BAY ALUMNI FOUNDATION NEWSLETTER

A MESSAGE FROM THE PRESIDENT

KEVIN MISSAL- '87

As I am writing my first President's message to all of you, we have officially entered into Autumn and the football team completed the regular season with a 6-4 record, qualifying for the Division IV playoffs. You will be happy to know that we won our Homecoming game a few weeks ago against Westlake, and retained the Little Brown Jug. The parade went off without a hitch as we celebrated the 30th anniversary of traveling down Wolf Road from the middle school to the high school with many community organizations, sports teams, extracurricular activities and, of course, our fantastic high school marching band. Thanks to our many sponsors, the Alumni Foundation kept up its tradition of giving away frisbees, mini foam footballs, basketballs, soccer balls, jump ropes and candy. The rain remnants from Hurricane Helene held off for the parade and the onlookers standing on both sides of the road. I especially get a smile on my face to see all the kiddos (and adults too!) requesting something and then their smile and laugh after we throw or hand them something from our bag of treats.

Your Foundation is in great shape fiscally and organizationally. We have many members who have been involved for more than five to ten years. However, we welcome anyone who wants to join us for our monthly meetings at 6:45 p.m. the second Tuesday of the month in the Community Room at the Bay Village Police Department. There are many activities throughout the year we could use an extra helping hand with. In fact, the Foundation is going to be reaching out to each class representative in the coming year to solidify communication and to discover what platforms are being used by the class reps to disseminate information. This will assist us in creating more effective and timely ways of spreading our news to all of you.

As I close out this first message, I want to thank all of you who donated to our first annual day of giving ("Rocket Day") back in July. The money received will allow us to give an additional scholarship to a graduating senior next year, and help us continue our Alumni Corridor upkeep, along with honoring our Distinguished Alumni and Educators next year. Remember, all of you have a say in the nomination process. Please look at our [website](#) and if there's someone who you feel is deserving of the honor, please write a nomination and get two others to support that decision. We enjoy bestowing the honor upon all those who have contributed to our community, nation and world in positive ways. If you need anything from us, we are here to assist you in connecting your past, present and future.

Bay Village Proud and One Rocket Nation!

-Kevin Missal ('87), President

THANKS TO YOU, ROCKET DAY SOARED!

Your overwhelming support of the first-ever Bay High School Alumni ROCKET DAY and additional contributions from the July issue of Shoreline brought in more than \$9,400 to the Bay Alumni Foundation between 7/10 – 7/30. These donations will allow the Foundation to continue its mission of “Connecting Our Past, Present and Future” for the benefit of graduating Bay High School seniors and alumni from all decades. Because of your generosity, we will be able offer at least one additional \$1,000 scholarship to a graduating senior of the Class of 2025.

A WORD FROM ALUMS

My dear brother, Bob Collom (Class of 1953), lived a long life surrounded by a loving community in Oregon. His love for flying kept him flying jets in Vietnam, and smaller planes as rescue work in his county when he retired. He raised a family on a small ranch and was a sportsman throughout his life. He finally stopped teasing me, the little sister, and became a wonderful brother to me.

ROCKETS REMEMBER

AUTUMN LEAVES by George Serb

The leaves seem to be falling all of a sudden and reminds me of years ago when such a thing as leaf collection was unheard of. Bay's rubbish was collected once a month and garbage every week in a Ford Model "A" open body dump truck. In the summertime, a horde of flies would herald its arrival.

The fall brought a cloud hanging over the community. It wasn't a noxious black smoke but a clean white billowing one which hung close to the ground. People were out in a carnival spirit helping each other burn their leaves, which were raked into small (or large) piles in the yards. Yes, there were rules in effect; such as making sure that the wind was from a safe direction and burning was restricted to 30 feet from a building. Some garages were slightly discolored.

Leaves were forbidden to be raked into a road area. Kids could be injured while playing in the piles. Cars were known to catch fire when parked over dry leaves ignited by hot exhaust. I recall that yard burning did produce some astonishing results. If a leaf fire continued to burn through the ashes, it was caused by a leaky gas line. The fire had to be extinguished with water and the gas company notified. There were probably many cubic feet of gas that escaped at the company's expense as the meter locations were beyond the leak.

Back in those days there were no undesirable odors from across the tracks. This came later with "progress" in joint community ventures to centralize leaf disposal. I miss the days when, in a few minutes, a pile of leaves could be burned releasing a pleasant aromatic white smoke into the atmosphere before the E.P.A.

AVAILABLE FOR THE HOLIDAYS!

A new set of Bay High Alumni apparel and car magnets was introduced Homecoming weekend. We have limited quantities available for all items in most sizes. An online store will be activated in late November for orders and we will ship or deliver goods in plenty of time for the holidays.

Look for further details to be posted in November on the Bay High School Alumni Facebook page and bayalumni.com.

SEEKING CLASS REPS TO HELP KEEP ALUMNI INFORMED

An initiative of the Bay Alumni Foundation in 2025 is to make sure as many graduating classes as possible have a Class Rep in place. Class Reps aid the mission of BAF by disseminating timely information about alumni events, especially those relating to their own graduation year. Many classes have Facebook pages or Instagram groups set up as a means to convey BAF information. We'd like to help classes that haven't yet set up a social media presence as another goal of this initiative. Currently, the following class years do not have a confirmed Class Rep in place:

- 1930s:** no Class Reps
- 1940s:** no Class Reps
- 1950s:** no Class Reps for 1950-1957 & 1959
- 1960s:** no Class Reps for 1961, need confirmation 1963
- 1970s:** need confirmation for 1977
- 1980s:** need confirmation for 1982
- 1990s:** need new rep for 1990
- 2000s:** need confirmations for 2005, 2009
- 2010s:** need confirmations for 2011; no Class Reps for 2015, 2016, 2019
- 2020s:** no Class Reps 2021, 2022, 2023

If you would like to volunteer, please email eveuhland@gmail.com. BAF does all the heavy lifting with event planning and creating text and graphics; we just need more alumni help with getting this information out.
