Homecoming wrap up

- Inductees loved the weekend. A lot of positive comments.
- Parkers was well received, but not ideal. Price and food were excellent – but room was a little small/ long – especially since we were over sold.
- Choose a location for the HOF brunch 1 year in advance.
- Some alumni at the game were disappointed there were no sign-in sheets to sign and be read at the game. Suggestion was made for announcers to welcome alumni and ask them to stand by decade of graduation (during the first half of the game).
- Car magnets with the HOF honorees did not stick to the jeeps.
- Discussion about the athletic HOF and BAF getting back into an every other year cadence. Would the athletic HOF consider doing a small induction class this year? Mike Masterson is the president. Bill Landers and Jim will talk with Mike.

Shoreline

- Marie has templates – but is no longer able to do the Shoreline.
- Pete and Becca will discuss – to see if Becca wants to take it on.
- Other option Pete has a contact that could design and produce the Shoreline at a non-profit rate.
- Need to make a decision.

Alumni Madness

- There are no Saturday evenings available due to leagues. Pete will talk to the owner to see if the leagues would be willing to take a “bye”.
- Other option maybe to go to Avon Lake lanes.

Year End Gathering

- Jim suggested Veranda on December 4, Will call for a reservation.

Additional News

- The reception for the Project of the Year took place on Sunday, September 24 at the Bay Middle School library. BAF was presented with a proclamation from the city. The proclamation will be framed and placed in the corridor. Copies were made and frames. These copies were given to Judy, Jim and Susie for all the dedication, hard work and long hours.
