# BHS Centennial Memories

Submitted by Al Nelson - Past President and trustee

One of the most memorable moments in my life was actually a long term memory. I have many many memories of that old three story building. I attended Bay High School in the old building from 1957 to 1962. From 7th grade until my senior year 1962. I have to say in ‘57 it was a little scary for a 13 year old 7th grader to attend the High School with all the upper classmen. The size alone ... juniors and seniors were much larger in person.

Changing classes also had its share of issues. Especially going up and down the flights of stairs as it was typically very crowded. Lunch was in the old gymnasium on the first floor in the east end of the building. An old wooden

floor with markings of a basketball court on the floor. Believe it or not there was a small auditorium further east next to the old gym/ cafeteria.

They even used to show movies at lunchtime. The high school students welcomed us 7th and 8th graders without a hassle. We were included in many of the school events and activities. Assemblies in the newer main gym were packed with all six grades. Needless to say the upperclass was our mentors.

We looked up to them and they were great examples of the Bay High community.

It was a truly great six years of my life!!

# Alumni Madness 2022

What do you get when you have 100+ alums, a great venue like Bay Lanes, a lot of volunteers, great raffle baskets, fun casual food, and a great cause? ALUMNI MADNESS 2022!!

Alumni Madness is a wrap.... Saturday March 26, 2022, we took over Bay Lanes and celebrated – Covid had cancelled the event for a couple of years and it was time to come back strong! AND.... this is the 100 year anniversary of high school in Bay Village! It was time to gather and celebrate being together! What a great night of bowling, friends, food, and support for scholarships and the BAF corridor project! When we started planning this event, the goal was to have 100 attendees and we hoped to raise \$2000 to fund our annual scholarships for seniors planning to continue their education in college or a trade school. We exceeded our goals and can officially call it a great success!

What a night! We even sang the alma mater – led by Dave Waltz and Laurel Dyer Kaiser, class of '66! We had birthday cake for 100 years of high school in Bay (but I was not allowed to light the candles and sing happy birthday)! Colleen Neiman Newcomb '85 and Chris Neiman Reed '83 worked tirelessly to make

this event special – everyone was amazed at the raffle baskets, decorations, and food! The nostalgic candy – Necco wafers, tootsie pops, candy cigarettes, candy necklaces, Pez dispensers, wax bottles with colored sugar water brought back lots of memories! Nancy Smith Mitchell '77 worked for hours keeping track of ticket sales and assigning lanes. She and Kevin Missal '87 greeted everyone at the door and took payments for merchandise. Colleen Joyce Conroy '74, her husband Bob, Eve Ershek Uhland '76, and Debbie Williams sold the raffle tickets and kept track of the numbers! Peggy Marquardt Joyce '78 and Colleen Conroy put together the giveaway bags awarded throughout the night. Greg Krueger '93, Dave and Cheryl Miller Waltz '65, Toadie Dibble Mellon '66, and a great team of helpers came early to set up and stayed for clean up. Pete Just '86 from Silver Thread Marketing took care of ordering and delivering all of the wonderful centennial shirts and hats and magnets. Everyone was delighted with the design and quality. Brian Maciag '78 took all of the wonderful photos that are in this Shoreline and have been posted on Facebook! They will be posted on the website

for all to see!

As you know, classes compete for the most attendees – you don't have to be an alum to attend and you can come to support any class! The competition was going strong – 13 different classes from 1962 to 1993 were represented. We had teams like The Big Lebowski's, Cows Posse, Alley Oops, Reservoir Dogs, Has Beens, Staying Alive in '85, Bustin Free in '83, and Get Your Kicks with '66! The final count was 109 – 62 bowlers and 47 socializers! We even had a few people who were unable to attend but sent a donation to help their class and BAF – thank you to Susan Enneking and many others who added donations to their ticket purchases! A few groups travelled through snow and wind from as far away as Michigan and Columbus to be there. At the end of the night, the Class of '77 won for the most attendees and money raised! The class of '91 was close behind as the lead changed between them all week! '77 had a few last minute registrations at the door that put them over the top! The Classes of '87, '66 and '78 were well represented and get Honorable Mention for sure!

Our winners: highest score

female is Colleen Neiman Newcomb '85 from the Staying Alive in '85 team and the highest score male was Jim Haines from the Bustin Free in '83 team! They each get to choose an item of centennial merchandise that we introduced and offered for the first time Saturday night at the event. Wear them with pride!

We had wonderful comments all night – one spouse told me she graduated from high school in Michigan and came down with her husband to attend this event – she said: “My school's alumni do nothing! This is unbelievable!” Another alum told me: “You guys are rock stars! What can I do to get involved?” We even had an alum's husband who didn't graduate from Bay say: “Look at me...I'm buying one of these Bay shirts! This is amazing!”

Special thanks to our sponsors: Bill Reilly Team, Joyce Buick-GMC, BAMKO, and Silver Thread Marketing. Mark Brabant, '82 from Hovering Object designed the banners that were donated by Pete Just at Silver Thread Marketing.

We are so grateful for our supportive alumni community! We sure know how to party!!

# Alumnus and Super Bowl Champion

Photo provided by Ted Monago

**C**ongratulations to Bay High School alumnus and Super Bowl champion, Ted Monago! Monago is the Assistant Director of College Scouting for the Los Angeles Rams. This 1987 grad got his football start right here in Bay Village, playing for the Rockets. He then went on to play football for Arizona State University as a walk-on athlete.

Monago, who comes from a family of seven kids (six of whom graduated from Bay High School), says he was an average athlete and normal student, but it was the community and school district that prepared him for success.

“We call it the ‘Bay Bubble’ because it’s a unique community,” Monago said. “Quality teachers, dedicated coaches and active parents were always around us, guiding us to become who we are today.”

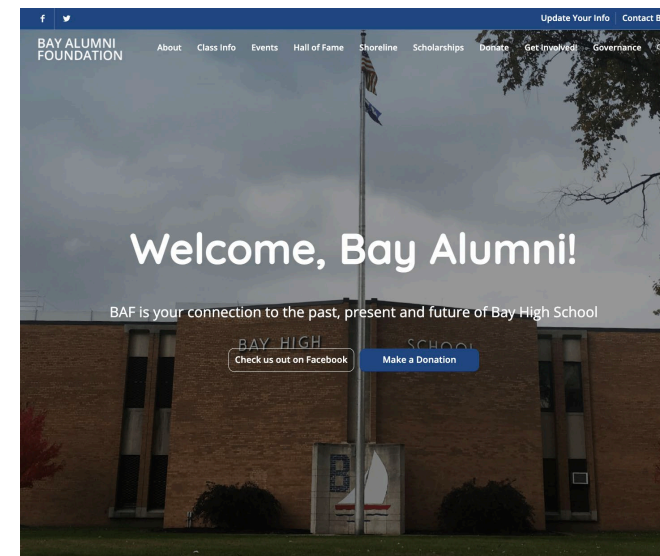

After graduating from ASU, Monago received his Master’s in Educational Administration from University of Idaho, and went on to coach at the College of William and Mary. He

then joined the Chicago Bears as an Area Scout and Executive Scout, and was with that organization for more than 12 years. In 2013, this former little league umpire joined the St. Louis Rams as a National Scout. Three years later, the team became the Los Angeles Rams, and in 2017, this former Rocket was promoted to his current position, Assistant Director of College Scouting.

“Going to Bay, you always knew you’d be prepared for college and be further ahead than most,” Monago said. “I still keep in touch with so many of my classmates, and stop by and visit the football team when I’m in town. Once a Rocket, always a Rocket!”

## Have You Checked Out Our Website Lately?

**T**he BAF website, bayalumni.com, has been getting a fresh update over the past few months. We’ve added an events calendar, tons of information on all of our projects and events, and a “Get Involved” form you can submit to make it easy to help out. Updated Hall of Fame and Class Info. pages are currently under construction as well.

Our website is also the easiest way to update your contact information for class reunions and the Shoreline Newsletter. Go to bayalumni.com/update and submit the form with your current contact info.

# Letter from the President

- Jim Joyce '78

It looks like we may be emerging from winter in Bay! Yes!! December was so easy with less than an inch of snow and then we were hit hard on MLK Day and the snow stayed on the ground for a near record time. It's great to see flowers starting to bloom and some of the trees showing signs of Spring.

While winter can be tough, it is always made easier by the entertainment of the Bay High Choir Concert, the Bay Winter Band Concert and the annual Talent Show. This year, as part of the centennial celebration, alumni were invited to participate in the Talent Show. It was fantastic to have Greg Kier from the class of 1984 perform from his home in Brazil. Greg has been performing with the orchestra in Brazil for the past 24 years as a cellist. Via Zoom he entertained the audience by playing beautifully – then he wished Bay High a Happy Birthday – asked everyone to standup – and then played the Bay High Fight Song. It was a fantastic moment. Everyone stood, clapped – and many were singing the words. Thanks for a very special moment Greg. For those on our Facebook site you can see the video there – we have also loaded it on our BAF YouTube Channel as well.

More centennial celebration activities to date have included the Spring Play and Alumni Madness. Alumni Madness is always one of our most fun events of the year. We have a section in this Shoreline covering the details, including photos. Thanks to all the alumni who attended. We all had a blast and raised funds for the BAF scholarship fund.

Upcoming centennial activities include our Arbor Day event where we will plant a tree

at the original site of Parkview High and another at the current Bay High School. Both will have plaques to commemorate our 100 years. Late May will be Field Day where alumni will host seniors for a cookout at the stadium – their first welcome to Bay Alumni Foundation! Graduation will follow – then we will move to Bay Days over the 4th and the all-community / all-class picnic at the high school in August. More details forthcoming.

You have all been so amazingly generous with your donations to the Bay High History Corridor effort – we have achieved our fund raising goal!! Thank you. To all those who donated you will be proud to see your name on the donor plaque as you enter the hall. Work has started and we hope to be complete by June 15. Like most things these days our schedule was pushed back a bit because of supply chain issues. When complete, this corridor will make us all proud and provide an excellent place for returning alumni, current students and visitors to Bay High. It will provide a wonderful history of our century of accomplishment, tradition and pride. If you are still interested in donating you can do so via our website – we can always use additional funds for ongoing improvements and additions.

If you have something you would like to see displayed in the corridor, please contact us and we will work with you to get it here. The items can be “on loan” or donated. Our display cases will have locks and there are security cameras in the hallway to help discourage any malicious activity.

Our “team” of volunteers is more energized

and involved than ever before. A great big thank you for all you are doing – including the centennial activities, the corridor planning, our scheduled events, updates to our web page, and continued outreach to our fellow alumni in many forms and mediums. It sure is a great team of passionate individuals who make this all possible.

Our hope is we will see as many of you as possible during one of the upcoming centennial events – and certainly homecoming weekend. A reminder, we plan this to be our biggest homecoming ever with our annual parade, the game and this year we hope to have fireworks after the game. We also have a goal to connect alumni with current students to co-create a float for each class year (bringing back a tradition that has been lost for the past few decades).

Also in the fall we plan to launch our national alumni network – in collaboration with the high school administration. The network will help connect graduating seniors with BAF members around the country. More on this in the next few months.

Thank you again for all the involvement, communication and support. Bay High Proud!!

Jim

## Bay High Class of '71 50th Reunion Recap

Submitted by Bill Smith, Treasurer

Our 50th reunion was held September 17-19, 2021. It wasn't easy planning a reunion during a pandemic, especially when your age group is labeled a “high-risk” group. Luckily vaccinations were well underway, our venues were outside or well ventilated and we were at a low point in the COVID curve before the Delta variant came about. However, the pandemic did lower our attendance as many alumni decided not to take the risks of travel and gathering. They were missed but we understood their decision.

On Friday morning, Bill Smith hosted a golf outing at Avon Oaks. We had 11 golfers who all had a good time, especially those who had ties to Avon Oaks – one's family were members back in the day and one used to work on the greenkeeping crew during his college summers. After golf we had a nice lunch on the patio where the skill prizes were awarded. Rumor has it one foursome had some interesting side bets.

We held our Friday night casual get together at the roomy upstairs and porch of Veranda Bistro & Bar. You may remember it as Katie Kreuzers' Country Place or Millers Country Place. It is owned by Matt Heller, a 2008 Bay grad who did a great job for us. We ordered appetizers ranging from Millheim Meatballs to Llewelyn Lobster cocktails off the Kitzerow Kitchen Menu.. Jim Belanger provided the background entertainment. Veranda ended up being the perfect place for the casual gathering for people to catch up. Many alumni who couldn't make the Saturday night event stopped in, as well as alumni from other classes. A remembrance book of our deceased classmates, put together by Liz Plummer, was available for review and received a lot of attention.

On Saturday morning, Liz Plummer hosted a tour of the high school for about 20 alumni. They all enjoyed walking the hallowed halls of Bay High and seeing all the improvements since our day, including an auditorium and state of the art newsroom where several classmates tried their announcing skills.

Saturday night was our big event at the Fuller house and surrounding green areas in the Bay Arts complex in Huntington Park. The venue was decorated with flower arrangements, blue and white balloons, and many rockets. We had a little over 90 people attend, from all the coasts (West, East, Gulf and North) and many states. Thanks to those who brought past yearbooks, Bay Windows, and other nostalgic items. Bonnie Bockel even brought her old cheerleader outfit. Dave Rothrock provided the soundtrack for the 70's background music. The weather cooperated and it was a beautiful night for outdoor dining with the Thyme Traveler Food Truck for dinner selections. A beautiful table of Covid-style desserts (individual cupcakes) were provided. We had alumni with a variety of careers from the arts to veterinarian services, the military and many business owners. We even had a television and movie actor. However, nobody really cared what people did. They just enjoyed catching up and seeing each other. There were even some admissions of secret school crushes. It took a while, but we finally herded everyone together for a class picture. Some of us even heard the true story of our senior prank - releasing a greased pig in the school hallway. This could make a good article for a future Shoreline although the names will be changed to protect the innocent.

A special thanks to Mary Beth Cole Corrigan for leading the reunion committee and thanks to her husband Patrick for filling in as official photographer.

Hopefully, by our next reunion the world will be back to normal. In the meantime, all stay safe and healthy and keep in touch via our Facebook Group - Bay High School Friends Class 1971 Grads.

## MEET YOUR NEW RECORDING SECRETARY

Peggy Marquardt Joyce – '78

Peggy was elected Recording Secretary in the Spring of 2020. We have her to thank for the meeting minutes that are published monthly (available on the BAF web site), as well as all her work on our activities like homecoming, field day, Alumni Madness and more.

Peggy graduated in 1978. During her years at BHS she was a cheerleader, in choir, PEP Club and several other activities. Upon graduation

she attended Ball State University where she received her Bachelors of Science, and subsequently her MA from Kent State University. She has served as a Speech / Language Pathologist in Bay and Elyria School Districts.

She and her husband Jim (also BHS 78) live in Bay. Her favorite activities are spending time with her two beautiful grandchildren, swimming, painting, crafting and travel. Thank you Peggy for all you do for BAF!!

Bay High  
Fall Sports

- Matt Spellman, Athletic Director

Bay High School Athletic  
Winter Sports Alumni Newsletter  
2022

This past winter, our sports  
teams continued to excel in their  
respective sports.

Sophomore Anthony Rocco  
qualified for the OHSAA State  
Wrestling Tournament as an  
alternate by placing 5th at

the District Tournament. The  
Wrestling team was coached by  
Paul O'Donoghue.

On the ice, Sophomore Tommy  
Kirk broke the school record for  
most goals by a defenseman for  
the season with 25 goals.

On the hardcourt, Girls  
Basketball Senior Emily Martin  
broke two school records this  
past season. She broke school  
records for most three-pointers

in a season with 63 three-  
pointers and most three-pointers  
in a career with 144 three-  
pointers.

The Swimming and Diving  
programs continued to be  
competitive this past season.  
The Girls Team was OHSAA  
Sectional Champions at a tough  
Akron Sectional. Junior Nina  
LaRosa was District Runner-up  
in the 100 Yard Breaststroke

and earned a spot at the OHSAA  
State Swimming and Diving  
Championships. She went on  
to place 5th at the State Meet  
earning All-Ohio honors. Finally,  
Nina broke a 25 year old record  
in the 100 Yard Breaststroke with  
a time of 1:03.45. The Swimming  
and Diving Teams were led by  
Gabby Kariotakis.

**A Word from Alums:**

Thank you for the fine article on the Living Christmas Tree ! I was in its first appearance in 1959. I am standing next to Ken Hook on Mr. Crews' right. The top step went to Barb Carson who stood no more than 5'2". Cute girl as I remember her. I can't recall what faith Mr. Crews had. He certainly knew a lot about Christianity. He was married to a woman of the Russian Orthodox Church and they lived somewhere on Detroit Rd. My sister is Susan Woehrmann Leininger and lives with her husband Bryan in Saybrook, near Ashtabula.  
-The Rev Ralph Woehrmann, Emeritus, The Lutheran Church-Mo. Synod Chaplain Major USA Retired

As a former choir member, I loved the article about the BHS Christmas concerts, and I'm so glad to know that the singing Christmas tree tradition still continues. I wish I lived closer to see these concerts in person, but they are cherished memories of my years there. Please accept this donation in memory of Curt Crews and in gratitude for all the faculty and staff at BHS. -Lynne Kuhlow Snyder, Class of '74

Keep doing the great posts. Enjoy...memories, great ones!!  
-Rebecca (Becky) Fullerton Cameron, Class of '73

Both Nancy Chamberlin Peterson (1st Kindergarten Class) and Fred Peterson graduated in 1954. Nancy grew up on Canterbury Rd. and Fred on Osborn Rd. by Bassett Rd.

Keeping active, playing tennis three times a week.  
-Bill Stirgwolt, Class of '59

I was always proud that I was born and raised in Bay Village, and attended school from grade one to twelve- 1936-1948. Good football teams also!  
-Alice Case Black, Class of 1948

Tom passed away in May of 2021. We were high school sweethearts since we were 10th graders, and married after college in 1958.  
-Diane Davis Krukemeyer

Keep up the great work! -Tom Paden, Class of 1975
