BAY TRIVIA

It is time we replace "Do You Remember" with a new section we thought you might find interesting.

7

60 YEARS OF ROCKETTES

Memories from Susie Murray Grubb and Marty Moore Bronston, Class of 1962, Rockettes.

UPCOMING EVENTS

If you have a reunion coming up, please contact us. We will help get your message out by posting on the web page under Events and in upcoming Shoreline's. Plus, we have a Class Rep Reunion Help document where we can help you with email addresses, setting up school tours, suggested venues, etc. Please share pictures with us of your event.

Class of 1981 Reunion

Ralph “Josh” Mowery ‘71

Alumni Spotlight

Submitted by: Bill Smith ‘71

Ralph “Josh” Mowery ‘71 was a friend and classmate of mine. We sat next to each other in several classes and played soccer together. But as we went off to different colleges, we lost track of each other. I heard that Ralph and another classmate were both flight attendants based in New York. Much to my surprise, at one of our class reunions, a lot of my classmates were excited to see Sam, a character on General Hospital, played by a Josh Mowery. Well, it ends up my old soccer friend was not only a flight attendant but also an actor with a new name. Although not as well-known as Bay’s other TV star, Patricia Heaton, Josh built an exciting career in the entertainment business in modeling, television, and the movies.

Josh has worked with Clint Eastwood, Al Pacino, and many others. His acting credits started in soap operas on General Hospital (Sam) and then Days of Our Lives (O’Connor). From there he worked on a variety of TV series, and movies including The Sopranos, Sex, and The City (Cliff Bergen), Law and Order, Madam Secretary, Blue Bloods, The Good Wife, Bull, The Flight Attendant and Marvelous Mrs. Maisel. He has played: a car salesman in Hustlers, President Regan in Monsterland, the last surviving passenger in Non-Stop with Liam Neeson and appeared in one of the films promotional photos. Josh worked in the HBO film Paterno with Al Pacino and became friends with Clint Eastwood who directed him in the film Sully.

Josh likes to say he was more interested in being the goalie on the soccer team and playing baseball (the ‘70 team made the state

regional semifinals) than in acting during his Bay years. That said, he was influenced and helped by other Bay alumni along the way to his acting success.

His acting journey began in 1974 when Kirk Shepard, ‘69, heard that Tim McLaughlin ‘71 and Ralph were modeling for American Greetings. Kirk, who also had a bit of an acting career including starring in the movie sequel to Battlestar Galactica (including an action figure, a story for another time), was working with modeling agency David Lee in Cleveland and he arranged for them to meet and represent Ralph and Tim. Ralph and Tim began booking local modeling jobs and some commercials for May Company and Higbees. In 1977, David Lee agency insisted Ralph take a 2-year acting class at the Phoenix Theatre in Cleveland so the agency could get him auditions for more commercials. Ralph did a couple of plays after the training and to his surprise, loved it!

From there Ralph and Tim heard about an agency in Detroit and began booking modeling jobs around the Motor City. The starving artists were driving to Detroit regularly which was expensive and time consuming. Ralph’s sister Sue Mowery Kohl ‘72, a flight attendant who also did some modeling work, suggested they try to be hired by the airlines and fly to their modeling jobs in Detroit and later, Chicago. They took her advice and became flight attendants. Due to a downturn in the aviation business, they were temporarily furloughed in 1981. Tim continued his modeling and Ralph decided to give Los Angeles a shot. Within 6 months he landed a great agent who thought

the name Ralph was a little old school. So, Ralph became “Josh” professionally. The agent arranged a meeting with the casting director at General Hospital and after several auditions landed the part of Sam, a young intern at the hospital. After his contract was up, his agent set him up with Days of Our Lives and Josh landed the role of O’Conner, a Salem city official and who came in at times to assist in nailing the town villain. That role lasted 5 years.

Josh was then ready to move to New York and has been working on TV and film ever since. He had roles in many series playing congressmen, lawyers, prison guards, a sexaholic, car salesmen, bar patrons and more. Between his acting gigs, he has stood in for George Clooney, Michael Douglas, and Pierce Brosnan in several films.... You may also catch Josh on infomercials.

If you were in Bay in the 70’s and early 80’s, chances are you know a Mowery. There were seven Mowery siblings in thirteen years, keeping Bay High busy and all of them made an impact. Ralph “Josh” ‘71 - baseball and soccer, actor; Sue ‘72 - Eastern Flight Attendant and worked for City of Bay Village, Lynn ‘74 - Bay Rockette; Rick ‘76 - Air Force Crew Chief on the Stealth Bomber; Dave ‘78 - Bay football; Jane ‘79 - Bay Rockette; Scott ‘83 - Bay football and baseball.

“Josh” tells friends and actors he has worked with that this is the LAST profession he ever thought he’d be involved in. But he loves it and will never want to retire as an actor. Finally, when he is in Bay, he still answers to Ralph.

Bay Trivia

- Kevin Missal, '87

Kevin Missal has done a fantastic job with the Do You Remember section in Shoreline over the past several years. It is time we replace that with a new section we thought you might find interesting.

What year was Parkview School built?
 1922

What were the second and third schools built in Bay?

Forestview and Glenview

What year did Bay High become known as the Rockets?

1947

What year did the Rockettes form for the first time?

1961/2

Where was the first library in Dover / Bay?

Rose Hill – Cahoon Home

On whose farm was Parkview built?

Wolf Family

Who was the first sports All American from BHS?

Bob Pressler – soccer -1973

What was the name of the first BHS school paper?

ARCLight

What team won the first state championship in BHS history?

1972 Wrestling

Bay Memorial Stadium at the current BHS was dedicated in what year?

1972

Whose family home was purchased and used as the first school board building?

Sam Osborn

What year did the Interurban stop running?

1939

The first school building ever in Dover (Bay) was where?

Corner of Bassett and Lake Roads

Another family arrived in Bay within days of the Cahoons – who were they?

Hint, there is a creek and library in the area named after them. The Porter Family

The “Singing Christmas Tree” made its debut in what year?

1959

What was the name of the first yearbook published by BHS?

The Larynx in 1925

Letter from the President

- Jim Joyce '78

We sure have had fun celebrating our centennial! Every month we have enjoyed a unique activity to honor our great past – and to celebrate our future. In February BAF members participated in the annual BHS Talent Show. On Arbor Day we planted oak trees at the original Parkview site and at BHS. We celebrated Bay Days with our alumni and the community, and we held our first-ever alumni band event in August.

We just completed homecoming 2022. It was great to see all the returning alumni and to have a chance to catch up with so many fellow Rockets. While the weather didn't fully cooperate, homecoming was an exciting and action filled week.

Activities kicked off Wednesday evening with a student – alumni gathering at the high school where we enjoyed pizza while sharing homecoming stories and finished banners for the parade. Thursday was Light The Night and bonfire which is always such a great event for the students, alumni and community. Nearly \$10,000 was raised for The Leukemia/Lymphoma Society this year.

The traditional PEP rally was held in the auditorium on Friday afternoon followed by what may have been our largest parade ever. This year included three alumni floats, the phenomenal Bay High Band, and a wide array of community groups. There were 130+ spots reserved along Cahoon Rd. to make room for all the groups. Even with the chilly weather and a strong breeze, Wolf Road was packed as usual. Kids enjoyed all the candy, frisbees, mini soccer, football and volleyballs being tossed their way. Adults were treated to plastic cups and koozies for their favorite beverage. Our sponsors were once again very generous and helped make 2022 a special year.

The Rockets dominated their respective sports homecoming week. The football Rockets did their part beating Fairview 35-3 Friday night and the Bay High Marching Band

performed flawlessly. Girls volleyball, boys soccer, girls soccer all beat North Olmsted during the week. Both soccer teams remain ranked in the top ten in the state and girls volleyball continues in the playoffs as of this edition of Shoreline. It was no surprise that the special centennial items were flying off the shelves on Friday night – especially those warm hoodies!

On Saturday morning we held the official opening of the Bay High Alumni Corridor. Our generous donors were invited to a private ceremony which included members of the school board, Jason Martin (BHS Principal) and Scot Prebles (Superintendent). It was our chance to thank all those who made it possible for us to honor and celebrate our amazing 100 years. It was also a time for us to thank all those who worked so hard to make it a reality. We hope you all get to see it in the very near future.

We're not done yet! In November we will hold our first ever Alumni Career Night, focused on health care. We were asked to find ways for the current students to collaborate and leverage our fantastic alumni community. Alumni Career Nights will be held throughout the year – each focused on a different career path. These events will give current students and their parents a chance to engage alumni for advice and support as they consider their career direction. If you are interested, please signup via the link on our web page <https://bayalumni.com/>. We need more alumni who are willing to participate.

And...drum roll please...we will end our year with the awesome holiday concert in the Bay High Auditorium. All alumni choir members are encouraged to come back and join the student choir on stage at this event – singing traditional songs that have been part of our history for more than 60 years. And... yes, the "Singing Christmas Tree" will be a centerpiece once again. Get your tickets early

– they will sell quickly!

One of the local news channels featured BHS all morning last week. Students, teachers and alumni were there as early as 5 AM to meet them. Various aspects of Bay High were the focus throughout the morning, including the band, cheerleaders, athletes, Rockettes and overall school pride. They ended the morning with a feature on the Alumni Corridor. The morning lead anchor said they had never seen anything like it in any other school. The on-location reporter said she has visited schools all over Northeastern Ohio and it was "simply awesome and unique, nothing like I have ever seen anywhere before". Way to go BAF and BHS!

One of the best things BAF has experienced in 2022 is the emergence of a passionate and growing team of active members. Accomplishing all that has been done this year would have been impossible without so many proud Rocket alumni working tirelessly together. BAF was founded by alumni from the 50's and 60's, they created something very special for all of us. Over the past decade your foundation has been led by active members from the 60's and 70's. In 2022 we enjoyed seeing those from the 80's and 90's step in and play key roles. We are excited to see them take the lead going forward – and continuing our mission to connect our past, our present and our future.

2022 has been an exceptional and memorable year, as it should be in our 100th. As the trees turn color and the days get cooler, we look forward to all your continued notes, comments, updates and support.

Once again...happy 100th Bay Alumni. Have a great Thanksgiving!

60 Years of Rockettes

Memories from Susie Murray Grubb and Marty Moore Bronston, Class of 1962, Rockettes

In the summer of 1961, there was a lot going on at the high school – a large group of us were practicing for Junior Olympics, the marching band was practicing for the start of school, the cheerleaders and majorettes were practicing in the school or on the football field. Word was spreading that a “drill team” was being formed and tryouts would be happening soon.

This was really exciting news – at that time, there were no girls’ sports, only 6 cheerleaders, and 7 majorettes. The idea of more girls being part of a group was just amazing! Over 50 girls came for tryouts – imagine seeing the football field filled with girls!

The band directors, Mr. Settles and Mr. Hosmer, were the advisors and were making this happen! Pat Pecoy, the Head Majorette, was helping with choreography and the tryouts! At the end of the tryouts, 27 girls were chosen and then the fun began - we had to decide what to do next! It was all new! What would we wear? So we went to Westgate Mall, bought our Bay blue pleated skirts at Lerner’s and found white sweaters with fringe at Marianne’s– we all had to buy white Keds tennis shoes and white wool socks! We made pom poms from royal blue and white crepe paper that we cut into strips! A long way from the professional uniforms and boots being worn 60 years later!

We were proud to wear our “uniforms” to school on Friday and performing at halftime was really special. Our entrance song was Rose’s song from the show Gypsy: “Everything’s Coming Up Roses” which still brings back lots of memories when we hear it today. Homecoming that year it was pouring rain and we were all soaked. In those days, the Homecoming Dance was immediately after the football game – so all of us went to the dance with wet hair! No great photos from that dance!

Being part of that original Rockettes was a wonderful way to start our senior year – the Class of 62 was well represented and we worked hard to perform well. A couple of us came back to Bay High and had fun performing at the first football game this year at the Alumni Rockettes and Band night to celebrate 100 years of high school in Bay Village. Sixty years later, we loved performing with the Rockettes – the Class of 62 is proud to have been the first!

MEET YOUR BAF DATABASE ADMIN – BETH SAVAGE

One of the most critical functions of our foundation is communication, it is the basis of our mission; connecting our past, present and future. We send thousands of Shoreline and Rocket Blasts to alumni several times per year – digitally and in printed form. With more than 16,000 alumni in our database, keeping data and information current is a monumental task. Beth Savage '79 volunteered to lead this effort in 2021 from her residence in New York City. We are so appreciative of all the time she takes to keep track of all the comments, donors, address changes, new alumni and those we have lost. She is our intelligence cornerstone. Beth’s

knowledge of data, systems, structure and use have been invaluable to all of us. Here are some questions to help you get to know Beth:

- 1. When and how did your family arrive in Bay?** We lived there when I was in 1st and 2nd Grade, and then lived in three other places before moving back in the middle of 8th grade. My mom is from the Cleveland area, and wanted to live there.
- 2. Where did you grow up in Bay?** First on Lake Forest, and then on Normandy aka South Central Bay.
- 3. After graduating from BHS you...?** Went to BGSU during the school year, lived at Put-in-Bay during the summers, then

NYC after my post-graduate summer at PIB

4. What is your fondest memory of your time at BHS? Spanish class with Ms. Libis was fun

5. My career focus has been? All in the arts: 24 years at The Andy Warhol Foundation, some work at the Pollock-Krasner Foundation, some work at The Ford Foundation, among other jobs.

6. Today I am involved with? Besides my main paid work, I am President of two Boards of Directors, have fostered 100 dogs until they’re adopted, and do home design work for others, in anticipation of home or apartment sales.

7. Biggest difference between Bay and NYC? Just one thing? There is a LOT more to do in NYC in every aspect of what “to do” can mean, and the weather is better, with a default of blue skies and sunshine unless it is going to precipitate. Okay, that’s two things.

8. What are the biggest changes you have noticed in Bay? The drive along Lake Road has lost much of its beauty, due to the removal of the classic houses along the lake.

Bay High Fall Sports

- Matt Spellman, Athletic Director

**We are grateful to be able to
have another successful fall
season.**

This past fall, Bay High School Athletics had many memorable moments on the court, on the field, and on the course.

The Girls Tennis doubles team of Gianna Crimaldi (freshman) and Sophia Henrich (junior) qualified for the OHSAA Division II District Meet and just missed out on qualifying for the OHSAA State Meet.

Football finished 5-6 on the year qualifying for the OHSAA Division III Playoffs for the 9th year in a row. The Football team was coached by Bay Alumnus, Ron Rutt.

Boys Soccer was the lone Great Lakes Conference Champion

for the fall. Boys Soccer was also OHSAA Division II District Champion. Senior Million Evans was Great Lakes Conference Player of the Year and First Team All-Ohio. Senior Ethan Jacobs was Division II Greater Cleveland Soccer Coaches Association Player of the Year and First Team All-Ohio. Both Evans and Jacobs were candidates for All-Midwest and All-American honors. Evans also was selected to play in the All-American game in Panama City, FL. The team was led by Bobby Dougherty. Coach Dougherty was also invited to coach in the All-American game in Florida.

Boys Cross Country qualified for the OHSAA Division II Regional

Meet (3rd at Districts) and just missed out on qualifying for the OHSAA Division II State Meet by placing 7th at the Regional Meet. Members of the team were James Chilton (senior), Will Dunstan (junior), Michael Hanselman (sophomore), Iain Ray (senior), Kieran Ripley (freshman), Connor Spellman (sophomore), Roan Williams (senior), and Peyton Myers (sophomore – alternate). Boys Cross Country was coached by Steve Babson.

The Volleyball team was OHSAA Division II District Champions and OHSAA Regional Runner-up. This was the farthest the volleyball team had gone in the OHSAA Playoffs since 2010. The

Volleyball team was coached by Katie Seal.

The Girls Soccer team was OHSAA Division II District and Regional Champions. They also made it to the OHSAA Division II State Semifinal game for the first time since 2018. Sophomore Tessa Knapp was Division II Greater Cleveland Soccer Coaches Association Player of the Year and Division II First Team All-Ohio. Girls Soccer was coached by Bay Alumnus, Beth English. Coach English was also Division II GCSSCA Coach of the Year.

Girls Cross Country was OHSAA Division II District and Regional Runners-up just missing out

on being crowned Regional Champion by 1 point. They placed 10th at the OHSAA Division II State Meet. This was their first trip to the State Meet since 2013. Members of the team were Erin Belveal (sophomore), Abbie Dent (senior), Brooklyn Marriott (sophomore), Morgan McFarland (freshman), Maeve Ransom (senior), Molly Rodgers (senior), Isabella Wyman (junior), and Evelyn Ray (junior – alternate). Ransom was also District Runner-up. Girls Cross Country was led by Scott Snyder.

Nominations Distinguished Alumni & Educators

We will celebrate the 2023 Bay Alumni Foundation Hall of Fame Induction during homecoming weekend. Homecoming is planned for Friday September 22 and Saturday September 23, 2023. Time to nominate the BHS educator who helped make BHS exceptional for 100 years. It's also time to nominate those fellow alumni who have made their mark on society after leaving Bay High.

The eligibility requirements are listed below. All nominees must be supported by two other

individuals, not related to the family of the nominee. All alumni are invited to the HOF Brunch, which is a fantastic event.

The nomination forms are available on the BAF web site – under Hall of Fame. As you can see in the photo below, our original HOF board is full. As part of the corridor project we were able to add a new board that contains space for alumni and educators.

Join our Class of 1973 for a Time Together Reunion celebrating then and now!

*Save the Date
for our 50th Reunion!*

The main event will be held on 9/23/23!

More details will be forthcoming in January.
For contact changes, email Barb at: bch.73@yahoo.com.
