. Manos is a well-known world expert in child and adolescent behavior disorders. He has shared his talent in the clinical care of patients, in education, research, and the community. He worked for over 25 years treating patients in pediatric psychology, special education, and child and adolescent psychiatry. He is the leader of the ADHD Care Path Center at Cleveland Clinic Children’s, began the Medication Monitoring Clinic there to assist pharmacotherapy for children with ADHD, and he opened the Cleveland Clinic Summer Treatment Program for ADHD, one of only 6 of its kind in the world. He initiated a novel protocol for physicians around the country to diagnose and treat children with ADHD. Over the years, Dr. Manos published numerous professional research articles, book chapters, and scientific commentaries. He exemplifies a lifelong commitment to teaching and learning and committed himself to a life that empowers others.

Jim Cahoon **Distinguished Educator**

Jim Cahoon was described in his nomination as the definition of a Distinguished Educator. As the principal of Bay High School for 12 years, from 1999 to 2011, he was a living example of leadership, dedication, and vision. His accomplishments are impressive – he spearheaded the Field of Dreams campaign to renovate and improve all the athletic fields behind the high school, including the stadium; he helped establish the Bay High Athletic Hall of Fame; Jim created Huddle, a student mentoring program that paired high school students with middle school students; he launched YPF (Youth Philanthropy Fellowship) which raised thousands of dollars each year for a variety of community needs. The list goes on.....

Parents and students were amazed that Jim attended every sporting event, every concert, every performance in the auditorium. Jim went to Washington to receive the distinguished Blue Ribbon School award for Bay High School during his tenure as principal. Students still talk about how Mr. Cahoon grew a beard to perform as Papa in the spring musical, Fiddler on the Roof and another year he was Teen Angel and wore a white suit with angel wings in the musical Grease!

Mum's The Word!

Submitted by Judy Krueger ('66' Trustee)

Our time at Bay High School was filled with traditions we loved and there were many things that we looked forward to each year. One of those wonderful traditions “back in the day” revolved around homecoming. Each year, the homecoming court was announced early in the week and voting took place on Thursday. We knew the court would be announced at the Friday morning Homecoming Assembly – but that was only part of the anticipation. The seniors

dressed up that day – girls in dresses and high heels, guys in sport coats and ties. The assembly took place in the gym where the underclassmen sat in the bleachers and chairs were set up on the floor, waiting for the senior class. The senior girls were given mums in homeroom – those corsages were a big part of the tradition – we wore them all day and to the football game later with pride! As the seniors lined up in the hall waiting to march in, we were aware that this was

our last homecoming assembly. Then the music started to play in the gym, the senior class processed in, and sat in the waiting chairs. This was the first time we truly felt like seniors – and it was an important kick off for homecoming and our senior year! The announcement of the homecoming court was exciting – but the entire experience as a class was a tradition we all loved and a memory we all cherish.

Bay Alumni Foundation Annual Elections

Bay Alumni Foundation Annual Elections....In 2020 the BAF by-laws were changed to move the election of officers from a December schedule to a June date – to coincide with our financial fiscal year. The suggestion was made by Bill Smith, Treasurer, and endorsed by all voting members who were present.

As noted by Judy Krueger ('66) – BAF president for the past three years – we did hold our elections earlier this month. Jim Joyce ('78') was elected president. Jim has served as vice president for the past several years. Bill Smith ('71') was re-elected as treasurer and has done a phenomenal job helping the Foundation establish improved overall standards and

governance. Eve (Ershek) Uland ('76') was elected vice president. Eve has been involved with the Foundation for several years, has helped increase our active engagement with class reps. and offers significant non-profit experience to the team. Bill Smith will also serve as Secretary until we elect a permanent board member for that position. Peggy Marquardt Joyce ('78') will continue as Recording Secretary and Marie Rohlke Lowe ('07') remains as Shoreline Editor.

We also have news regarding our Trustees. Tom Roehl ('55') – who has served BAF and Bay Village in so many ways over the years was named an honorary trustee for life. Congratulations Tom – and from all our alumni members – thank you. Judy Krueger

was elected as a Trustee and will serve with Al Nelson ('62'), Tom Phillips ('65'), Lee Rohlke ('78') and Paul Hartranft ('64'). What a group of dedicated individuals – four of the five Trustees are past presidents of BAF!!

We would all like to thank Judy for her amazing leadership and commitment over the past three years as president, as well as her time as treasurer prior. Judy took the Foundation to a new level, building on those disciplines, traditions and activities that existed – and creating new ones that will benefit all alumni in our future. Thank you Judy!!

Do you Remember 1936?

- Kevin Missal, '87

Let's take a look back and recall what happened 85 years ago.

In Politics:

Franklin D. Roosevelt was re-elected as President of the United States.

After his father King George V died, Edward VIII abdicated the throne in the United Kingdom in order to marry American divorcee Wallis Simpson. His brother is then crowned King George VI.

In Music, Entertainment, and Sports:

The New York Yankees won the World Series 4 games to 2 over the New York Giants

The Green Bay Packers defeated the Boston Redskins 21-6 to win the NFL Championship

The Detroit Red Wings won the Stanley Cup 3 games to 1 over the Toronto Maple Leafs

The Baseball Hall of Fame was founded in Cooperstown, NY

Jesse Owens from Cleveland, OH, won 4 gold medals at

the Summer Olympics in Germany

Billboard Magazine published the first pop music chart

Popular Musicians included: Bing Crosby, Fred Astaire, Benny Goodman, Billie Holiday, Jimmy Dorsey, Tommy Dorsey, Duke Ellington, Andy Kirk, Eddie Duchin, Lead Belly, Connie Boswell, Shep Fields, Hal Kemp, Guy Lombardo, Jimmie Lunceford, Russ Morgan, Ray Noble, Fats Waller & Teddy Wilson

Popular Films included: A Day in the Country, After the Thin Man, Anthony Adverse, Camille, Dodsworth, Follow the Fleet, Fury, The General Died At Dawn, The Great Ziegfeld, Libeled Lady, Modern Times, Mr. Deeds Goes to Town, My Man Godfrey, The Petrified Forest, Rembrandt, Romeo & Juliet, Rose Marie, Sabatage, San Francisco, Show Boat, The Story of a Cheat, The Story of Louis Pasteur, Swing Time, Things To Come & Three Smart Girls
NBC first broadcast of television to a group of invited guests at 30 Rockefeller Plaza

Economics:

U.S. Inflation Rate – 1.46%
Dow Jones Industrial Average on December 31 – 179.90
Annual Income - \$1,713
Cost of New Home - \$3,925
Cost of Fuel - \$0.10 per gallon
Average Monthly Rent - \$24
Cost of New Car - \$665

Other News:

The Hoover Dam was completed & began creating hydroelectric power
Beryl Markham became first woman to complete a non-stop transatlantic flight from East to West

The Tasmanian Tiger/Tasmanian Wolf became extinct
Geico (the Insurance Company) was founded

The helicopter, sunscreen, magnetic recording & Zippo lighter were invented

Local News:

The Cahoon Barn changed names to the Community House
Cleveland, OH hosted the Republican National Convention at Public Hall

Your Alumni Foundation On The Move

We have a wonderful opportunity in front of us. The school administration has offered us full control of the hallway that leads off the gym corridor down to the entrance to the Bay High Auditorium. This is the hallway that contains the wall of plaques that honor our Distinguished Alumni and Distinguished Educator Hall of Fame members. We need to expand the HOF walls to accommodate future inductees, yet we also want to make this entire corridor a vision of pride, tradition and memories from our days at Bay High School. Various BAF members have volunteered to assist our board in the vision and

creation of a fantastic experience – one which we commit will be something to enjoy in-person and via our social media platforms for those who are at a distance. Imagine a hall full of exciting colors, signage, display cabinets full of memorabilia and video presentations of seminal moments in Bay Village / BHS history... interviews, memories and traditions. We will keep you posted as we progress with the plans and we look forward to all of you sharing your memories, loaning us items to display and capturing your sentiments on video to share. We hope this will clearly represent our mission: "connecting our past...with our present... and our future...". More to come.....

ROCKET BLAST

5 GREAT THINGS YOU SHOULD KNOW

Thank you stadium building courtyard donors!

For any alumni who donated \$250+ to the new building campaign, a customized brick with your personal message is available. For those who donated \$1,000 or more a paver is available. If you have not submitted your message, you can do so by accessing Home For The Rockets via the Bay Rockets Association web site: <https://www.bayrocketsassociation.com/>

BAF YouTube Channel

Now that we are moving away from all the pandemic-related restrictions your BAF is beginning to record alumni videos again. These videos capture memories, traditions, amazing and funny stories from our collective past. We have just completed a recording of Rich Voiers – interviewed by Trustee Al Nelson – in celebration of Rich being a member of the 2021 Distinguished Educator Hall of Fame. Many more to come. Keep an eye on the BAF YouTube page and watch for new releases being announced on our web site and Facebook page. Here is a link to the YouTube page – please subscribe and

enjoy. <https://www.youtube.com/channel/UCZM0cNhVIG5zZWGIRVF1Nlg>

We are always looking for topics and willing participants for video memories and traditions.

Class of 2021 – Welcome To BAF!!

We would like to welcome all the recent BHS graduates as active members of Bay Alumni Foundation. What an amazing class – a group of polite, resourceful and resilient individuals who will certainly remember graduating during (and hopefully at the end of) a global pandemic. You are a wonderful example of Bay Village and Bay High School at their finest. Congratulations!!

Show your Bay High Spirit

Promote your business or organization or, just send a message to the citizens of Bay who line Wolf Rd. for the annual homecoming

parade. Ten sponsorship packages are available for the 2021 homecoming weekend. Packages range from \$200-400.00 and include your choice of a promotional item with your logo, tagline or message to be distributed along the parade route and during the weekend festivities (game, HOF brunch, etc.). Typical items are 5” foam footballs, 5” foam soccer balls, 9” nylon Frisbees. For more information check out the detail on our Facebook site or reach out to Jim Joyce (jim53buckeye@yahoo.com) or Bob Reed (reeder22@aol.com).

Would you benefit from the Shoreline being read to you?

We will be working on a program where each edition of future Shoreline publications will be made available in a recorded format. We believe this will be beneficial to those who may experience declining vision – or even for those who are on the move – and would like to listen to the Shoreline content as they workout, travel or carry on with their daily activities. Our hope is to place a recorded version of the current Shoreline on our web site and YouTube page for your access and use. Dave Waltz – ‘66’ and past president has offered to be our “narrator” – which is perfect since he has served as “the voice of the Rockets” at most sporting events for many years. Thanks Dave!

BAF, Shoreline and Reunion Updates!

Submitted by Bill Smith, Treasurer

Thank you to all the alumni from before the Class of 1975 who are sending in an annual \$10 donation or a \$125 lifetime donation to continue receiving the Shoreline by snail mail. You are helping to defray the increased annual costs and we appreciate your contribution. Starting in January 2022, due to the rising costs of printing and postage, anyone who graduated before 1975 will only receive a mailed copy of the Shoreline if they send in a one-time donation of \$125 (or more) to receive a mailed copy for life. Unfortunately, the \$10 per year annual option was too cumbersome to track, so is no longer being offered. Anyone who did send in the \$10 annual option will keep receiving the mailed Shoreline. If anyone is in a "hardship" situation, email treasurer@bayalumni.com or send a letter to Treasurer, Bay Alumni Foundation, and we will work with you. The digital version of The Shoreline is always available via email and is posted on the BAF website at: www.bayalumni.com. Remember, this year, any donations of \$125 or more will receive Bay alumni prizes depending on the tier of your donation, - i.e. BAF magnets, pens, keychain bottle openers, koozies, and mini flashlights.

Reunions: For those classes having one this year or in 2022, please consider a class gift to your Bay Alumni Foundation. We are not a fundraising organization, so we count on our generous alumni to help us support ongoing activities such as Homecoming, Senior Day, Graduation, the Distinguished Alumni and Educator events, and the costs for printing the Shoreline and Annual Report. Also, if you need any assistance with venues, hotels, type of donation suggestions, or any of your reunion plans, PR, or post reunion Shoreline or website picture posting, please contact Eve at: eveuhland@gmail.com.

Thanks to Mark Mutch '79 BAF is going to the "Cloud". Mark has set up the google product GSuite. This will enable BAF to secure its business and event records in one place in a digital format that will be accessible to the appropriate BAF officers, trustees, and committee chairs. It is like an electronic file cabinet. This will enable smoother transitions when board seats change and provide secure backup. It also provides secure emails for BAF officers and committee chairs.

In addition, improvements are starting to be made to the BAF web page. A Governance section has been added to the webpage where you can find the bylaws, annual financial statements and tax records, and past summaries of the monthly meetings. If you ever thinking about getting involved and wonder what we do, the monthly meeting summaries will give you a good background. Future improvements will be made to other sections of the webpage - Events page, Hall of Fame inductees etc.

What We Don't Do

What we don't do....many of you are aware of the myriad of activities conducted by your Bay Alumni Foundation. These include: Homecoming, Distinguished Alumni/Educator Hall of Fame, Shoreline, Rocket Blasts, Facebook, BAF Web Site, Field Day, Alumni Madness, Graduation, and many more. What we thought we should share are three things we don't do:

1. We do not share our database (your personal information) with any individual or outside parties. Our alumni information is for use by BAF to keep you up-to-date and to help class representatives plan and deliver great reunions and gatherings for their classmates.
2. BAF is apolitical – we do not focus on, debate or promote political views.
3. We do not re-donate funds to other organizations. It is our belief that money donated to BAF is meant to help support our primary mission – which is to continue to foster communication to, from and between alumni. There are times when we will support a specific initiative like Home For The Rockets (new building at the stadium) – when we do, those efforts and funds will be clearly separate and called out.

Shoreline Publication Dates

April • August • December
Submission Deadlines:
15th of previous month

Interested in submitting a story?

All stories will be considered for publication with discretion. Please send to Marie Rohlke Lowe '07, at: marriedlowe@gmail.com

Please use the donation form to send your tax-deductible donations. Payable to Bay Alumni Foundation to: Bay Alumni Foundation, 377 Dover Center Rd., Bay Village, OH 44140

Meetings will be held on the first Monday of every month at 7pm. Contact baylumni@att.net to be included in the meeting invite

2021 Senior Scholarship Winners.....

The Bay Alumni Foundation presented 3 scholarships at the 59th Annual Kiwanis Academic Achievement Program on May 19, 2021. Through the generous donations and support from our alumni, we have been able to recognize outstanding graduating seniors for many years. The committee received many wonderful applications for our scholarships this year and it was difficult to choose. But the committee all agreed on the following students who were each awarded \$1000 scholarships:

BAF female recipient: Julianna Sanchez

Julianna was a well rounded student and active member of her school community: her activities included Rockettes, student council, yearbook, and show choir. She plans to attend the University of Cincinnati and will study fashion

merchandising.

BAF male recipient is: Levi Wunder

Ben was involved in all of the bands at the high school, played lacrosse and soccer and participated in theater. He will attend Bowling Green University as a psychology major.

Class of 66 recipient: Emma Spirollari

Emma was in the National Honor Society, was a class officer, part of Model UN, and played volleyball. She will attend Ohio State University as a biology major in a premed track.

Congratulations to all of these impressive young people! We are all cheering for them as they begin the next chapter of their lives. Go with confidence, be happy, and keep in touch!

Bay High Spring Sports

- Matt Spellman, Athletic Director

Through all the challenges that COVID-19 brought to our Spring teams, we managed to successfully complete all of our Spring sports seasons.

Homecoming Sponsors

- Ross Beverage
- Carol Cole
- Meaden & Moore, Bill Smith '71
- Bay Village Foundation
- Joyce Buick
- Brooks Hull '66
- Mark Shepard '78
- Larry Hull '91
- Jim and Peggy Marquardt Joyce '78
- HomeSmart – Krista Viola
- Cavitch Familio & Durkin – Jim Aussem '67
- BAMKO – Dan Lunoe '00 and Jessica (Reilly) Lunoe '06
- Bill Reilly Team– Dan Lunoe '00 and Jessica (Reilly) Lunoe '06

After having the Spring Sports season cancelled last year, the athletes, coaches, families, administration were so grateful to have a season this past spring.

The Boys Tennis Team was crowned Great Lakes Conference Champions for the five year in a row. The JV team was also Northeast Ohio Tennis Association Division G Champions. In addition, senior Adam Zeidler was awarded the GLC “Most Valuable Player”. The team was led by Bay alumnus, Ryan Haley, who was also named GLC “Coach of the Year” for the fifth year in a row.

The Girls Track and Field Team sent a relay and one individual to the O.H.S.A.A. State Track and Field Championships in June. The Girls 4x800 meter Relay consisting of Lexie Bechtel (junior),

Norah Hamil (junior), Molly Rodgers (sophomore), and Kendall Sirignano (senior), finished in 18th place. Senior Chloe Rickson qualified in the Long Jump and placed 11th. Likewise, Chloe Rickson was voted GLC “Runner of the Year” (second time) and Kenna Johnston (senior) was voted GLC “Field Events Athlete of the Year” (second time). The Girls Track Team was coached by Clare Brandt.

During the Bay High School Academic Awards Assembly, a special group of senior student athletes were recognized. Audrey Hyland (golf and basketball) and Jack Nageotte (golf and lacrosse) received the Archie Griffin Sportsmanship Award. This was given to the top male and female athlete that displayed the highest level of sportsmanship, ethics, and integrity. The Na-

tional Federation of High School Associations Award of Excellence was presented to Kealy Sullivan (soccer) and Cooper Lyons (basketball). This award was given to the student athletes that displayed exemplary sportsmanship, ethics, and integrity. The Ohio High School Scholar Athlete Award was presented to Cooper Lyons (cross country) and Abbey Donahue (swimming and track). This award was presented to a male and female athlete with the highest overall grade point average. The O.H.S.A.A. Courageous Student Award was presented to Chloe Rickson (football and track). The Wendy’s High School Heisman School Award was presented to Brock Pickett (soccer) and Megan Young (lacrosse). The PCA Triple-Impact Competitor Scholarship winner was Sabina Williams. Lastly, the Nelson Narks Most Valuable Male Athlete

Award was presented to Ashton Price (soccer and basketball) and the Most Valuable Female Athlete Award was presented to Chloe Rickson (football and track).

The Bay Athletic Department, the Bay Village City School District, and the Home of the Rocket

Campaign Committee would like to thank all the alumni and community members who donated to the “HOTR” campaign. The facility is currently being built and will hopefully be completed in time for the 2022 spring sports season. This project would not have been possible without the support of the Bay High School Alumni and community members.

For all of your up-to-date scores and Bay Rockets news, go to www.bayathletics.org or follow us on Twitter at @Bayathletics.

Letter from the President

- Jim Joyce '78

We have been enjoying another beautiful Bay Village summer – one where we welcomed the return of Bay Days and fireworks, as well as, our community gathering to celebrate all Bay has to offer. It was great to get together again with our board, trustees and active members for our June and July meetings. Hopefully all our alumni are enjoying time again with family, friends and classmates!

As Judy announced on our Facebook site, we moved our elections from our traditional December date to June, aligning our elections with the end of our fiscal year. We can't thank Judy enough for all she has done for BAF over the past three years as president – and for the two years prior as treasurer. I had a front row seat to all the time, effort and passion she put into her role. She deserves a huge thank you from all of us – the Foundation is in great shape as we move into a new year.

I would also like to congratulate Eve Uhland ('76) who was elected Vice President. I have known Eve for over 40 years, she brings a wealth of experience to our group and has been an active member for the past several years. Congrats Eve – and thank you for your commitment.

Bill Smith ('71) was re-elected treasurer and will also act as secretary - until we elect a full time member to fill that role. Bill has been an amazing asset to BAF, his many years of experience have helped the Foundation continue to build improved reporting, governance, controls and structure. His impact is reflected in the annual financial report that is produced, the copies of our financial reports on our web site and many other items you may find interesting about the Foundation overall on the BAF web site.

Judy Krueger ('66') has been elected a Trustee, joining Al Nelson ('62'), Paul Hartranft ('64'), Lee Rohlke ('78') and Tom Phillips ('65') in an esteemed group – several are past presidents of BAF.

We are anticipating a very busy fall and look forward to 2021 being our biggest homecoming event ever. We hope many of those who live out-of-town can make the weekend festivities and we are counting on seeing many of the familiar faces of those who do live nearby. For those who won't be able to be here, we will be sure to share all the festivities with you via our Facebook

page.

Homecoming activities will start on Thursday evening September 23 and will continue through Saturday the 25th. There are details in this edition of Shoreline on all the activities and the availability of tickets to the Hall of Fame brunch at Avon Oaks.

We have a very busy agenda and plans for a number of expanded / new activities for your Foundation. Some of those efforts are outlined in a separate article. Additional information on several exciting ideas that are incubating will be released soon.

BAF holds our monthly meetings on the first Monday of every month. During the pandemic all meetings were virtual via Zoom. Our goal is to continue to offer Zoom access to the meeting in case any alumni care to participate. The business meeting will begin at 6:30 and the general meetings at 7PM – keep an eye on the Facebook page for the zoom link and information. During the beautiful summers in Bay, we often try to hold our meetings outside to enjoy the weather – in those cases Zoom will not be available.

Many of you may be aware that a new public library facility is under construction in the spot where the BayWay Cabin was located. BayWay was torn down earlier this year after the city determined it had served its useful life and would be cost prohibitive to update. While the new library will sit on Cahoon property, it can be open on Sunday's because nothing in the Cahoon Will prevents activities generally associated with a library. The design is a beautiful two story facility with a wonderful patio on the north side. It will have a special entrance for students (Middle School activities after school), and a unique entrance / area for adults. We have heard from several alumni who have wonderful memories of events held at the BayWay over many decades. Please share those with all members on our Facebook page – especially if you have photos!

As you may have seen in prior communication, Judy attended the ground breaking ceremony on behalf of BAF for the new building on the south end of the stadium. The facility is expected to be ready by November. We will keep you posted on the progress with pictures and information on our Facebook site. Thank you to all alumni who contributed to this effort. There will

be a plaque on the building recognizing the members of Bay Alumni Foundation. A paver will also be placed in the new courtyard which will state: Bay Alumni Foundation..on behalf of all alumni past, present and future. If you were an individual contributor who purchased a separate brick or paver, please see additional detail in this Shoreline.

Get ready for the return of the "Little Brown Jug" game against Westlake. A tradition and rivalry that dates back as far as the 1940's will return this fall as Westlake enters the same conference as our Bay Rockets. Bay won the final game in the year the conference was changing – so we have held the "jug" for years. It sits in one of the display cases in the gym corridor. The scores of every game since 1941 are written on the jug – it is full, no more scores can be added. Together with Westlake we have been able to find and purchase a similar jug from the 1800's. One of our BAF members, Cris Schuette Filmer - '66 – who was an art teacher in Westlake schools for many years – has volunteered to paint the new jug to look very similar to the "retired" one. Go Rockets!!

Recently I was asked: "who is Bay Alumni Foundation – and what do you do" – then that individual told me she and her husband graduated from BHS in the 90's. So...we felt the need to create a "digital flyer" that we can provide to all BHS alumni to help them get to know the Foundation and what we do. Our mission is focused on communications, keeping all our alumni connected via print and digital media sources – and via events that are fun for all involved. We hope those of you who are reading this can help us get the message out to all alumni so they too can share their memories and recent news with all of us.

Congratulations to our new board and Trustees, as well as the 2021 HOF inductee class. We hope to see many of you homecoming weekend! Please stay in touch and let everyone know how / what you are doing and share your photos and memories via our Facebook page.

Rocket proud!!

A Word from Alums:

Marie DeLuca Sandru '53 – "I just got my 10,000 mile check up! Repaired a few things and I am ready to go for the next 5 years. My brother, Joe DeLuca, class of '52, is still with us too!"

Joanne Hagedorn Casberg '58 – "Thank you so much for the Shoreline newsletter I have been receiving over the years! It is much appreciated to hear of the old friends, along with updated news of Bay Village. Because of age issues, we are not visiting Bay as we did for many years, so this news is special. Thanks again."

Roger and Susan Antolik '70 – "Living the retired life."

Jennifer Teschner '70 – "I appreciate the option of having a paper copy of the Shoreline."

Joe and Shirley Keever '49 – "Not many of us left from the class of 1949. I did marry the girl I dated in High School and we've had a great life here in the Bay Area of California. We live just south of San Francisco. I've just retired from T&F Officiating here at Stanford and the University of California although I still work part time at Stanford Athletics. If anyone remembers, my parents owned Bay Del on Dover Rd."

Scott Cowan '78 – "Thanks for keeping the Rocket Nation together and informed. Keep up the great work!"

Bill Davies '66 – "Retired from teaching after 43 years in 2018; retired from coaching football after 49 years this spring 2021; Thanks to President Judy and all of the workers of The Shoreline!"
